DATES: Comments on this notice must be received by October 1, 2012 to be assured of consideration.

FOR FURTHER INFORMATION CONTACT: Bonnie Edwards-Jackson, Finance and Loan Analyst, Multi-Family Housing Preservation and Direct Loan Division, USDA Rural Development, Stop 0781, 1400 Independence Ave. SW., Washington, DC 20250-0782, telephone (202) 690-0759 (voice) (this is not a toll free number) or (800) 877-8339 (TDD-Federal Information Relay Service) or via email at, Bonnie.Edwards@wdc.usda.gov.

SUPPLEMENTARY INFORMATION: *Title:* RHS/Housing Preservation Grant Program.

OMB Number: 0575-0115.

Expiration Date of Approval: September 30, 2012.

Type of Request: Extension of a currently approved information collection.

Abstract: The primary purpose of the Housing Preservation Grant Program is to repair or rehabilitate individual housing, rental properties, or co-ops owned or occupied by very low- and low-income rural persons. Grantees will provide eligible homeowners, owners of rental properties and owners of co-ops with financial assistance through loans, grants, interest reduction payments or other comparable financial assistance for necessary repairs and rehabilitation of dwellings to bring them up to code or minimum property standards.

Where repair and rehabilitation assistance is not economically feasible or practical the replacement of existing,

individual owner occupied housing is available.

These grants were established by Public Law 98-181, the Housing Urban-Rural Recovery Act of 1983, which amended the Housing Act of 1979 (Pub. L. 93-383) by adding section 533, 42 U.S.C. 2490(m), Housing Preservation Grants (HPG). In addition, the Secretary of Agriculture has authority to prescribe rules and regulations to implement HPG and other programs under 42 U.S.C. 1480(j).

Section 533(d) is prescriptive about the information applicants are to submit to RHS as part of their application and in the assessments and criteria RHS is to use in selecting grantees. An applicant is to submit a "statement of activity" describing its proposed program, including the specific activities it will undertake, and its schedule. RHS is required in turn to evaluate proposals on a set of prescribed criteria, for which the applicant will also have to provide information, such as: (1) Very low- and low-income persons proposed to be served by the repair and rehabilitation activities; (2) participation by other public and private organizations to leverage funds and lower the cost to the HPG program; (3) the area to be served in terms of population and need; (4) cost data to assure greatest degree of assistance at lowest cost; (5) administrative capacity of the applicant to carry out the program. The information collected will be the minimum required by law and by necessity for RHS to assure that it funds responsible grantees proposing feasible projects in areas of greatest need. Most data are taken from a localized area, although some are derived from census reports of city, county and Federal governments showing population and housing characteristics.

Estimate of Burden: Public reporting burden for this collection of information is estimated to average .88 hours per response.

Respondents: A public body or a public or private nonprofit corporation.

Estimated Number of Respondents: 2,373.

Estimated Number of Responses per Respondent: 5.6.

Estimated Total Annual Burden on Respondents: 13,274 hours.

Copies of this information collection can be obtained from Jeanne Jacobs, Regulations and Paperwork Management Branch at (202 692-0040).

Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of RHS, including

whether the information will have practical utility; (b) the accuracy of RHS's estimate of the burden of the proposed collection of information including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Comments may be sent to Jeanne Jacobs, Regulations and Paperwork Management Branch, U.S. Department of Agriculture, Rural Development, STOP 0742, 1400 Independence Ave. SW., Washington, DC 20250. All responses to this notice will be summarized and included in the request for OMB approval. All comments will become a matter of public record.

Dated: July 27, 2012.

Cristina Chiappe,

Acting Administrator, Rural Housing Service.

Foreign-Trade Zones Board

[B-56-2012]

Proposed Foreign-Trade Zone—Chenango County, NY; Under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones Board (the Board) by Chenango County, New York to establish a foreign-trade zone (FTZ) at sites in Chenango County, adjacent to the Syracuse CBP port of entry, under the alternative site framework (ASF) adopted by the Board (15 CFR 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of zones and can permit significantly greater flexibility in the designation of new "subzones" or "usage-driven" FTZ sites for operators/users located within a grantee's "service area" in the context of the Board's standard 2,000-acre activation limit for a zone project. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on July 30, 2012. The applicant is authorized to make the proposal under Chapter 569, Laws of New York 2011, Section 224-27.
