OMB Control Number: 1840-0821.

Type of Review: Revision.

Total Estimated Number of Annual Responses: 571.

Abstract: Current State GEAR UP grantees that received new awards in Fiscal Year (FY) 2011 or FY 2012, that select participating students beginning not later than seventh grade using the cohort approach and that have their cohort of students entering the ninth grade in the 2013-2014 or 2014-2015 academic year are eligible to apply for funding. The purpose of this revision is to introduce the GEAR UP college savings account research demonstration project. The burden increase associated with the collection results from a program change to run this one-time college savings account demonstration project. This collection will result in a change of 26 respondents and an increase of 130 burden hours.

This collection is being submitted under the Streamlined Clearance Process for Discretionary Grant Information Collections (1894-0001). Therefore, the 30-day public comment period notice will be the only public comment notice published for this information collection.
