SUPPLEMENTARY INFORMATION:

I. Abstract

This notice concerns the collection of information that is sufficient and relevant to evaluate and select proposals for funding under the NNGDPP. We will accept proposals from State geological surveys requesting funds to inventory and assess the condition of current collections and data preservation needs. Financial assistance will be awarded annually on a competitive basis following the evaluation and ranking of State proposals by a review panel composed of representatives from the Department of the Interior, State geological surveys, academic institutions, and the private sector. To submit a proposal, respondents must complete a project narrative and submit the application via *www.grants.gov*. Grant recipients must complete a final technical report at the end of the project period. Narrative and report guidance is available through *http://datapreservation.usgs.gov/* and at *www.grants.gov*.

II. Data

OMB Control Number: 1028-0087.

Title: National Geological and Geophysical Data Preservation Program (NGGDPP).

Respondent Obligation: Required to obtain or retain a benefit.

Frequency of Collection: Annually.

Estimated Number and Description of Respondents: 62 State Geological Surveys.

Estimated Number of Annual Responses: 62 (34 applications and 28 reports).

Estimated Annual Reporting and Recordkeeping "Hour" Burden: 1,266 hours. We expect to receive approximately 34 applications. It takes each applicant approximately 36 hours to complete the narrative and to present supporting documents. This includes the time for project conception and development, proposal writing and reviewing, and submitting the proposal application through Grants.gov (totaling 1,224 burden hours). We anticipate awarding 28 grants per year. The award recipients must submit a final report. We estimate that it will take approximately 1.5 hours to complete the requirement for the reports (totaling 42 hours).

Estimated Reporting and Recordkeeping "Non-Hour Cost" Burden: There are no "non-hour cost" burdens associated with this collection of information.

III. Request for Comments

On March 2, 2012 we published a **Federal Register** notice (77 FR 12871) announcing that we would submit this information collection to OMB for approval. The notice provided a 60-day public comment period ending on May 1, 2012. We did not receive any comments in response to that notice.
