The Coast Guard is issuing this final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because delaying this event would be contrary to the public interest.

The Newburgh Beacon Swim event will occur this year on July 21, 2012. On May 24, 2012, the sponsor of the event advised the Coast Guard that due to optimal tide, current, and weather conditions needed to promote the safety of the swim participants, they were changing the date of the event from the last weekend in July (with a rain date as the first weekend in August) to July 21, 2012, thereby rendering the permanent safety zone set forth in 33 CFR 165.160 inapplicable for this year’s event.

Any delay in the effective date of this rule would be contrary to the public interest because immediate action is needed to provide for the safety of life on the navigable waters from the hazards of swimming in the Hudson River, particularly in the vicinity of the shipping channel. The safety zone is necessary to provide for the safety of event participants, spectator crafts, and other vessels operating near the event area. For the safety concerns noted, it is in the public interest to have this
regulation in effect during this event. In addition, any change to the date of the event could potentially cause economic hardship on the marine event sponsor and negatively impact other activities being held in conjunction with these events (e.g., the “Hudson River Day Celebration”) by potentially causing numerous event participant cancellations.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds for the reasons stated above that good cause exists for making this rule effective less than 30 days after publication in the Federal Register.

B. Basis and Purpose

The legal basis for this rule is 33 U.S.C. 1231; 46 U.S.C. Chapter 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05–1, 6.04–1, 6.04–6, 160.5; Public Law 107–295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1. The Coast Guard received an application to hold the annual Newburgh Beacon Swim on the waters of the Hudson River in the vicinity of Newburgh, NY. With this application, the event sponsor requested that the event be permitted to take place on Saturday, July 21, 2012 rather than the usual last weekend in July. The deviation from the permanent regulation was requested to avoid unsafe tide and current conditions expected to occur during the last weekend in July and to have the event in conjunction with the “Hudson River Day Celebration.”

C. Discussion of the Final Rule

The Coast Guard is establishing a temporary safety zone on the waters of the Hudson River in the vicinity of Newburgh, NY for the annual Newburgh Beacon Swim event. This temporary rule will restrict vessels from a portion of the Hudson River during the swim event on Saturday, July 21, 2012.

D. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on 13 of these statutes or executive orders.

1. Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under those Orders.

We expect the economic impact of this rule to be very minimal. Although this regulation may have some impact on the public, the potential impact will be minimized for the following reasons. Vessels will only be restricted from the safety zone for a short duration of time. Before activating the zone, we will notify mariners by appropriate means including but not limited to Local Notice to Mariners and Broadcast Notice to Mariners. Additionally, the Coast Guard promulgated a permanent safety zone found in 33 CFR Part 165 for the event area in the past and no adverse comments or notice of any negative impact caused by the safety zone were received.

2. Impact on Small Entities

(a) Regulatory Flexibility Act

The Regulatory Flexibility Act of 1980 (RFA), 5 U.S.C. 601–612, as amended, requires federal agencies to consider the potential impact of regulations on small entities during rulemaking. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

(b) Economic Impacts

(1) This rule would affect the following entities, some of which might be small entities: The owners or operators of vessels intending to transit or anchor in a portion of the Hudson River during the event.

(2) This safety zone will not have a significant economic impact on small entities for the following reasons. This safety zone will be enforced for only 2 hours. Vessel traffic can pass safely through the safety zone with permission from the COTP or a designated representative. Before activating the zone, we will notify mariners by appropriate means including but not limited to Local Notice to Mariners and Broadcast Notice to Mariners.

3. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the FOR FURTHER INFORMATION CONTACT, above.

Small businesses may send comments on the impact of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

4. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

5. Federalism

A rule has implications for federalism under Executive Order 13132. Federalism, if it has a substantial direct effect on the States, in the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and determined that this rule does not have implications for federalism.

6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the FOR FURTHER INFORMATION CONTACT section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of $100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

8. Taking of Private Property

This rule will not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.
9. Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

10. Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

11. Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

12. Energy Effects

This action is not a “significant energy action” under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

13. Technical Standards

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

14. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves the establishment of a temporary safety zone. This rule is categorically excluded from further review under paragraph 34(g) of Figure 2–1 of the Commandant Instruction. An environmental analysis checklist supporting this determination and a Categorical Exclusion Determination are available in the docket where indicated under ADDRESSES. We seek any comments or information that may lead to the discovery of a significant environmental impact from this rule.

List of Subjects in 33 CFR Part 165

Marine safety, Navigation (water), Reporting and recordkeeping requirements, waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREA

1. The authority citation for part 165 continues to read as follows:

2. Add § 165.T01–0538 to read as follows:

§ 165.T01–0538 Safety Zone; Newburgh Beacon Swim, Newburgh, Hudson River, NY.

(a) Regulated Area. The following area is a regulated area: All navigable waters of the Hudson River, NY in the vicinity of Newburgh, NY bound by the following points: 41°30′33.67″ N 073°00′20.09″ W; thence to 41°30′29.17″ N 073°59′06.89″ W; thence to 41°30′11.53″ N 073°59′14.83″ W; thence to 41°30′15.15″ N 073°01′17.80″ W; thence north along the shoreline to the point of the beginning. This area is approximately 1500 yards south of the Newburgh-Beacon Bridges.

(b) Effective Date. This rule is effective from 9:30 a.m. until 11:30 a.m. on July 21, 2012.

(c) Definitions. The following definitions apply to this section:

(1) Designated Representative. A “designated representative” is any Coast Guard commissioned, warrant or petty officer of the U.S. Coast Guard who has been designated by the Captain of the Port Sector New York (COTP), to act on his or her behalf. The designated representative may be on an official patrol vessel or may be on shore and will communicate with vessels via VHF–FM radio or loudhailer. In addition, members of the Coast Guard Auxiliary may be present to inform vessel operators of this regulation.

(2) Official Patrol Vessels. Official patrol vessels may consist of any Coast Guard, Coast Guard Auxiliary, state, or local law enforcement vessels assigned or approved by the COTP.

(3) Spectators. All persons and vessels not associated with the event sponsor as participants or official patrol vessels.

(d) Regulations.
