International Trade Commission Notification

In accordance with section 733(f) of the Act, we have notified the ITC of our preliminary affirmative determination of sales at LTFV. Section 735(b)(2) of the Act requires the ITC to make its final determination as to whether the domestic industry in the United States is materially injured, or threatened with material injury, by reason of imports of wind tower from Vietnam, or sales (or the likelihood of sales) for importation, of the merchandise under consideration within 45 days of our final determination.

Public Comment

Case briefs or other written comments may be submitted to the Department no later than seven days after the date on which the final verification report is issued in this proceeding, and rebuttal briefs, limited to issues raised in case briefs, may be submitted no later than five days after the deadline for case briefs.¹⁰⁵ A table of contents, list of authorities used, and an executive summary of issues should accompany any briefs submitted to the Department. The executive summary should be limited to five pages total, including footnotes.

In accordance with section 774 of the Act, we will hold a public hearing, if requested, to afford interested parties an opportunity to comment on arguments raised in case or rebuttal briefs. Interested parties, who wish to request a hearing, or to participate if one is requested, must submit a written request to the Assistant Secretary for Import Administration, U.S. Department of Commerce, filed electronically using Import Administration's Antidumping and Countervailing Duty Centralized Electronic Service System ("IA ACCESS"). An electronically filed

document must be received successfully in its entirety by the Department's electronic records system, IA ACCESS, by 5 p.m. Eastern Standard Time, within 30 days after the date of publication of this notice.¹⁰⁶ Requests should contain the party's name, address, and telephone number, the number of participants, and a list of the issues to be discussed. If a request for a hearing is made, we intend to hold the hearing at the U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230, at a time and location to be determined. Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

Postponement of Final Determination and Extension of Provisional Measures

Pursuant to section 735(a)(2) of the Act, on June 8, 2012, we received a request from CS Wind Group that the Department postpone its final determination by 60 days.¹⁰⁷ Additionally, consistent with 19 CFR 351.210(e)(2), CS Wind Group requested that the Department extend the application of the provisional measures from a four-month period to a six-month period. In accordance with section 735(a) of the Act and 19 CFR 351.210(b), we are granting these requests and are postponing the final determination until no later than 135 days after the publication of this notice in the **Federal Register** because: (1) Our preliminary determination is affirmative; (2) the requesting exporter accounts for a significant proportion of exports of the merchandise under consideration; and (3) no compelling reasons for denial exist. Suspension of liquidation will be extended accordingly. We are further extending the application of the provisional measures from a four-month period to a six-month period.

This determination is issued and published in accordance with sections 733(f) and 777(i)(1) of the Act.

Dated: July 26, 2012.

Assistant Secretary for Import Administration.
