SECURITIES AND EXCHANGE COMMISSION

Self-Regulatory Organizations; The NASDAQ Stock Market LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to BX Options Routing

July 11, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),\(^1\) and Rule 19b–4 \(^2\) thereunder, notice is hereby given that on June 28, 2012, the NASDAQ Stock Market LLC ("NASDAQ" or "Exchange") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the NASDAQ. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The NASDAQ Stock Market LLC proposes to modify Chapter XV, Section 2, governing pricing for NASDAQ members using the NASDAQ Options Market ("NOM"). NASDAQ's facility for executing and routing standardized equity and index options.

While the changes proposed herein are effective upon filing, the Exchange has designated these changes to be operative on July 2, 2012.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this filing is to recoup costs that the Exchange incurs for routing and executing certain orders in equity options to BX Options.

The Exchange’s Pricing Schedule at Chapter XV, Section 2(4) currently includes the following fees for routing Customer, Professional, Firm, Broker-Dealer and Market Maker orders to away markets.

The Exchange is proposing to adopt the following fees when routing to BX Options:

<thead>
<tr>

<tbody>
<tr>
<td>BX Options</td>

BX Options received approval to operate a new options market\(^3\) and filed to adopt various fees and rebates which would become operative on July 2, 2012. Specifically, BX Options will assess a Fee to Remove Liquidity of $0.43 per contract to BX Options Market Makers and Non-Customers which includes Professionals, Firms, Broker-Dealers and Non-BX Options Market Makers.\(^4\) Customers would not be assessed a Fee to Remove Liquidity on BX Options. The Exchange is seeking to adopt new Routing Fees to account for these new fees and other routing costs incurred by the Exchange when routing to BX Options as of July 2, 2012.

Nasdaq Options Services LLC ("NOS"), a member of the Exchange, is the Exchange's exclusive order router. 5 NOS is the Routing Facility for BX Options. Each time NOS routes to away markets NOS is charged a $0.06 clearing fee and, in the case of certain exchanges, a transaction fee is also charged in certain symbols, which fees are passed through to the Exchange. The Exchange currently recoups clearing and transaction charges incurred by the Exchange as well as certain other costs incurred by the Exchange when routing to away markets, such as administrative and technical costs associated with operating NOS, membership fees at away markets, and technical costs associated with routing. 6 The Exchange would therefore assess Customers $0.11 per contract, Firms would be assessed $0.54 per contract, Market Makers would be assessed $0.54 per contract and Professionals would be assessed $0.54 per contract. 7 The Exchange proposes to title the new fees "BX Options." 

The Exchange also proposes other minor amendments to remove the following sentence from Chapter XV, Section 2(4): "The current fees and a historical record of applicable fees shall be posted on the NasdaqTrader.com website." This sentence is not necessary as all rules are posted on the Exchange's Web site. Also, the Exchange is alphabetically relocating the BOX Routing Fees.

As with all fees, the Exchange may adjust these Routing Fees in response to competitive conditions by filing a new proposed rule change.

2. Statutory Basis

NASDAQ believes that its proposal to amend its rules is consistent with Section 6(b) of the Act 8 in general, and furthers the objectives of Section 6(b)(4) of the Act 9 in particular, that it is an equitable allocation of reasonable fees and other charges among Exchange members.

The Exchange believes that the proposed BX Options Routing Fees are reasonable because they seek to recoup costs that are incurred by the Exchange when routing Customer, Professional, Firm, Broker-Dealer, Specialist and Market Maker orders to BX Options on behalf of members, respectively. Each destination market's transaction charge varies and there is a standard clearing charge for each transaction incurred by the Exchange along with other administrative and technical costs that are incurred by the Exchange. The Exchange believes that the proposed Routing Fees would enable the Exchange to recover the remove fees assessed to market participants by BX Options, plus clearing and other administrative and technical fees for the execution of Customer, Professional, Firm, Broker-Dealer, Specialist and Market Maker orders when routed to BX Options. The Exchange also believes that the proposed BX Options Routing Fees are equitable and not unfairly discriminatory because they would be uniformly applied to all Customer, Professional, Firm, Broker-Dealer, Specialist and Market Maker orders that are routed to BX Options.

The Exchange believes that the proposed minor amendments to remove the sentence referring to the Exchange's Web site information and the relocation of BOX Routing Fees are reasonable, equitable and not unfairly discriminatory because these amendments update Chapter XV, Section 2 of the Rules to remove an unnecessary sentence and conform the manner in which the Routing Fees are displayed.

B. Self-Regulatory Organization's Statement on Burden on Competition

NASDAQ does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. In addition, a NOM Participant may designate an order as not available for routing to avoid routing fees.10

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act. 11 At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

SEcurities And EXchange COMMISSION

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to the AdvisorShares Active Bear ETF

July 11, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”) and Rule 19b–4 thereunder, notice is hereby given that, on June 27, 2012, NYSE Arca, Inc. (“Exchange” or “NYSE Arca”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change described in the Prior Order, the “Prior Order”, supra.

The Exchange seeks to make a change to the means of achieving the investment objective applicable to the AdvisorShares Active Bear ETF (the “Fund”). The text of the proposed rule change is available on the Exchange’s Web site at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Commission has approved listing and trading on the Exchange of shares (“Shares”) of the AdvisorShares Active Bear ETF, a series of AdvisorShares Trust (the “Trust”), under NYSE Arca Equities Rule 8.600, which governs the listing and trading of Managed Fund Shares. The Shares are offered by the Trust, a statutory trust organized under the laws of the State of Delaware and registered with the Commission as an open-end management investment company. The investment advisor to the Fund is AdvisorShares Investments, LLC (the “Adviser”). Ranger Alternative Management, L.P. is the sub-advisor (“Sub-Adviser”) to the Fund and the portfolio manager. Foreside Fund Services LLC is the distributor for the Fund. The Bank of New York Mellon Corporation is the administrator.

2. Statutory Basis for, the Proposed Rule Change

The Adviser and Sub-Adviser have managed and will continue to manage the Fund’s portfolio. Such an increase will give the Sub-Adviser additional flexibility to the Sub-Adviser to achieve the Fund’s investment objective by short selling a portfolio of liquid mid- and large-cap U.S. exchange-traded equity securities, exchange-traded funds (“ETFs”) registered pursuant to the 1940 Act, and exchange-traded products (“ETPs”), including exchange-traded notes (“ETNs”), and, collectively with ETFs and ETPs, “Underlying ETPs”). In contrast to ETFs, ETNs and ETPs are not registered pursuant to the 1940 Act. The Exchange seeks to make a change to representations made by the Adviser reflected in the Prior Release, as described below. As stated in the Prior Notice, the Fund generally targets a composition of 20 to 50 equity short positions, with an average individual position size which generally ranges between 2–7% of the aggregate portfolio exposure. Going forward, the Fund generally will target a composition of 20 to 75 equity short positions, with no change in the aggregate portfolio exposure size.

The Adviser represents that the purpose of this change is to provide additional flexibility to the Sub-Adviser to meet the Fund’s investment objective by providing a limited increase in the number of equity short positions in the Fund’s portfolio. Such an increase will permit the Fund to include a broader range of market sectors in the mid- and large-cap equity securities and Underlying ETPs in which the Fund invests, and will further the Fund’s objective to seek capital appreciation.

The Adviser represents that there is no change to the Fund’s investment objective. The Fund will continue to comply with all initial and continued listing requirements under NYSE Arca Equities Rule 8.600.
