

Questions

1. We provide services to the public, such as handling claims for Social Security and Supplemental Security Income, that are clearly central to our core mission. Over time, we have taken on many other services that do not directly support our mission, such as responding to requests for verifying benefit amounts and assisting people with claims for other Federal benefits. Do you have suggestions for new or different ways that we can provide our core and non-core services?

2. Over the last ten years, we have had great success in enhancing and implementing many electronic services for the public, which have improved service while helping us handle increased workloads. We intend to continue to enhance our electronic services. Do you have suggestions for how we should proceed, including what services we should automate first?

3. What other suggestions do you have about how we handle our workloads and interact with our customers?

Please see the information under **ADDRESSES** earlier in this document for methods to give us your comments. We will not respond to your comments, but we will consider them as we review all responses.

Michael J. Astrue,

Commissioner of Social Security.

DEPARTMENT OF STATE

[Public Notice 7965]

In the Matter of the Review of the Designation of the Islamic Resistance Movement (Hamas and Other Aliases)

As a Foreign Terrorist Organization pursuant to Section 219 of the Immigration and Nationality Act, as Amended

Based upon a review of the Administrative Record assembled pursuant to Section 219(a)(4)(C) of the Immigration and Nationality Act, as amended (8 U.S.C. 1189(a)(4)(C)) ("INA"), and in consultation with the Attorney General and the Secretary of the Treasury, I conclude that the circumstances that were the basis for the 2008 determination to maintain the designation of the aforementioned organization as a foreign terrorist organization have not changed in such a manner as to warrant revocation of the designation and that the national security of the United States does not warrant a revocation of the designation.

Therefore, I hereby determine that the designation of the aforementioned organization as a foreign terrorist organization, pursuant to Section 219 of the INA (8 U.S.C. 1189), shall be maintained.

This determination shall be published in the **Federal Register**.
