

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-67434; File No. SR-Phlx-2012-95]

Self-Regulatory Organizations; NASDAQ OMX PHLX LLC; Notice of Filing of Proposed Rule Change With Respect to the Amendment of the By-Laws of its Parent Corporation, The NASDAQ OMX Group, Inc. (“NASDAQ OMX”) July 13, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 11, 2012, NASDAQ OMX PHLX LLC (“Phlx” or the “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items II and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes a rule change with respect to the amendment of the by-laws of its parent corporation, The NASDAQ OMX Group, Inc. (“NASDAQ OMX”). The text of the proposed rule change is available at the Exchange’s Web site, at the Exchange’s principal office, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

NASDAQ OMX is proposing amendments to provisions of its by-laws

pertaining to the composition of the Management Compensation Committee of the NASDAQ OMX Board of Directors. Specifically, NASDAQ OMX is amending the compositional requirements of its Management Compensation Committee in Section 4.13 to replace a requirement that the committee be composed of a majority of Non-Industry Directors³ with a requirement that the number of Non-Industry Directors on the committee equal or exceed the number of Industry Directors. Thus, in the case of a committee composed of four Directors, the current by-law provides that only one Director may be an Industry Director, while the amended by-law would allow up to two Directors to be Industry Directors. The proposed compositional requirement for the committee with regard to the balance between Industry Directors and Non-Industry Directors would be the same as that already provided for in the by-laws with respect to the Executive Committee and the Nominating and Governance

³ An “Industry Director” means a Director (excluding any two officers of NASDAQ OMX, selected at the sole discretion of the Board, amongst those officers who may be serving as Directors (the “Staff Directors”)) who (1) is or has served in the prior three years as an officer, director, or employee of a broker or dealer, excluding an outside director or a director not engaged in the day-to-day management of a broker or dealer; (2) is an officer, director (excluding an outside director), or employee of an entity that owns more than ten percent of the equity of a broker or dealer, and the broker or dealer accounts for more than five percent of the gross revenues received by the consolidated entity; (3) owns more than five percent of the equity securities of any broker or dealer, whose investments in brokers or dealers exceed ten percent of his or her net worth, or whose ownership interest otherwise permits him or her to be engaged in the day-to-day management of a broker or dealer; (4) provides professional services to brokers or dealers, and such services constitute 20 percent or more of the professional revenues received by the Director or 20 percent or more of the gross revenues received by the Director’s firm or partnership; (5) provides professional services to a director, officer, or employee of a broker, dealer, or corporation that owns 50 percent or more of the voting stock of a broker or dealer, and such services relate to the director’s, officer’s, or employee’s professional capacity and constitute 20 percent or more of the professional revenues received by the Director or 20 percent or more of the gross revenues received by the Director’s firm or partnership; or (6) has a consulting or employment relationship with or provides professional services to NASDAQ OMX or any affiliate thereof or to the Financial Industry Regulatory Authority (“FINRA”) or has had any such relationship or provided any such services at any time within the prior three years.

A “Non-Industry Director” means a Director (excluding the Staff Directors) who is (1) A Public Director; (2) an officer, director, or employee of an issuer of securities listed on a national securities exchange operated by any subsidiary of NASDAQ OMX that is a self-regulatory organization; or (3) any other individual who would not be an Industry Director.

A “Public Director” means a Director who has no material business relationship with a broker or dealer, NASDAQ OMX or its affiliates, or FINRA.

Committee, as well as the full Board of Directors.

NASDAQ OMX and the Exchange believe that the change will provide greater flexibility to NASDAQ OMX with regard to populating a committee that includes Directors with relevant expertise and that is not excessively large in relation to the size of the full Board of Directors, while continuing to ensure that Directors associated with Exchange members and other broker-dealers do not exert disproportionate influence of the governance of NASDAQ OMX. As required by NASDAQ Stock Market Rule 5605(d), the committee would continue at all times to be composed solely of Directors who are independent within the meaning of that rule.

2. Statutory Basis

Phlx believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,⁴ in general, and with Sections 6(b)(1) and (b)(5) of the Act,⁵ in particular, in that the proposal enables Phlx to be so organized and to have the capacity to be able to carry out the purposes of the Act and to comply with and enforce compliance by members and persons associated with members with provisions of the Act, the rules and regulations thereunder, and Phlx rules, and is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

Phlx believes that the change will provide greater flexibility to NASDAQ OMX with regard to populating a committee that includes Directors with relevant expertise and that is not excessively large in relation to the size of the full Board of Directors, while continuing to ensure that Directors associated with Exchange members and other broker-dealers do not exert disproportionate influence of the governance of NASDAQ OMX.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not
