SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-67427; File No. SR-FINRA-2012-034]

Self-Regulatory Organizations; Financial Industry Regulatory Authority, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend TRACE Reporting Rules Relating to Transfers of TRACE-Eligible Securities To Create or Redeem Instruments Such as ETFs

July 12, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 11, 2012, Financial Industry Regulatory Authority, Inc. ("FINRA") filed with the Securities and Exchange Commission ("Commission") the proposed rule change, as described in Items I, II, and III below, which Items have been prepared by FINRA. FINRA has designated the proposed rule change as constituting a "non-controversial" rule change under paragraph (f)(6) of Rule 19b-4 under the Act,³ which renders the proposal effective upon receipt of this filing by the Commission. The Commission is publishing this notice to solicit comment on the proposed rule change from interested persons.

¹⁵ U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ 17 CFR 240.19b-4(f)(6).

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

FINRA is proposing to amend FINRA Rule 6730(e) to expressly exclude from the Trade Reporting and Compliance Engine ("TRACE") trade reporting requirements transfers of TRACE-Eligible Securities for the sole purpose of creating or redeeming instruments such as exchange-traded funds ("ETFs").

The text of the proposed rule change is available on FINRA's Web site at <http://www.finra.org>, at the principal office of FINRA, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, FINRA included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FINRA has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

Under the Rule 6700 Series (the TRACE rules), members are required to report transactions in debt securities that are TRACE-Eligible Securities as defined in Rule 6710(a) to FINRA unless they fall within an express exception listed in Rule 6730(e). Certain transactions and transfers are not reported to FINRA (e.g., trades executed and reported through an exchange and transfers made pursuant to an asset purchase agreement that has been approved by a bankruptcy court). Members must have policies and procedures and internal controls in place to determine whether a transaction qualifies for an exception under the TRACE rules.

FINRA proposes to amend Rule 6730(e) to provide that transfers of TRACE-Eligible Securities for the sole purpose of creating or redeeming an instrument that evidences ownership or otherwise tracks the underlying securities transferred, such as an ETF, shall be excluded expressly from the TRACE reporting requirements. The proposed amendment to Rule 6730(e) is similar to an exclusion for such

¹² 15 U.S.C. 78s(b)(3)(A)(ii).

transfers in equity securities incorporated in FINRA equity trade reporting rules in 2011.⁴

For example, a member broker-dealer that is an “authorized participant” of an ETF on behalf of a customer transfers TRACE-Eligible Securities to an ETF and in return receives ETF creation units. Under the proposed rule change, the transfers of the TRACE-Eligible Securities from the broker-dealer to the ETF would not be reported to TRACE.⁵ (Similarly, the transfer of the ETF creation units to the broker-dealer would not be reported.)

In contrast, FINRA notes that purchases and sales of TRACE-Eligible Securities that are to be transferred for the purposes of creating or redeeming instruments such as ETFs (or a creation unit thereof) and subsequent purchases and sales of the ETF or a similar instrument in the secondary market are not subject to an exclusion. Such purchases and sales involving TRACE-Eligible Securities must be reported to FINRA in accordance with the Rule 6700 Series. Additionally, purchases and sales of the underlying TRACE-Eligible Securities in order to track the performance of an instrument such as an ETF, without actually creating the instrument, are reportable events and must be reported to TRACE.

As noted in Item 2 of this filing, FINRA has filed the proposed rule change for immediate effectiveness. The implementation date will be 30 days after the date of the filing.

⁴ See Securities Exchange Act Release No. 65025 (August 3, 2011), 76 FR 48937 (August 9, 2011) (SEC order approving SR-FINRA-2011-027, amending FINRA Rules 6282(i)(1), 6380A(e)(1), 6380B (e)(1) and 6622(e)(1) and *Regulatory Notice* 11-40 (August 2011) (2011 Equity Trade Reporting Filing). The proposed rule change also codifies interpretive guidance that was published in 2003 regarding transfers of TRACE-Eligible Securities for such purposes. See Letter dated March 18, 2003, to Alice Yau, Vice President, Compliance, J.P. Morgan Securities from Sharon Zackula, Office of General Counsel, FINRA (f/k/a the National Association of Securities Dealers).

⁵ FINRA notes that the proposed exception would apply irrespective of whether the member is acting as agent, principal or riskless principal in the creation process. Thus, if the broker-dealer that is an authorized participant in the above example is acting as riskless principal on behalf of its customer, the immediate subsequent transfer of the ETF creation units from the authorized participant to its customer also would not be reportable. Similarly, if a broker-dealer that is an authorized participant is acting as riskless principal on behalf of a customer that redeems an ETF creation unit, neither the transfer of the ETF creation unit from the broker-dealer to the ETF in return for TRACE-Eligible Securities, nor the immediate subsequent transfer of such TRACE-Eligible Securities to the customer would be reportable. This is consistent with interpretive guidance relating to the 2011 Equity Trade Reporting Filing. See *Regulatory Notice* 11-40.

2. Statutory Basis

FINRA believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,⁶ which requires, among other things, that FINRA rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. FINRA believes that the proposed rule change will clarify members’ obligations with respect to the reporting of transfers of TRACE-Eligible Securities to create or redeem instruments such as ETFs under the Rule 6700 Series. In addition, the proposed rule change is consistent with an exclusion for such transfers in equity securities incorporated in FINRA equity trade reporting rules in 2011.

B. Self-Regulatory Organization’s Statement on Burden on Competition

FINRA does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁷ and Rule 19b-4(f)(6) thereunder.⁸

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-67476; File No. SR-BYX-2012-014]

Self-Regulatory Organizations; BATS Y-Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by BATS Y-Exchange, Inc. To Amend BYX Rules Related to Telemarketing

July 20, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 6, 2012, BATS Y-Exchange, Inc. (the "Exchange" or "BYX") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange has designated this proposal as a "non-controversial" proposed rule change pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(6)(iii) thereunder,⁴ which renders it effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to adopt BYX Rule 3.23 "Telemarketing", to its rulebook to codify provisions that are substantially similar to Federal Trade Commission ("FTC") rules that prohibit deceptive and other abusive telemarketing acts or practices.⁵ The text of the proposed rule change is available at the Exchange's Web site at <http://www.batstrading.com>, at the principal office of the Exchange, on the

Commission's Web site at <http://www.sec.gov>, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to add Rule 3.23, "Telemarketing", to its rulebook to codify provisions that are substantially similar to FTC rules that prohibit deceptive and other abusive telemarketing acts or practices. Rule 3.23 will require Members to, among other things, maintain do-not-call lists, limit the hours of telephone solicitations, and not use deceptive and abusive acts and practices in connection with telemarketing. The Commission directed BYX to enact these telemarketing rules in accordance with the Telemarketing Consumer Fraud and Abuse Prevention Act of 1994 ("Prevention Act").⁶ The Prevention Act requires the Commission to promulgate, or direct any national securities exchange or registered securities association to promulgate, rules substantially similar to the FTC rules⁷ to prohibit deceptive and other abusive telemarketing acts or practices, unless the Commission determines either that the rules are not necessary or appropriate for the protection of investors or the maintenance of orderly markets, or that existing federal securities laws or Commission rules already provide for such protection.⁸

In 1997, the Commission determined that telemarketing rules promulgated and expected to be promulgated by self-regulatory organizations, together with the other rules of the self-regulatory

organizations, the federal securities laws and the Commission's rules thereunder, satisfied the requirements of the Prevention Act because, at the time, the applicable provisions of those laws and rules were substantially similar to the FTC's telemarketing rules.⁹ Since 1997, the FTC has amended its telemarketing rules in light of changing telemarketing practices and technology.¹⁰

As mentioned above, the Prevention Act requires the Commission to promulgate, or direct any national securities exchange or registered securities association to promulgate, rules substantially similar to the FTC rules to prohibit deceptive and other abusive telemarketing acts or practices.¹¹ In May 2011, Commission staff directed BYX to conduct a review of its telemarketing rule and propose rule amendments that provide protections that are at least as strong as those provided by the FTC's telemarketing rules.¹² Commission staff had concerns "that the [Exchange] rules overall have not kept pace with the FTC's rules, and thus may no longer meet the standards of the [Prevention] Act."¹³

The proposed rule change, as directed by the Commission staff, adopts provisions in Rule 3.23 that are substantially similar to the FTC's current rules that prohibit deceptive and other abusive telemarketing acts or practices as described below.¹⁴

Telemarketing Restrictions

The proposed rule change codifies the telemarketing restrictions in Rule 3.23(a) to provide that no Member or
