*Title of Collection:* Race to the Top Annual Performance Report.

*OMB Control Number:* 1894-0012.

*Type of Review:* Reinstatement.

*Total Estimated Number of Annual Responses:* 19.

*Total Estimated Number of Annual Burden Hours:* 1,845.

*Abstract:* In order to fulfill our responsibilities for programmatic oversight and public reporting, the Department has developed a Race to the Top Annual Performance Report that is tied directly to the Race to the Top selection criteria and priorities previously established and published in the **Federal Register**. The report is grounded in the key performance targets included in grantees' approved Race to the Top plans. Grantees will be required to report on their progress in the four core education reform areas and in Science, Technology, Engineering, and Mathematics. This reporting includes narrative sections on progress and key performance indicators. As was the case in the completion of the Race to the Top applications, grantees will coordinate with local educational agencies to collect and report on school and district-level data elements.

In order to robustly fulfill our programmatic and fiscal oversight responsibilities, it is essential that we gather this data from Race to the Top grantees and subgrantees. In the first year of the grant, the annual performance report (APR) was collected through an emergency clearance approval. In order to allow for a comprehensive assessment of progress for the remaining grant period to both update the public and Congress about Race to the Top and pinpoint areas requiring technical assistance, we are requesting a three-year clearance with this form.

Additionally, through the Department of Defense and Full-Year Continuing Appropriations Act, 2011 (FY 2011 Appropriations Act), the Department made a total of \$200 million in grants to seven additional States in Phase 3 to invest in a portion of their plans from the Phase 2 competition. The Department is requesting these States, who will complete a sub-set of the APR based on their approved plans, be included in the three-year clearance with this form.

Dated: July 2, 2012.
