

Committee will review a Memorandum of Understanding about coordination on deep-sea coral issues with the other Atlantic coast Councils, particularly MAFMC. This will include a presentation from the PDT on fishing effort in coral zones. Second, they will review comments received to date on a **Federal Register** notice indicating that the Council is exploring the possibility of splitting corals from the EFH Omnibus Amendment, 77 FR 44214, July 27, 2012 (comment period closes on August 27). Finally, the Committee will discuss work plans and timelines under various scenarios (i.e. corals split or not).

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final action to address the emergency.

SUPPLEMENTARY INFORMATION:

Correction

In the **Federal Register** of May 23, 2012, in FR Doc. 2012-12462, make the following corrections:

1. On page 30511, in the first column, removal of paragraph:

“The FY 2011 Work Plan outlines a strategy to balance the Energy Program in both legacy and renewable components, providing up to \$2.4 million of available program funds specifically toward the emerging technology program pending state match. If match for this program is not provided, this funding shall be reallocated to legacy projects.”

2. On page 30511, in the third column, include in the heading “Transportation” caption to read:
