## V. Public Comment Procedures

In accordance with the CEQ's regulations for implementing NEPA and the DOI's NEPA regulations, OSM solicits public comments on the scope of the EIS and significant issues that it should address in the EIS.

Written comments, including email comments, should be sent to OSM at the addresses given in the **ADDRESSES** section of this notice. Comments should be specific and pertain only to the issues relating to the proposals. OSM will include all comments in the administrative record.

If you would like to be placed on the mailing list to receive future information, please contact the person listed under **FOR FURTHER INFORMATION CONTACT**, above.

Hopi and Navajo interpreters will be present at meetings on the Hopi and Navajo Reservations.

If you require reasonable accommodation to attend one of the meetings, please contact the person listed under **FOR FURTHER INFORMATION CONTACT** at least one week before the meeting.

### Availability of Comments

OSM will make comments, including name of respondent, address, phone number, email address, or other personal identifying information, available for public review during normal business hours. Comments submitted anonymously will be accepted and considered; however, those who submit anonymous comments may not have standing to appeal the subsequent decision.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—will be publicly available. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

All submissions from organizations or businesses and from individuals identifying themselves as representatives or officials of organizations or businesses will be available for public review to the extent consistent with applicable law.

Dated: June 8, 2012.

## DEPARTMENT OF JUSTICE

### Notice of Lodging of Consent Decree Modification Under the Clean Water Act

Notice is hereby given that on July 2, 2012, a proposed Consent Decree Modification ("Modification") in *United States and State of New Hampshire v. City of Portsmouth, New Hampshire*, Civil Action No. 09-CV-283-PB, was lodged with the United States District Court for the District of New Hampshire.

The Modification modifies a Consent Decree between the parties which was entered by the federal district court on September 24, 2009 ("Decree"). The Decree resolved claims of the United States and State of New Hampshire against the City of Portsmouth, New Hampshire (the "City"), pursuant to Section 301(a) of the Clean Water Act ("CWA"), 33 U.S.C. 1301(a).

The Decree required the City, among other things, to control discharges from the combined sewer overflow ("CSO") outfalls, propose a schedule for construction of a secondary wastewater treatment facility for approval by the United States Environmental Protection Agency, and upon inclusion of the schedule in the Decree, comply with the construction schedule. The City encountered unexpected geological conditions that impaired the City's ability to meet the previously-designated CSO mitigation construction schedule. The Modification extends the completion deadline for the CSO projects by one year—until October 2014. Pursuant to the requirements in the Decree, the City proposed a detailed schedule for constructing secondary treatment facilities. The Modification requires the City to complete construction of secondary treatment facilities by March, 2017.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the Modification. Comments should be addressed to the Assistant Attorney General, Environmental and Natural Resources Division, and either emailed to [pubcomment-ees.enrd@usdoj.gov](mailto:pubcomment-ees.enrd@usdoj.gov) or mailed to P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, and should refer to *United States and State of New Hampshire v. City of Portsmouth, New Hampshire*, Civil Action No. 09-CV-283-PB, D.J. Ref. 90-5-1-1-09308.

During the public comment period, the Modification, may also be examined on the following Department of Justice Web site, [http://www.usdoj.gov/enrd/Consent\\_Decrees.html](http://www.usdoj.gov/enrd/Consent_Decrees.html). A copy of the
