DEPARTMENT OF COMMERCE**Foreign-Trade Zones Board**

[B-52-2012]

Foreign-Trade Zone 26—Atlanta, GA; Application for Reorganization (Expansion of Service Area) Under the Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board

(the Board) by the Georgia Foreign-Trade Zone, Inc., grantee of FTZ 26, requesting authority to expand its service area under the alternative site framework (ASF) adopted by the Board (15 CFR 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of general-purpose zones and can permit significantly greater flexibility in the designation of new "usage-driven" FTZ sites for operators/users located within a grantee's "service area" in the context of the Board's standard 2,000-acre activation limit for a general-purpose zone project. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on July 20, 2012.

FTZ 26 was approved by the Board on January 17, 1977 (Board Order 115, 42 FR 4186, 01/24/77) and reorganized under the ASF on November 26, 2010 (Board Order 1725, 75 FR 76953, 12/10/10).

The zone project currently has a service area that includes the Georgia counties of Haralson, Paulding, Polk, Floyd, Bartow, Chattooga, Gordon, Pickens, Gilmer, Walker, Whitfield, Murray, Forsyth, Dawson, Hall, Banks, Lumpkin, Fulton, DeKalb, Gwinnett, Cobb, Douglas, Clayton, Henry, Fayette, Rockdale, Cherokee, Carroll, Coweta, Heard, Troup, Meriwether, Pike, Spalding, Butts, Lamar, Upson, Jasper, Newton, Morgan, Greene, Walton, Oconee, Clarke, Barrow, Jackson, Bibb, Crawford, Jones, Monroe, Putnam, Richmond, Harris, Talbot, and Muscogee in their entirety and portions of White, Franklin, Peach, Houston, and Twiggs Counties, in and adjacent to the Atlanta Customs and Border Protection port of entry with the exception of Walker, Whitfield, and Murray Counties which are adjacent to the Chattanooga Customs and Border Protection port of entry, and Richmond County which is adjacent to the Columbia Customs and Border Protection port of entry. The applicant is requesting authority to expand the service area of the zone to include a portion of Columbia County, Georgia, as described in the application. If approved, the grantee would be able to serve sites throughout the expanded service area based on companies' needs for FTZ designation. The proposed expanded service area is adjacent to the Columbia, South Carolina Customs and Border Protection port of entry.

In accordance with the Board's regulations, Kathleen Boyce of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case

record and to report findings and recommendations to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is September 24, 2012. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to October 9, 2012.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 2111, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the "Reading Room" section of the Board's Web site, which is accessible via www.trade.gov/ftz. For further information, contact Kathleen Boyce at Kathleen.Boyce@trade.gov or (202) 482-1346.

Dated: July 20, 2012.

Andrew McGilvray,
Executive Secretary.

SUPPLEMENTARY INFORMATION:

Background

On December 30, 2011, based on a timely request for review by the United States Steel Corporation, the Department published in the **Federal Register** a notice of initiation of an administrative review of the antidumping duty order on seamless carbon and alloy steel standard, line, and pressure pipe from the People's Republic of China covering the period November 10, 2010, through October 31, 2011. No other party requested a review.

On March 29, 2012, and amended on April 3, 2012, the United States Steel Corporation withdrew its request for an administrative review of the 32 companies.

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review if the party that requested the review withdraws its request within 90 days of the publication of the notice of initiation of

the requested review, or withdraws at a later date if the Department exercises its discretion to extend the time limit for withdrawing the request. In this case, the United States Steel Corporation withdrew its request within the 90-day deadline and no other party requested an administrative review of the antidumping duty order. Therefore, we are rescinding the administrative review of seamless carbon and alloy steel standard, line, and pressure pipe from the People's Republic of China for the period November 1, 2010, through October 31, 2011.

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. Antidumping duties shall be assessed at rates equal to the cash deposit or bonding rate of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice.

Notifications

This notice serves as a final reminder to importers for whom this review is being rescinded of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with section 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: July 19, 2012.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
