

effects of any proposed action before deciding to proceed with it or with some alternative. NEPA and the implementing regulations issued by the President's Council on Environmental Quality call for agencies to document the potential environmental effects of actions they are proposing. Generally, agencies must make those documents public, and seek public feedback on them.

In accordance with NEPA, the PEIS analyzes the effects on the environment of CBP's Northern Border Activities. CBP has sought public input on these studies and will use them in agency planning and decisionmaking. Because NEPA is a uniquely broad environmental law and covers the full spectrum of the natural and human environment, the PEIS also addresses environmental considerations governed by other environmental statutes such as the Clean Air Act, Clean Water Act, Endangered Species Act, and National Historic Preservation Act (NHPA).

The Draft ROD is available to the public at the following Web sites: <http://www.cbp.gov/xp/cgov/about/sr/> and www.dhs.gov/nepa. A final decision will be made no sooner than 30 days from July 27, 2012 and issued in a Final ROD. The Final ROD will select an alternative to guide CBP's activities along the northern border for the next five to seven years. That decision will be published in the **Federal Register** in a Final ROD and will be made available to the public at the same Web site.

Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for use to assist the homeless.

FOR FURTHER INFORMATION CONTACT: Juanita Perry, Department of Housing and Urban Development, 451 Seventh Street SW., Room 7266, Washington, DC 20410; telephone (202) 402-3970; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Theresa Ritta, Division of Property Management, Program Support Center, HHS, Room 5B-17, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a

suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Ann Marie Oliva at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (i.e., acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: *GSA:* Mr. Flavio Peres, General Services Administration, Office of Real Property Utilization and Disposal, 1800 F Street NW., Room 7040, Washington, DC 20405, (202) 501-0084; *Navy:* Mr. Steve Matteo, Department of the Navy, Asset Management Division, Naval Facilities Engineering Command, Washington Navy Yard, 1330 Patterson Ave. SW., Suite 1000, Washington, DC 20374; (202) 685-9426; (These are not toll-free numbers).

Office of the Secretary

[Docket No. ONRR-2012-0003]

Establishment of the U.S. Extractive Industries Transparency Initiative Advisory Committee and Request for Nominees

AGENCY: Office of Natural Resources Revenue, Interior.

ACTION: Notice.

SUMMARY: The U.S. Department of the Interior is establishing and seeking nominations for the U.S. Extractive Industries Transparency Initiative (USEITI) Advisory Committee. The Committee is being established to advise the Department on the implementation of the Extractive Industries Transparency Initiative (EITI), which requires governments to publicly disclose their revenues from oil, gas, and mining assets and for companies to make parallel disclosures regarding payments. The Committee will serve as the initial Multi-Stakeholder Group and its duties will include consideration and fulfillment of the tasks required to achieve candidate and compliant status in the EITI.

DATES: Submit nominations to the Committee by August 27, 2012.

ADDRESSES: You may submit nominations to the Committee by any of the following methods.

- Mail or hand-carry nominations to Ms. Shirley Conway; Department of the Interior; Office of Natural Resources Revenue; 1801 Pennsylvania Avenue NW., Suite 400; Washington, DC 20006.

- Email nominations to Shirley.Conway@onrr.gov or EITI@ios.doi.gov

FOR FURTHER INFORMATION CONTACT:

Shirley Conway, Office of Natural Resources Revenue; telephone (202) 254-5554; fax (202) 254-5589; email Shirley.Conway@onrr.gov. Mailing address: Department of the Interior; Office of Natural Resources Revenue; 1801 Pennsylvania Avenue NW., Suite 400; Washington, DC 20006.

SUPPLEMENTARY INFORMATION: We, the Department of the Interior, announce the establishment of the U.S. Extractive Industries Transparency Initiative (USEITI) Advisory Committee. We are establishing the committee in accordance with the provisions of the Federal Advisory Committee Act (FACA), as amended (5 U.S.C. App. 2), and with the concurrence of the General Services Administration.

The Committee will:

- Serve as the initial Multi-Stakeholder Group (MSG) to oversee the U.S. implementation of the Extractive Industries Transparency Initiative (EITI), a global standard for governments to publicly disclose revenues received from oil, gas, and mining assets belonging to the government, with parallel public disclosure by companies of payments to the government (e.g. royalties, rents, bonuses, taxes, or other payments).

- Develop and recommend to the Secretary a fully-costed work plan, containing measurable targets and a timetable for implementation, and incorporating an assessment of capacity constraints. This plan shall be developed in consultation with key EITI stakeholders and published upon completion.

- Provide opportunities for collaboration and consultation among stakeholders.

- Advise the Secretary and post for consideration by other stakeholders proposals for conducting long-term oversight and other activities necessary to achieve EITI candidate and compliant status.

We are seeking nominations for individuals to be considered as Committee members. Nominations should include a resume providing an adequate description of the nominee's qualifications, including information that would enable the Department of the Interior to make an informed decision regarding meeting the membership requirements of the Committee and permit the Department of the Interior to contact a potential member. We strongly encourage that parties work with and within stakeholder sectors (including industry, civil society, and government sectors, as the EITI process defines) to jointly consider and submit nominations that reflect the diversity and breadth of their sector.

Members of the Committee will include non-Federal representatives from the extractive industry, including oil, gas, and mining companies and industry-related trade associations; civil society, including organizations with interest in the extractive industry, transparency, and government oversight
