Foreign-Trade Zones Board

[8–57–2012]

Foreign-Trade Zone 26—Atlanta, GA; Application for Reorganization (Expansion of Service Area) Under the Alternate Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board (the Board) by the Georgia Foreign-Trade Zone, Inc., grantee of FTZ 26, requesting authority to expand its service area under the alternative site framework (ASF) adopted by the Board (15 CFR 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of general-purpose zones and can permit significantly greater flexibility in the designation of new “usage-driven” FTZ sites for operators/users located within a grantee’s “service area” in the context of the Board’s standard 2,000-acre activation limit for a general-purpose zone project. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a–81u), and the regulations of the Board (15 CFR part 400). It was formally filed on July 20, 2012.

FTZ 26 was approved by the Board on January 17, 1977 (Board Order 115, 42 FR 4186, 01/24/77) and reorganized under the ASF on November 26, 2010 (Board Order 1725, 75 FR 76953, 12/10/10).

The zone project currently has a service area that includes the Georgia counties of Haralson, Paulding, Polk, Floyd, Bartow, Chattooga, Gordon, Pickens, Gilmer, Walker, Whitfield, Murray, Forsyth, Dawson, Hall, Banks, Lumpkin, Fulton, DeKalb, Gwinnett, Cobb, Douglas, Clayton, Henry, Fayette, Rockdale, Cherokee, Carroll, Coweta, Heard, Troup, Meriwether, Pike, Spalding, Butts, Lamar, Upson, Jasper, Newton, Morgan, Greene, Walton, Oconee, Clarke, Barrow, Jackson, Bibb, Crawford, Jones, Monroe, Putnam, Richmond, Harris, Talbot, and Muscogee in their entirety and portions of White, Franklin, Peach, Houston, and Twiggs Counties, in and adjacent to the Atlanta Customs and Border Protection port of entry with the exception of Walker, Whitfield, and Murray Counties which are adjacent to the Chattanooga Customs and Border Protection port of entry.

An application has been submitted by United States Steel Corporation, the Department of Commerce (the Department) initiated an administrative review of the antidumping duty order on seamless carbon and alloy steel standard, line, and pressure pipe from the People’s Republic of China: Rescission of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: In response to a request from an interested party, the United States Steel Corporation, the Department of Commerce (the Department) initiated an administrative review of the antidumping duty order on seamless carbon and alloy steel standard, line, and pressure pipe from the People’s Republic of China. The period of review is November 10, 2010, through October 31, 2011. Based on the timely withdrawal of the request for review submitted by United States Steel Corporation, we are now rescinding this administrative review.

DATES: Effective Date: July 26, 2012.

SUPPLEMENTARY INFORMATION:

Background

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. Antidumping duties shall be assessed at rates equal to the cash deposit or bonding rate of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice.

Notifications

This notice serves as a final reminder to importers for whom this review is being rescinded of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with section 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Christian Marsh,
Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
