### Conclusion

Based upon its evaluation of the 22 exemption applications, FMCSA exempts Jack D. Alt (NH), Hallie L. Ayers (AR), Tony O. Billman (PA), Tracy M. Dowton (MT), Anil D. Gharmalkar (KS), Larry A. Hamilton (MO), Gregory S. Heun (OK), Irene M. Howard (UT), Allen K. Kates (NJ), Andrew L. Lyman (PA), Franklin L. Oberender (IA), Nancy A. Plunk (MO), Victor C. Port (ND), Scott D. Roles (MN), Jeffrey A. Ryan (IA), Keith A. Siekmeyer (AK), Tom L. Simmons (IA), James H. Stichberry, Jr. (MD), Loyd J. Wagner (MO), John F. Watson (IN), Melvin E. Welch (NJ), and Leroy R. Wille (IA) from the ITDM requirement in 49 CFR 391.41(b)(3), subject to the conditions listed under “Conditions and Requirements” above.

In accordance with 49 U.S.C. 31136(e) and 31315 each exemption will be valid for two years unless revoked earlier by FMCSA. The exemption will be revoked if the following occurs: (1) The person fails to comply with the terms and conditions of the exemption; (2) the exemption has resulted in a lower level of safety than was maintained before it was granted; or (3) continuation of the exemption would not be consistent with the goals and objectives of 49 U.S.C. 31136(e) and 31315. If the exemption is still effective at the end of the 2-year period, the person may apply to FMCSA for a renewal under procedures in effect at that time.

ACDs data for determining eligibility. QLICIs closed on or after July 1, 2013 must use 2006–2010 ACD data for determining eligibility. The CDFI Fund will continue to use 20 percent as the appropriate benchmark for ensuring a proportional allocation of QLICIs in Non-Metropolitan areas.

4. An organization that is certified by the CDFI Fund as a Subsidiary CDE will not be permitted to submit an allocation application under this NOAA.

B. Program guidance and regulations: This NOAA provides guidance for the application and allocation of QLICIs for the CY 2012 round of the NMTC Program and should be read in conjunction with: (i) Guidance published by the CDFI Fund on how an entity may apply to become certified as a CDE [66 Federal Register 65806, December 20, 2001]; (ii) the final regulations issued by the Internal Revenue Service (26 CFR 1.45D–1, published on December 28, 2004), as amended and related guidance, notices and orders; and (iii) the application and related materials for the CY 2012 NMTC Program allocation round. All such materials may be found on the CDFI Fund’s Web site at http://www.cdfi.treas.gov. The CDFI Fund encourages applicants to review these documents. Capitalized terms used, but not defined, in this NOAA shall have the respective meanings assigned to them in the allocation application, IRC § 45D or the IRS regulations. In the event of any inconsistency between the allocation application, IRC § 45D or the IRS regulations, the provisions of IRC § 45D and the IRS regulations shall govern.

II. Allocation Information

A. Allocation amounts: Pursuant to the Act, the CDFI Fund expects that it may allocate to CDEs the authority to issue to their investors up to the aggregate amount of $5.0 billion in equity as to which NMTCs may be claimed, as permitted under IRC § 45D(f)(1)(D). Pursuant to this NOAA, the CDFI Fund anticipates that it will not issue more than $100 million in tax credit investment authority per Allocatee. The CDFI Fund, in its sole discretion, reserves the right to allocate amounts in excess of or less than the anticipated maximum allocation amount should the CDFI Fund deem it appropriate. In order to receive an allocation in excess of the $100 million cap, an applicant, at a minimum, will need to demonstrate that: (i) No part of its strategy can be successfully implemented without an allocation in excess of the applicable cap; and/or (ii) its strategy will produce extraordinary community outcomes. The CDFI Fund reserves the right to allocate NMTC authority to any, all, or none of the entities that submit an application in response to this NOAA, and in any amount it deems appropriate.

B. Types of awards: NMTC Program awards are made in the form of allocations of tax credit investment authority.

C. Allocation Agreement: Each Allocatee under this NOAA must sign an Allocation Agreement, which must be countersigned by the CDFI Fund, before the NMTC allocation is effective. The Allocation Agreement contains the terms and conditions of the allocation. For further information, see Section VI of this NOAA.

III. Eligibility

A. Eligible applicants: IRC § 45D specifies certain eligibility requirements that each applicant must meet to be eligible to apply for an allocation of NMTCs. The following sets forth additional detail and certain additional dates that relate to the submission of applications under this NOAA for the available NMTC investment authority.

1. CDE certification: For purposes of this NOAA, the CDFI Fund will not consider an application for an allocation of NMTCs unless: (a) The applicant is certified as a CDE at the time the CDFI Fund receives its NMTC Program allocation application; or (b) the applicant submits an application for certification as a CDE that is postmarked on or before August 3, 2012. Applicants for certification may obtain a CDE certification application through the CDFI Fund’s Web site at http://www.cdfitfund.gov. Applications for CDE certification must be submitted as instructed in the application form. An applicant that is a Community Development Financial Institution (CDFI) or a Specialized Small Business Investment Company (SSBIC) does not need to submit a CDE certification application; however, it must register as a CDE on the CDFI Fund’s Web site on or before 5 p.m. ET on August 3, 2012. See Section IV.D.1(b) of this NOAA for further requirements relating to postmarks.

The CDFI Fund will not provide NMTC allocation authority to applicants that are not certified as CDEs or to entities that are certified as Subsidiary CDEs. If an applicant that has already been certified as a CDE wishes to change its designated CDE service area, it must submit its request for such a change to the CDFI Fund, and the request must be received by the CDFI Fund by 5:00 p.m. ET on August 3, 2012. The CDE service area change request must be sent from the applicant’s authorized representative and include the applicable CDE control number, the revised service area designation, and an updated accountability chart that reflects representation from Low-Income Communities in the revised service area. The service area change request must be sent by email to ccme@cdfi.treas.gov.

2. Prior awardees or Allocatees: Applicants must be aware that success in a prior round of any of the CDFI Fund’s programs is not indicative of success under this NOAA. For purposes of this section, the CDFI Fund will consider an Affiliate to be any entity that meets the definition of Affiliate as defined in the NMTC allocation application materials, or any entity otherwise identified as an Affiliate by the applicant in its NMTC allocation application materials. Prior awardees of any CDFI Fund program are eligible to apply under this NOAA, except as follows:

(a) Prior Allocatees and Qualified Equity Investment (QEI) issuance requirements: The following describes the QEI issuance requirements applicable to prior Allocatees.

A prior Allocatee in the CY 2006 round of the NMTC Program is not eligible to receive a NMTC allocation pursuant to this NOAA unless the Allocatee is able to affirmatively demonstrate that, as of 11:59 p.m. ET on October 31, 2012, it has issued and received funds in-hand from its investors for at least 95 percent of its QEs relating to its CY 2006 NMTC allocation.

A prior Allocatee in the CY 2007 round of the NMTC Program is not eligible to receive a NMTC allocation pursuant to this NOAA unless the Allocatee is able to affirmatively demonstrate that, as of 11:59 p.m. ET on October 31, 2012, it has: (i) Issued and received funds in-hand from its investors for at least 80 percent of its QEs relating to its CY 2007 NMTC allocation; or (ii) issued and received funds in-hand from its investors for at least 70 percent of its QEs and that at least 100 percent of its total CY 2007 NMTC allocation has been exchanged for funds in-hand from investors, or has been committed by its investors.

A prior Allocatee in the CY 2008 round of the NMTC Program is not eligible to receive a NMTC allocation pursuant to this NOAA unless the Allocatee is able to affirmatively demonstrate that, as of 11:59 p.m. ET on October 31, 2012, it has: (i) Issued and received funds in-hand from its investors for at least 70 percent of its QEs relating to its CY 2008 NMTC
allocation; or (ii) issued and received funds in-hand from its investors for at least 60 percent of its QEIs and that at least 80 percent of its total CY 2009 NMTC allocation has been exchanged for funds in-hand from investors, or has been committed by its investors.

A prior Allocatee in the CY 2009 round of the NMTC Program is not eligible to receive a NMTC allocation pursuant to this NOAA unless the Allocatee is able to affirmatively demonstrate that, as of 11:59 p.m. ET on October 31, 2012, it has: (i) Issued and received funds in-hand from its investors for at least 50 percent of its QEIs relating to its CY 2009 NMTC allocation; or (ii) issued and received funds in-hand from its investors for at least 50 percent of its QEIs and that at least 80 percent of its total CY 2009 NMTC allocation has been exchanged for funds in-hand from investors, or has been committed by its investors.

A prior Allocatee (with the exception of a Rural CDE Allocatee) in the CY 2010 round of the NMTC Program is not eligible to receive a NMTC allocation pursuant to this NOAA unless the Allocatee is able to affirmatively demonstrate that, as of 11:59 p.m. ET on October 31, 2012, it has: (i) Issued and received funds in-hand from its investors for at least 50 percent of its QEIs relating to its CY 2010 NMTC allocation; or (ii) issued and received funds in-hand from its investors for at least 40 percent of its QEIs and that at least 60 percent of its total CY 2010 NMTC allocation has been exchanged for funds in-hand from investors, or has been committed by its investors. A prior Allocatee (with the exception of a Rural CDE Allocatee) in the CY 2011 round of the NMTC Program is not eligible to receive a NMTC allocation pursuant to this NOAA unless the Allocatee can demonstrate that, as of 11:59 p.m. ET on October 31, 2012, it has: (i) Issued and received funds in-hand from its investors for at least 30 percent of its QEIs relating to its CY 2011 NMTC allocation; or (ii) issued and received funds in-hand from its investors for at least 20 percent of its QEIs and that at least 60 percent of its total CY 2011 NMTC allocation has been exchanged for funds in-hand from investors, or has been committed by its investors. A Rural CDE is not required to meet the above QEI issuance and commitment thresholds with regard to its CY 2011 NMTC allocation award.

In addition to the requirements described above, an entity is not eligible to receive a NMTC allocation pursuant to this NOAA if an Affiliate of the applicant is a prior Allocatee and has not met the requirements for the issuance and/or commitment of QEIs as set forth above for the Allocatees in the prior allocation rounds of the NMTC Program.

Notwithstanding the above, if an applicant has received multiple NMTC allocation awards between the CY 2006 and the CY 2011, the applicant shall be deemed to be eligible to apply for a NMTC allocation pursuant to this NOAA if the applicant is able to affirmatively demonstrate that, as of 11:59 p.m. ET on October 31, 2012, it has issued and received funds in-hand from its investors for at least 90 percent of its QEIs relating to its cumulative allocation amounts from these prior NMTC Program rounds. Rural CDEs that received allocations under the CY 2010 round may choose to exclude such allocations from this cumulative calculation, provided that the Allocatee has issued and received funds in-hand from its investors for at least 20 percent of its QEIs relating to its CY 2010 allocation. Rural CDEs that received allocations under the CY 2011 round may choose to exclude such allocation from this cumulative calculation.

For purposes of this section of the NOAA, the CDFI Fund will only recognize as “issued” those QEIs that have been finalized in the CDFI Fund’s Allocation Tracking System (ATS) by the deadlines specified above. Allocatees and their Subsidiary transferees, if any, are advised to access ATS to record each QEI that they issue to an investor in exchange for funds in-hand. For purposes of this section of the NOAA, “committed” QEIs are only those Equity Investments that are evidenced by a written, signed document in which an investor: (i) Commits to make an investment in the Allocatee in a specified amount and on specified terms; (ii) has made an initial disbursement of the investment proceeds to the Allocatee, and such initial disbursement has been recorded in ATS as a QEI; (iii) commits to disburse the remaining investment proceeds to the Allocatee based on specified amounts and payment dates; and (iv) commits to make the final disbursement to the Allocatee no later than October 31, 2012.

The applicant will be required, upon notification from the CDFI Fund, to submit adequate documentation to substantiate the required issuances of and commitments for QEIs.

Applicants should be aware that these QEI issuance requirements represent the minimum threshold requirements that must be met in order to submit an application for assistance under this NOAA. As stated in Section V.B.2 of this NOAA, the CDFI Fund reserves the right to reject an application and/or adjust award amounts as appropriate based on information obtained during the review process—including an applicant’s track record of raising QEIs and/or deploying its QLICIs.

Prior Allocatees that require any action by the CDFI Fund (i.e., certifying a subsidiary entity as a CDE; adding a subsidiary CDE to an Allocation Agreement; etc.) in order to meet the QEI issuance requirements above must submit their Certification Application for subsidiary CDEs by no later than August 1, 2012 and Allocation Agreement Amendment requests by no later than October 2, 2012 in order to guarantee that the CDFI Fund completes all necessary approvals prior to October 31, 2012. Applicants for certification may obtain a CDE certification application through the CDFI Fund’s Web site at http://www.cdfi-fund.gov.

Applications for CDE certification must be submitted as instructed in the application form.

(b) Failure to meet reporting requirements: The CDFI Fund will not consider an application submitted by an applicant if the applicant or any of its Affiliates is a prior CDFI Fund awardee or Allocatee under any CDFI Fund program and is not current on the reporting requirements set forth in a previously executed assistance, allocation or award agreement(s), as of the application deadline of this NOAA. Please note that automated systems employed by the CDFI Fund for receipt of reports submitted electronically typically acknowledge only a report’s receipt; such acknowledgment does not warrant that the report received was complete and therefore met reporting requirements.

(c) Pending resolution of noncompliance: If an applicant is a prior awardee or Allocatee under any CDFI Fund program and if: (i) It has submitted complete and timely reports to the CDFI Fund that demonstrate noncompliance with a previous assistance, award or Allocation Agreement; and (ii) the CDFI Fund has yet to make a final determination as to whether the entity is in default of its prior assistance, award or Allocation Agreement, the CDFI Fund will consider the applicant’s application under this
NOAA pending full resolution of the noncompliance, in the sole determination of the CDFI Fund. Further, if an Affiliate of the applicant is a prior CDFI Fund awardee or Allocatee and if such entity: (i) Has submitted complete and timely reports to the CDFI Fund that demonstrate noncompliance with a previous assistance, award or Allocation Agreement; and (ii) the CDFI Fund has yet to make a final determination as to whether the entity is in default of its previous assistance, award or Allocation Agreement, the CDFI Fund will consider the applicant’s application under this NOAA pending full resolution of the noncompliance, in the sole determination of the CDFI Fund.

Notwithstanding the above, any applicant or Affiliate that is a prior Allocatee that is in non-compliance with section 3.2(e) of its Allocation Agreement at the time of the application deadline, but otherwise meets the QEI Issuance in section A.2(a) above, must be compliant with Section 3.2(e) of its Allocation Agreement, as of the application deadline of September 12, 2012.

(d) Default Status: The CDFI Fund will not consider an application submitted by an applicant that is a prior CDFI Fund awardee or Allocatee under any CDFI Fund program if, as of the application deadline of this NOAA: (i) The CDFI Fund has made a determination that such Applicant is in default of a previously executed assistance, allocation, or award agreement; (ii) the CDFI Fund has provided written notification of such determination to the Applicant; and (iii) the application date of the NOAA is within a period of time specified in such notification throughout which any new application from the applicant to the CDFI Fund for an award, allocation, or assistance is prohibited.

Further, the CDFI Fund will not consider an application submitted by an applicant for which there is an Affiliate that is a prior awardee or Allocatee under any CDFI Fund Program if, as of the application deadline of this NOAA: (i) The CDFI Fund has made a determination that such Affiliate is in default of a previously executed assistance, allocation, or award agreement; (ii) the CDFI Fund has provided written notification of such determination to the Affiliate; and (iii) the application date of the NOAA is within a period of time specified in such notification throughout which any new application from the Affiliate to the CDFI Fund for an award, allocation, or assistance is prohibited.

(e) Undisbursed award funds: The CDFI Fund will not consider an application submitted by an applicant that is a prior awardee under any CDFI Fund program if the applicant has a balance of undisbursed award funds (defined below) under said prior award(s), as of the applicable application deadline of this NOAA. Furthermore, an entity is not eligible to apply for an award pursuant to this NOAA if an Affiliate of the applicant is a prior awardee under any CDFI Fund program, and has a balance of undisbursed award funds under said prior award(s), as of the applicable application deadline of this NOAA. In a case where an Affiliate of the applicant is a prior awardee under any CDFI Fund program and has a balance of undisbursed award funds under said prior award(s) as of the applicable application deadline of this NOAA, the CDFI will include the combined awards of the Applicant and such Affiliated entities when calculating the amount of undisbursed award funds.

For purposes of the calculation of undisbursed award funds for the Bank Enterprise Award (BEA) Program, only awards made to the applicant (and any Affiliates) three to five calendar years prior to the end of the calendar year of the application deadline of this NOAA are included ("includable BEA awards"). Thus, for purposes of this NOAA, undisbursed BEA Program award funds are the amount of FY's 2007, 2008, 2009 awards that remain undisbursed as of the application deadline of this NOAA.

For purposes of the calculation of undisbursed CDFI Program and the Native Initiatives (NI), only awards made to the Applicant (and any entity that Controls the Applicant, is Controlled by the Applicant or shares common management officials with the Applicant, as determined by the CDFI Fund) two to five calendar years prior to the end of the calendar year of the application deadline of this NOAA are included ("includable CDFI/NI awards"). Thus, for purposes of this NOAA, undisbursed CDFI Program and NI awards are the amount of FY's 2007, 2008, 2009 and 2010 awards that remain undisbursed as of the application deadline of this NOAA.

To calculate total includable BEA/ CDFI/NI awards: amounts that are undisbursed as of the application deadline of this NOAA cannot exceed five percent (5%) of the total includable awards. Please refer to an example of this calculation in the 2012 Allocation Application Q&A document, available on the CDFI Fund's Web site. The "undisbursed award funds" calculation does not include: (i) NMTC allocation authority; (ii) any award funds for which the CDFI Fund received a full and complete disbursement request from the awardee by the applicable application deadline of this NOAA; (iii) any award funds for an award that has been terminated, in writing, by the CDFI Fund or deobligated by the CDFI Fund; or (iv) any award funds for an award that does not have a fully executed assistance or award agreement. The CDFI Fund strongly encourages Applicants requesting disbursements of "undisbursed funds" from prior awards to provide the CDFI Fund with a complete disbursement request at least 30 business days prior to the application deadline of this NOAA.

(f) Contact the CDFI Fund: Accordingly, Applicants that are prior awardees and/or Allocatees under any other CDFI Fund program are advised to: (i) Comply with the requirements specified in assistance, allocation and/or award agreement(s), and (ii) contact the CDFI Fund to ensure that all necessary actions are underway for the disbursement of any outstanding balance of a prior award(s). All outstanding reports and compliance questions should be directed to the Compliance Manager by email at ccme@cdfi.treas.gov, by telephone at (202) 622-6330. All disbursement questions should be directed to the Charles Mcgee, Senior Program Analyst by telephone at 202-622-8453 or via email at mcgeec@cdfi.treas.gov.

Requests submitted less than thirty calendar days prior to the application deadline may not receive a response before the application deadline.

The CDFI Fund will respond to Applicants’ reporting, compliance or disbursement questions between the hours of 9 a.m. and 5 p.m. ET, starting the date of publication of this NOAA through September 10, 2012 (two days before the application deadline). The CDFI Fund will not respond to Applicants’ reporting, compliance, CDE certification or disbursement phone calls or email inquiries that are received after 5 p.m. ET on September 10, 2012 until after the funding application deadline of September 12, 2012.

3. Entities that propose to transfer NMTCs to Subsidiaries: Both for-profit and non-profit CDEs may apply for NMTC allocation authority, but only a for-profit CDE is permitted to provide NMTCs to its investors. A non-profit applicant wishing to apply for a NMTC allocation must demonstrate, prior to entering into an Allocation Agreement with the CDFI Fund, that it controls one or more Subsidiaries that are for-profit entities; and (ii) it intends to
For purposes of this NOAA, in addition to assessing whether applicants meet the definition of the term “Affiliate” found in the allocation application, the CDFI Fund will consider: (i) Whether the activities described in applications submitted by separate entities are, or will be, operated and/or managed as a common enterprise that, in fact or effect, may be viewed as a single entity; (ii) whether the applications submitted by separate entities contain significant narrative, textual or other similarities, and (iii) whether the business strategies and/or activities described in applications submitted by separate entities are so closely related, in fact or effect, they may be viewed as substantially identical applications. In such cases, the CDFI Fund reserves the right either to reject all applications received from all such entities; to select a single application as the only one that will be considered for an allocation; and, in the event that an Application is selected to receive an allocation award, to deem certain activities ineligible. These requirements shall apply to all applicants, including those that are Affiliated with governmental entities.

(b) Furthermore, an applicant that receives an allocation in this allocation round (or its Subsidiary transferee) may not become an Affiliate of or member of a common enterprise (as defined above) with another applicant that receives an allocation in this allocation round (or its Subsidiary transferee) at any time after the submission of an allocation application under this NOAA. This prohibition, however, generally does not apply to entities that are commonly Controlled solely because of common ownership by QEI investors. This requirement will also be a term and condition of the Allocation Agreement (see Section VLB of this NOAA and additional application guidance materials on the CDFI Fund’s Web site at http://www.cdfifund.gov for more details).

5. Entities created as a series of funds: An applicant whose business structure consists of an entity with a series of funds may apply for CDE certification as a single entity, or as multiple entities. If such an applicant represents that it is properly classified for Federal tax purposes as a single partnership or corporation, it may apply for CDE certification as a single entity. If an applicant represents that it is properly classified for Federal tax purposes as multiple partnerships or corporations, then it may submit a single CDE certification application on behalf of the entire series of funds, and each fund must be separately certified as a CDE.

Applicants should note, however, that receipt of CDE certification as a single entity or as multiple entities is not a determination that an applicant and its related funds are properly classified as a single entity or as multiple entities for Federal tax purposes. Regardless of whether the series of funds is classified as a single partnership or corporation or as multiple partnerships or corporations, an applicant may not transfer any NMTC allocations it receives to one or more of its funds unless the transfer is pre-approved by the CDFI Fund, in its sole discretion, which will be a condition of the Allocation Agreement.

6. Entities that are BEA Program awardees: An insured depository institution investor (and its Affiliates and Subsidiaries) may not receive a NMTC allocation in addition to a BEA Program award for the same investment in a CDE. Likewise, an insured depository institution investor (and its Affiliates and Subsidiaries) may not receive a BEA Program award in addition to a NMTC allocation for the same investment in a CDE.

IV. Application and Submission Information

A. Address to request application package: Applicants must submit applications electronically under this NOAA, through the CDFI Fund Web site. Following the publication of this NOAA, the CDFI Fund will make the electronic allocation application available on its Web site at http://www.cdfifund.gov. Applications sent by mail, facsimile or other form will not be accepted. Please note the CDFI Fund will only accept the application and attachments (i.e., the Applicant’s authorized representative signature page, the Controlling Entity’s representative signature page, investor letters and organizational charts) in electronic form.

B. Application content requirements: Detailed application content requirements are found in the application related to this NOAA. Applicants must submit all materials described in and required by the application by the applicable deadlines. Applicants will not be afforded an opportunity to provide any missing materials or documentation. Electronic applications must be submitted solely by using the format made available at the CDFI Fund’s Web site. Additional information, including instructions relating to the submission of supporting information (i.e., the Applicant’s authorized representative signature page, the Controlling Entity’s representative signature page, investor
letters and organizational charts), is set forth in further detail in the electronic application. An application must include a valid and current Employer Identification Number (EIN) issued by the Internal Revenue Service (IRS) and assigned to the applicant and, if applicable, its Controlling Entity. Electronic applications without a valid EIN are incomplete and cannot be transmitted to the CDFI Fund. For more information on obtaining an EIN, please contact the IRS at (800) 829—4933 or www.irs.gov.

An applicant may not submit more than one application in response to this NOAA. In addition, as stated in Section III.A.4 of this NOAA, an applicant and its Affiliates must collectively submit only one allocation application: an applicant and its Affiliates may not submit separate allocation applications except as outlined above. Once an application is submitted, an applicant will not be allowed to change any element of its application.

C. Form of application submission: Applicants may only submit applications under this NOAA electronically. Applications sent by facsimile or by email will not be accepted. Submission of an electronic application will facilitate the processing and review of applications and the selection of Allocatees; further, it will assist the CDFI Fund in the implementation of electronic reporting requirements.

1. Electronic applications: Electronic applications must be submitted solely by using the CDFI Fund’s Web site and must be sent in accordance with the submission instructions provided in the electronic application form. The CDFI Fund recommends use of Internet Explorer version 8 on Windows XP, and optimally at least a 56Kbps Internet connection in order to meet the electronic application submission requirements. Use of other browsers (i.e., Firefox), other versions of Internet Explorer, or other systems (i.e., Mac) might result in problems during submission of the application. The CDFI Fund’s electronic application system will only permit the submission of applications in which all required questions and tables are fully completed. Additional information, including instructions relating to the submission of supporting information (i.e., the applicant’s authorized representative signature page, the Controlling Entity’s representative signature page, investor letters and organizational charts) is set forth in further detail in the electronic application.

D. Application submission dates and times:

1. Application deadlines: (a) Electronic applications: must be received by 5:00 p.m. ET on September 12, 2012. Electronic applications cannot be transmitted or received after 5:00 p.m. ET on September 12, 2012. In addition, applicants must separately submit supporting information (i.e., the applicant’s authorized representative signature page, the Controlling Entity’s representative signature page, investor letters and organizational charts) via their myCDFIFund account. The applicant’s authorized representative signature page, the Controlling Entity’s representative signature page, investor letters and organizational charts must be submitted on or before 11:59 p.m. on September 14, 2012. Attachments may not exceed a size limit of 5 megabytes (MB). See application instructions, provided in the electronic application and the 2012 Allocation Application Q&A, for further detail. Applications and other records and documents received after this date and time will be rejected. If the applicant’s authorized representative signature page is not received by the deadline specified above, the CDFI Fund reserves the right to reject the application. Please note that the document submission deadlines in this NOAA and/or the allocation application are strictly enforced.

(b) Postmark: For purposes of this NOAA, the term “postmark” is defined by 26 CFR 301.7502–1. In general, the CDFI Fund will require that the postmarked document bears a postmark date that is on or before the applicable deadline. The document must be in an envelope or other appropriate wrapper, properly addressed as set forth in this NOAA and delivered by the United States Postal Service or any other private delivery service designated by the Secretary of the Treasury. For more information on designated delivery services, please see IRS Notice 2002–62, 2002–2 C.B. 574.

E. Intergovernmental Review: Not applicable.

F. Funding Restrictions: For allowable uses of investment proceeds related to a NMTC allocation, please see 26 U.S.C. 45D and the final regulations issued by the Internal Revenue Service (26 CFR 1.45D–1, published December 28, 2004) and related guidance. Please see Section I, above, for the Programmatic Changes of this NOAA.

G. Paperwork Reduction: Under the Paperwork Reduction Act (44 U.S.C. chapter 35), an agency may not conduct or sponsor a collection of information, and an individual is not required to respond to a collection of information, unless it displays a valid OMB control number. Pursuant to the Paperwork Reduction Act, the application has been assigned the following control number: 1559–0016.

V. Application Review Information

There are two parts to the substantive review process for each allocation application: Phase 1 and Phase 2. In Phase 1, the CDFI Fund will evaluate each application, assigning points and numeric scores according to the criteria described below. In Phase 2, the CDFI Fund will rank applicants in accordance with the procedures set forth below.

A. Criteria:

1. Business Strategy (25-point maximum): (a) When assessing an applicant’s business strategy, reviewers will consider, among other things: the applicant’s products, services, and investment criteria; the priority performance of the applicant or its Controlling Entity, particularly as it relates to making similar kinds of investments as those it proposes to make with the proceeds of QEIs; the applicant’s prior performance in providing capital or technical assistance to disadvantaged businesses or communities; the projected level of the applicant’s pipeline of potential investments; the extent to which the applicant intends to make Qualified Low-Income Community Investments (QLICIs) in one or more businesses in which persons unrelated to the entity hold a majority equity interest; how NMTCs will enable the applicant to create additional value to its financing activities in Low-Income Communities; and the extent to which applicants that otherwise have notable relationships with the QALICBs financed will create benefits (beyond those created in the normal course of a NMTC transaction) to Low-Income Communities.

Under the Business Strategy criterion, an applicant will generally score well to the extent that it will deploy debt or investment capital in products or services which are flexible or non-traditional in form and on better terms than available in the marketplace. An applicant will also score well to the extent that, among other things, it: (i) Has a track record of successfully providing products and services similar to those it intends to use with the proceeds of QEIs; (ii) has identified, or has a process for identifying, potential transactions; (iii) demonstrates a likelihood of issuing QEIs and making the related QLICIs in a time period that is significantly shorter than the 5-year period permitted under IRC § 45D(b)(1); (iv) in the case of an applicant proposing to purchase loans from CDEs,
the applicant will require that the CDE selling such loans to re-invest the proceeds of the loan sale to provide additional products and services to Low-Income Communities.

(b) Priority Points: In addition, as provided by IRC § 45D(0)(2), the CDFI Fund will ascribe additional points to entities that meet one or both of the statutory priorities. First, the CDFI Fund will give up to five (5) additional points to any applicant that has a record of having successfully provided capital or technical assistance to disadvantaged businesses or communities. Second, the CDFI Fund will give five (5) additional points to any applicant that intends to satisfy the requirements of IRC § 45D(b)(1)(B) by making QLICIs in one or more businesses in which persons unrelated (within the meaning of IRC § 267(b) or IRC § 707(b)(1)) to an applicant (or the applicant’s subsidiary CDEs) hold the majority equity interest. Applicants may earn points for one or both statutory priorities. Thus, applicants that meet the requirements of both statutory categories can receive up to a total of ten (10) additional points.

A record of having successfully provided capital or technical assistance to disadvantaged businesses or communities may be demonstrated either by the past actions of an applicant itself or by its Controlling Entity (i.e., where a new CDE is established by a nonprofit corporation with a history of providing assistance to disadvantaged communities). An applicant that receives additional points for intending to make investments in unrelated businesses and is awarded a NMTI allocation must meet the requirements of IRC § 45D(b)(1)(B) by investing substantially all of the proceeds from its QEIs in unrelated businesses. The CDFI Fund will factor in an applicant’s priority points when ranking applicants during Phase 2 of the review process, as described below.

2. Community Outcomes (25-point maximum): In assessing the potential benefits to Low-Income Communities that may result from the applicant’s proposed investments, reviewers will consider, among other things, the degree to which the applicant is likely to: (a) Achieve significant and measurable community development outcomes in its Low-Income Communities; (b) invest in particularly economically distressed markets; (c) engage with local communities regarding investments; and (d) demonstrate a track record of investing in businesses that spur additional private capital investment in Low-Income Communities. An applicant will generally score well under this section to the extent that: (i) it articulates how its strategy is likely to produce significant and measurable community development outcomes that would not be achieved without NMTCs; (ii) it is working in particularly economically distressed or otherwise underserved communities; (iii) its activities are part of a broader neighborhood revitalization strategy; (iv) it ensures that an investment into a project or business is supported by and will be beneficial to the surrounding community; and (v) it is likely to engage in activities that will spur additional private capital investment.

3. Management Capacity (25-point maximum). In assessing an applicant’s management capacity, reviewers will consider, among other things, the qualifications of the applicant’s principals, its board members, its management team, and other essential staff or contractors, with specific focus on: experience in deploying capital or technical assistance, including activities similar to those described in the applicant’s business strategy; asset management and risk management experience; experience with fulfilling compliance requirements of other governmental programs, including other tax programs; and the applicant’s (or its Controlling Entity’s) financial health. Reviewers will also consider the extent to which an applicant has protocols in place to ensure ongoing compliance with NMTC Program requirements and the level of involvement of community representatives in the Governing Board and/or Advisory Board in approving investment criteria or decisions.

An applicant will generally score well under this section to the extent that its management team or other essential personnel have experience in: (a) Deploying capital or technical assistance in Low-Income Communities, particularly those likely to be served by the applicant with the proceeds of QEIs; (b) asset and risk management; and (c) fulfilling government compliance requirements, particularly tax credit program compliance. An applicant will also score well to the extent: it demonstrates strong financial health and a high likelihood of remaining a going-concern; has policies and systems in place to ensure ongoing compliance with NMTC Program requirements; has Low-Income Community representatives in the Governing Board and/or Advisory Board that play an active role in designing or implementing its investment criteria and/or decisions; and, if it is a Federally-insured financial institution, its CRA rating was “outstanding.”

4. Capitalization Strategy (25-point maximum): When assessing an applicant’s capitalization strategy, reviewers will consider, among other things: the key personnel of the applicant (or Controlling Entity) and their track record of raising capital, particularly from for-profit investors; the extent to which the applicant has secured investments, commitments to invest in NMTC, or indications of investor interest commensurate with its requested amount of tax credit allocations; the applicant’s strategy for identifying additional investors, if necessary, including the applicant’s (or its Controlling Entity’s) prior performance with raising equity from investors, particularly for-profit investors; the distribution of the economic benefits of the tax credit; the extent to which the applicant intends to invest the proceeds from the aggregate amount of its QEIs at a level that exceeds the requirements of IRC § 45D(b)(1)(B) and the IRS regulations; the likelihood the applicant will raise sufficient capital to finance its cost of operations; and the applicant’s timeline for utilizing an NMTC allocation.

An applicant will generally score well under this section to the extent that: (a) It has secured investor commitments, or has a reasonable strategy for obtaining such commitments; (b) its request for allocations is commensurate with both the level of QEIs it is likely to raise and its expected investment strategy to deploy funds raised with NMTCs; (c) it generally demonstrates that the economic benefits of the tax credit will be passed through to a QALICB; (d) it is likely to secure capital to finance its cost of operations consistent with the applicant’s overall business strategy and timeline for making investments; and (e) it intends to invest the proceeds from the aggregate amount of its QEIs at a level that exceeds the requirements of IRC § 45D(b)(1)(B) and the IRS regulations. In the case of an applicant proposing to raise investor funds from organizations that also will identify or originate transactions for the applicant or from Affiliated entities, such an applicant will score well to the extent that it will offer products with more favorable rates or terms than those currently offered by its investor(s) or Affiliated entities and/or will target its activities to areas of greater economic distress than those currently targeted by the investor or Affiliated entities.

B. Review and selection process: All allocation applications will be reviewed for eligibility and completeness. The CDFI Fund may consult with the IRS on the eligibility requirements under IRC § 45D. To be complete, the application...
must contain, at a minimum, all information described as required in the application form. An incomplete application will be rejected. Once the application has been determined to be eligible and complete, the CDFI Fund will conduct the substantive review of each application in two parts (Phase 1 and Phase 2) in accordance with the criteria and procedures generally described in this NOAA and the allocation application.

1. **Phase 1:** Reviewers will evaluate and score each application in the first part of the review process. An applicant must exceed a minimum overall aggregate base score threshold and exceed a minimum aggregate section score threshold in each of the four application sections (Business Strategy, Community Outcomes, Management Capacity, and Capitalization Strategy) in order to advance from the first part of the substantive review process. If, in the case of a particular application, a reviewer’s total base score or section score(s) (in one or more of the four application scored sections), varies significantly from other reviewers’ total base scores or section scores for such application, the CDFI Fund may, in its sole discretion, obtain the comments and recommendations of an additional reviewer to determine whether the anomalous score should be replaced with the score of the additional reviewer.

2. **Phase 2:** Once the CDFI Fund has determined which applicants have met the required minimum overall aggregate base score and aggregate section score thresholds, the CDFI Fund will rank applicants on the basis of their combined scores in the Business Strategy and Community Outcomes sections of the application and will make adjustments to each applicant’s priority points so that these points maintain the same relative weight in the ranking of applicant scores in Phase 2 as in Phase 1. The CDFI Fund will award allocations in the order of this “Final Rank Score,” subject to applicants meeting all other eligibility requirements; provided, however, that the CDFI Fund, in its sole discretion, reserves the right to reject an application and/or adjust award amounts as appropriate based on information obtained during the review process. Most notably, in the cases of applicants (or their Affiliates) that are prior year Allocatees, the CDFI Fund will review the activities of the prior year Allocatee to determine whether the entity has: (a) effectively utilized its prior-year allocation; and (b) substantiated a need for additional allocation authority.

3. **Outstanding Reports:** In the case of an applicant, or Affiliates, that has previously received an award or allocation from the CDFI Fund through any CDFI Fund program, the CDFI Fund will deduct points for the applicant’s (or its Affiliate’s) failure to meet the reporting deadlines set forth in any assistance, award or Allocation Agreement(s) with the CDFI Fund during the entity’s two complete fiscal years prior to the application deadline of this NOAA (generally FY 2010 and FY 2011).

C. **Allocations serving Non-Metropolitan counties:** As provided for under Section 102(b) of the Tax Relief and Health Care Act of 2006 (Pub. L. 109–432), the CDFI Fund shall ensure that non-Metropolitan counties receive a proportional allocation of Qualified Equity Investments (QLIs) under the NMTC Program. To this end, the CDFI Fund will ensure that the proportion of Allocatees that are Rural CDEs, is, at a minimum, equal to the proportion of applicants in the Phase 2 review pool that are Rural CDEs. The CDFI Fund will also endeavor to ensure that 20 percent of the QLICIs to be made using QEI proceeds are invested in Non-Metropolitan counties. A Rural CDE is one that has over the past five years dedicated at least 50 percent of its direct financing dollars to Non-Metropolitan counties and has committed that at least 50 percent of its NMTC financing activities will be deployed in such areas. Non-Metropolitan counties are counties and has committed that at least 50 percent of its NMTC financing activities will be deployed in such areas. Non-Metropolitan counties are counties not contained within a Metropolitan Statistical Area, as such term is defined in OMB Bulletin No. 10–02 (Update of Statistical Area Definitions and Guidance on Their Uses) and applied using 2010 census tracts.

Applicants that meet the minimum scoring thresholds will be advanced to Phase 2 review and will be provided with “preliminary” awards, in descending order of Final Rank Score, until the available allocation authority is fulfilled. Once these “preliminary” awards are determined, the CDFI Fund will then analyze the Allocatee pool to determine whether the two Non-Metropolitan proportionality objectives have been met.

The CDFI Fund will first examine the “preliminary” awards and Allocatees to determine whether the percentage of Allocatees that are Rural CDEs is, at a minimum, equal to the percentage of applicants in the Phase 2 review pool that are Rural CDEs. If this objective is not achieved, the CDFI Fund will provide awards to additional Rural CDEs from the Phase 2 pool, in descending order of their Final Rank Score, until the appropriate percentage balance is achieved. In order to accommodate the additional Allocatees within the available allocation limitations, a formula reduction will be applied uniformly to the allocation amount for all Allocatees in the pool.

The CDFI Fund will then determine whether the pool of Allocatees will, in the aggregate, invest at least 20 percent of their QLICIs (as measured by dollar amount) in Non-Metropolitan counties. The CDFI Fund will first apply the “minimum” percentage of QLICIs that Allocatees indicated in their applications would be targeted to Non-Metropolitan areas to the total allocation award amount of each Allocatee (less whatever percentage the Allocatee indicated would be retained for non-QLICI activities), and total these figures for all Allocatees. If this aggregate total is greater than or equal to 20 percent of the QLICIs to be made by the Allocatees, then the pool is considered balanced and the CDFI Fund will proceed with the allocation process. However, if the aggregate total is less than 20 percent of the QLICIs to be made by the Allocatees, the CDFI Fund will consider requiring any or all of the Allocatees to direct up to the “maximum” percentage of QLICIs that they indicated would be targeted to Non-Metropolitan counties, taking into consideration their track record and ability to deploy dollars in Non-Metropolitan counties. If the CDFI Fund cannot meet the goal of 20 percent of QLICIs in Non-Metropolitan counties, the CDFI Fund may add additional Rural CDEs (as determined by the reduction of the “minimum” aggregate total is less than 20 percent of the QLICIs to be made by the Allocatees) to the Allocatee pool. In order to accommodate any additional Allocatees within the allocation limitations, a reduction would be applied, in as uniform a manner as possible, to the allocation amount for all Allocatees in the pool that have not committed to investing at least 20 percent of their QLICIs in Non-Metropolitan counties.

D. **Questions:** All outstanding reports or compliance questions should be directed to the Certifications and Compliance Manager by email at ccme@cdfi.treas.gov; by telephone at (202) 622–6330; or by mail to Department of the Treasury, CDFI Fund, 1500 Pennsylvania Avenue NW., Washington, DC 20005. The CDFI Fund will respond to reporting or compliance questions between the hours of 9:00 a.m. and 5:00 p.m. ET, starting the date of the publication of this NOAA through September 10, 2012. The CDFI Fund will not respond to reporting or compliance phone calls or email inquiries that are received after 5:00 p.m. ET on September 10, 2012 until
after the funding application deadline of September 12, 2012.

E. Right of rejection: The CDFI Fund reserves the right to reject any NMTC allocation application in the case of a prior CDFI Fund awardee, if such applicant has failed to comply with the terms, conditions, and other requirements of the prior or existing assistance agreement, or if it determines that the applicant has failed to comply with any terms, conditions, and other requirements of its prior or existing Allocation Agreement(s) with the CDFI Fund. The CDFI Fund reserves the right to reject any NMTC allocation application in the case of any applicant, if an Affiliate of the applicant has failed to comply with the terms, conditions, and other requirements of any prior or existing assistance agreement, award agreement or Allocation Agreement with the CDFI Fund.

The CDFI Fund reserves the right to reject any NMTC allocation application in the case of a prior CDFI Fund Allocatee, if such applicant has failed to use its prior NMTC allocation(s) in a manner that is generally consistent with the business strategy (including, but not limited to, the proposed product offerings and markets served) set forth in the allocation application(s) related to such prior allocation(s). The CDFI Fund also reserves the right to reject any NMTC allocation application in the case of an applicant that is a prior CDFI Fund Allocatee and has failed to use its prior NMTC allocation(s) in a manner that is generally consistent with the business strategy set forth in the allocation application(s) related to such prior allocation(s).

The CDFI Fund reserves the right to reject a NMTC allocation application if information (including administrative errors) comes to the attention of the CDFI Fund that adversely affects the applicant’s eligibility for an award, adversely affects the CDFI Fund’s evaluation or scoring of an application, adversely affects the CDFI Fund’s prior determinations of CDE certification, or indicates fraud or mismanagement on the part of an applicant or the Controlling Entity, if such fraud or mismanagement by the Controlling Entity would hinder the applicant’s ability to perform under the Allocation Agreement. If the CDFI Fund determines that any portion of the application is incomplete or not consistent with any of the CDFI Fund requirements of any prior or existing agreement(s), the CDFI Fund reserves the right, in its sole discretion, to reject the application.

As a part of the substantive review process, the CDFI Fund may permit the Allocation Recommendation Panel member(s) to make telephone calls to applicants for the sole purpose of obtaining, clarifying or confirming application information. In no event shall such contact be construed to permit an applicant to change any element of its application. At this point in the process, an applicant may be required to submit additional information about its application in order to assist the CDFI Fund with its final evaluation process. Such requests must be responded to within the time parameters set by the CDFI Fund. The selecting official(s) will make a final allocation determination based on an applicant’s file, including, without limitation, eligibility under IRC § 45D, the reviewers’ scores and the amount of allocation authority available. In the case of applicants (or Affiliates of applicants) that are regulated by the Federal government or a State agency (or comparable entity), the CDFI Fund’s selecting official(s) reserve(s) the right to conduct additional due diligence, as determined reasonable and appropriate by the CDFI Fund, in its sole discretion, related to the applicant, Affiliates, the applicant’s Controlling Entity and the officers, directors, owners, partners and key employees of each.

Each applicant will be informed of the CDFI Fund’s award decision through an electronic notification whether selected for an allocation (see Section VI.A. of this NOAA) or not selected for an allocation, with a reason for the decision. All applicants that are not selected for an allocation based on substantive issues will likely be given the opportunity to obtain feedback on their applications. This feedback will be provided in a format and within a timeframe to be determined by the CDFI Fund, based on available resources. The CDFI Fund further reserves the right to change its eligibility and evaluation criteria and procedures, if the CDFI Fund deems it appropriate. If said changes materially affect the CDFI Fund’s award decisions, the CDFI Fund will provide information regarding the changes through the CDFI Fund’s Web site.

There is no right to appeal the CDFI Fund’s NMTC allocation decisions. The CDFI Fund’s NMTC allocation decisions are final.

VI. Award Administration Information

1. Failure to meet reporting requirements: If an Allocatee, or an Affiliate of an Allocatee, is a prior CDFI Fund awardee or Allocatee under any CDFI Fund program and is not current on the reporting requirements set forth in the previously executed assistance, allocation or award agreement(s), as of the date of the award notification or thereafter, the CDFI Fund reserves the right, in its sole discretion, to delay entering into an Allocation Agreement and/or to impose limitations on an Allocatee’s ability to issue QEI to investors until said prior awardee or Allocatee is current on the reporting requirements in the previously executed assistance, allocation or award agreement(s). Please note that the CDFI Fund only acknowledges the receipt of reports that are complete. As such, incomplete reports or reports that are deficient of required elements will not be recognized as having been received. If said prior awardee or Allocatee is unable to meet this requirement within the timeframe set by the CDFI Fund, the CDFI Fund reserves the right, in its sole discretion, to terminate and rescind the allocation made under this NOAA.

2. Pending resolution of noncompliance: If an Allocatee is a prior awardee or Allocatee under any CDFI Fund program and if: (i) it has submitted complete and timely reports to the CDFI Fund that demonstrate noncompliance with a previous assistance, award or Allocation Agreement; and (ii) the CDFI Fund has yet to make a final determination as to whether the entity is in default of its previous assistance, award or Allocation Agreement, the CDFI Fund reserves the right, in its sole discretion, to delay entering into an Allocation Agreement and/or to impose limitations on the Allocatee’s ability to issue QEIs to investors, pending full resolution, in the sole determination of the CDFI Fund, of the noncompliance. Further, if an Affiliate of an Allocatee is a prior CDFI Fund awardee or Allocatee and if such entity: (i) Has submitted complete and timely reports to the CDFI Fund that demonstrate noncompliance with a previous assistance, award or Allocation Agreement; and (ii) the CDFI Fund has yet to make a final determination as to whether the entity is in default of its
previous assistance, award or Allocation Agreement, the CDFI Fund reserves the right, in its sole discretion, to delay entering into an Allocation Agreement and/or to impose limitations on the Allocatee’s ability to issue QEIs to investors, pending full resolution, in the sole determination of the CDFI Fund, of the noncompliance. If the prior awardee or Allocatee in question is unable to satisfactorily resolve the issues of noncompliance, in the sole determination of the CDFI Fund, the CDFI Fund reserves the right, in its sole discretion, to terminate and rescind the award notification made under this NOAA.

3. Default status: If, at any time prior to entering into an Allocation Agreement through this NOAA, the CDFI Fund has made a determination that an Allocatee that is a prior CDFI Fund awardee or Allocatee under any CDFI Fund program is in default of a previously executed assistance, allocation or award agreement(s) and has provided written notification of such determination to the Allocatee, the CDFI Fund reserves the right, in its sole discretion, to delay entering into an Allocation Agreement and/or to impose limitations on the Allocatee’s ability to issue QEIs to investors, until said prior awardee or Allocatee has cured the default by taking actions necessary as specified by the CDFI Fund and within the timeframe specified by the CDFI Fund. Further, if at any time prior to entering into an Allocation Agreement through this NOAA, the CDFI Fund has made a determination that an Affiliate of the Allocatee is a prior CDFI Fund awardee or Allocatee under any CDFI Fund program and is in default of a previously executed assistance, allocation or award agreement(s) and has provided written notification of such determination to the defaulting entity, the CDFI Fund reserves the right, in its sole discretion, to delay entering into an Allocation Agreement and/or to impose limitations on the Allocatee’s ability to issue QEIs to investors, until said prior awardee or Allocatee has cured the default by taking actions necessary as specified by the CDFI Fund and within the timeframe specified by the CDFI Fund. If said prior awardee or Allocatee is unable to meet this requirement, the CDFI Fund reserves the right, in its sole discretion, to terminate and rescind the Notice of Allocation and the allocation made under this NOAA.

4. Termination in default: If prior to entering into an Allocation Agreement through this NOAA: (i) The CDFI Fund has made a determination that an Allocatee that is a prior CDFI Fund awardee or Allocatee under any CDFI Fund program whose award or allocation was terminated in default of such prior agreement; (ii) the CDFI Fund has provided written notification of such determination to such organization; and (iii) the anticipated date for entering into an Allocation Agreement is within a period of time specified in such notification throughout which any new award, allocation, or assistance is prohibited, the CDFI Fund reserves the right, in its sole discretion, to delay entering into an Allocation Agreement and/or to impose limitations on the Allocatee’s ability to issue QEIs to investors, or to terminate and rescind the Notice of Allocation and the allocation made under this NOAA. Furthermore, if prior to entering into an Allocation Agreement through this NOAA: (i) The CDFI Fund has made a determination that an Affiliate of the Allocatee is a prior CDFI Fund awardee or Allocatee under any CDFI Fund program whose award or allocation was terminated in default of such prior agreement; (ii) the CDFI Fund has provided written notification of such determination to the defaulting entity; and (iii) the anticipated date for entering into an Allocation Agreement is within a period of time specified in such notification throughout which any new award, allocation, or assistance is prohibited, the CDFI Fund reserves the right, in its sole discretion, to delay entering into an Allocation Agreement and/or to impose limitations on the Allocatee’s ability to issue QEIs to investors, or to terminate and rescind the Notice of Allocation and the allocation made under this NOAA.

5. Allocation Agreement: Each applicant that is selected to receive a NMTC allocation (including the applicant’s Subsidiary transferees) must enter into an Allocation Agreement with the CDFI Fund. The Allocation Agreement will set forth certain required terms and conditions of the NMTC allocation which may include, but are not limited to, the following: (i) The amount of the awarded NMTC allocation; (ii) the approved uses of the awarded NMTC allocation (i.e., loans to or equity investments in Qualified Active Low-Income Businesses or loans to or equity investments in other CDEs); (iii) the approved service area(s) in which the proceeds of QEIs may be used, including the dollar amount of QLICIs that must be invested in Non-Metropolitan counties; (iv) the time period by which the applicant may obtain QEIs from investors; (v) reporting requirements for all entities receiving NMTC allocations; and (vi) a requirement to maintain certification as a CDE throughout the term of the Allocation Agreement. If an applicant has represented in its NMTC allocation application that it intends to invest substantially all of the proceeds from its investors in businesses in which persons unrelated to the applicant hold a majority equity interest, the Allocation Agreement will contain a covenant whereby said applicant agrees that it will invest substantially all of said proceeds in businesses in which persons unrelated to the applicant hold a majority equity interest.

In addition to entering into an Allocation Agreement, each applicant selected to receive a NMTC allocation must furnish to the CDFI Fund an opinion from its legal counsel or a similar certification, the content of which will be further specified in the Allocation Agreement, to include, among other matters, an opinion that an applicant (and its Subsidiary transferees, if any): (i) Is duly formed and in good standing in the jurisdiction in which it was formed and the jurisdiction(s) in which it operates; (ii) has the authority to enter into the Allocation Agreement and undertake the activities that are specified therein; (iii) has no pending or threatened litigation that would materially affect its ability to enter into and carry out the activities specified in the Allocation Agreement; and (iv) is not in default of its articles of incorporation, bylaws or other organizational documents, or any agreements with the Federal government.

If an Allocatee identifies Subsidiary transferees, the CDFI Fund reserves the right to require an Allocatee to provide supporting documentation evidencing that it Controls such entities prior to entering into an Allocation Agreement with the Allocatee and its Subsidiary transferees. The CDFI Fund reserves the right, in its sole discretion, to rescind its allocation award if the Allocatee fails to return the Allocation Agreement, signed by the authorized representative of the Allocatee, and/or provide the CDFI Fund with any other requested documentation, within the deadlines set by the CDFI Fund.

6. Fees: The CDFI Fund reserves the right, in accordance with applicable Federal law and if authorized, to charge allocation reservation and/or compliance monitoring fees to all entities receiving NMTC allocations. Prior to imposing any such fee, the CDFI Fund will publish additional information concerning the nature and amount of the fee.

7. Reporting: The CDFI Fund will collect information, on at least an annual basis from all applicants that are
awarded NMTC allocations and/or recipients of QLICIs, including such audited financial statements and opinions of counsel as the CDFI Fund deems necessary or desirable, in its sole discretion. The CDFI Fund will use such information to monitor each Allocatee’s compliance with the provisions of its Allocation Agreement and to assess the impact of the NMTC Program in Low-Income Communities. The CDFI Fund may also provide such information to the IRS in a manner consistent with IRC §6103 so that the IRS may determine, among other things, whether the Allocatee has used substantially all of the proceeds of each QEI raised through its NMTC allocation to make QLICIs. The Allocation Agreement shall further describe the Allocatee’s reporting requirements.

The CDFI Fund reserves the right, in its sole discretion, to modify these reporting requirements if it determines it to be appropriate and necessary; however, such reporting requirements will be modified only after due notice to Allocatees.
