BILLING CODE 4312-50-P

DEPARTMENT OF THE INTERIOR

Office of Surface Mining Reclamation and Enforcement

Notice of Proposed Information Collection; General Provisions

AGENCY: Office of Surface Mining Reclamation and Enforcement, Interior.

ACTION: Notice and request for comments.

SUMMARY: In compliance with the Paperwork Reduction Act of 1995, the Office of Surface Mining Reclamation and Enforcement (OSM) is announcing its intention to seek the Office of Management and Budget (OMB) approval to continue the collection of information for our General provisions. This information collection activity was previously approved by OMB and assigned clearance number 1029-0094.

DATES: Comments on the proposed information collection must be received by October 1, 2012, to be assured of consideration.

ADDRESSES: Comments may be mailed to Adrienne Alsop, Office of Surface Mining Reclamation and Enforcement, 1951 Constitution Ave. NW., Room 203—SIB, Washington, DC 20240. Comments may also be submitted electronically to aalsop@osmre.gov.

FOR FURTHER INFORMATION CONTACT: To request additional information about this collection of information, contact Adrienne Alsop, at (202) 208-2818 or by email listed previously.

SUPPLEMENTARY INFORMATION: OMB regulations at 5 CFR part 1320, which implementing provisions of the Paperwork Reduction Act of 1995 (Pub. L. 104-13), require that interested members of the public and affected agencies have an opportunity to comment on information collection and recordkeeping activities [see 5 CFR 1320.8(d)]. This notice identifies an information collection that OSM will be submitting to OMB for approval, the collection contained in 30 CFR part 700—General (1029-0094). OSM will seek a 3-year term of approval for this information collection activity. We may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

Comments are invited on: (1) The need for the collection of information for the performance of the functions of the agency; (2) the accuracy of the agency's burden estimates; (3) ways to enhance the quality, utility and clarity of the information collection; and (4) ways to minimize the information collection burden on respondents, such as use of automated means of collection of the information. A summary of the public comments will accompany OSM's submission of the information collection requests to OMB.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

BILLING CODE 4310-05-M

DEPARTMENT OF JUSTICE

Notice of Lodging of Consent Decree Under the Comprehensive Environmental Response, Compensation and Liability Act

Notice is hereby given that on July 27, 2012, a proposed Amendment to Consent Decree was lodged with the United States District Court for the Northern District of Ohio in *United States v. Lorain County Metropolitan Park District, et al.*, Civil Action No. 1:08-cv-03026.

Under a consent decree previously entered by the district court in this action under Sections 106 and 107 of

the Comprehensive Environmental Response, Compensation and Liability Act, as amended ("CERCLA"), 42 U.S.C. 9606 and 9607, the former General Motors Corporation, now known as Motors Liquidation Company ("GM"), was one of several Settling Defendants responsible for implementing a remedial action to address releases and threatened releases of hazardous substances at and from the Ford Road Industrial Landfill Site (the "Site") in Elyria, Ohio. Pursuant to financial assurance requirements of the consent decree, GM obtained a performance bond from Westchester Fire Insurance Company ("Westchester"). After filing for bankruptcy in 2009, GM stopped participating in implementation of the remedial action at the Site.

Under the proposed Amendment to Consent Decree, Westchester will become a party to the consent decree and become responsible for financing implementation of the remedial action at the Site, up to a \$589,322 limit that corresponds to the outstanding amount of the original performance bond issued by Westchester. Westchester's obligations will include: (1) Reimbursing 50 percent of the response costs incurred by the other Settling Defendants between June 1, 2009, when GM stopped participating in implementation of the consent decree, and the effective date of the Amendment to Consent Decree; (2) monthly reimbursement of 50 percent of the ongoing remedial costs incurred by the other Settling Defendants after the effective date of the Amendment to Consent Decree; (3) acceleration of remaining payments (up to the \$589,322 limit) in accordance with instructions to be provided by EPA, in the event that EPA takes over implementation of any Work, pursuant to provisions of the previously entered consent decree. In addition, to guarantee performance of its obligations under the proposed Amendment to Consent Decree, Westchester will establish a trust for the benefit of EPA, and maintain a trust balance that is equal to its outstanding liability relating to the Site.

The Department of Justice will receive comments relating to the Amendment to Consent Decree for a period of thirty (30) days from the date of this publication. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and either emailed to pubcomment-ees.enrd@usdoj.gov or mailed to P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611. The comments should refer to *United States v. Lorain County*
