Food and Nutrition Service

Title: Status of Claims Against Households.

OMB Control Number: 0584-0069.

Summary of Collection: Section 11, 13, and 16 of the Food Stamp Act of 1977, as amended (the Act) and appropriate Supplemental Nutrition Assistance Program regulation are the bases for the information collected on FNS-209. Regulations at 7 CFR 273.18(m)(5) requires State agencies to submit at the end of every quarter the completed FNS-209, Status of Claims Against Households. The information required for the FNS-209 report is obtained from a State accountable system responsible for establishing claims, sending demand letters, collecting claims, and managing other claim activity.

Need and Use of the Information: The Food and Nutrition Service (FNS) will collect information on the outstanding aggregate claim balance; claims established; collections; any balance and collection adjustments; and the amount to be retained for collecting non-agency error claims. The information will be used by State agencies to ascertain aggregate claim balance and collections for determining overall performance, the collection amounts to return to FNS, and claim retention amounts. FNS will receive collections and report collection activity to Treasury. If this data is collected less often than quarterly, it would delay the Federal collection of the Federal share of the State agency's collections. FNS would not be able to effectively monitor the collection and recovery of program funds or protect the integrity of the program.

Description of Respondents: State, Local or Tribal Government.

Number of Respondents: 53.

Frequency of Responses: Reporting: Quarterly.

Total Burden Hours: 636.

Food and Nutrition Service

Title: Request for Administrative Review.

OMB Control Number: 0584-0520.

Summary of Collection: The Food and Nutrition Service (FNS) of the U.S. Department of Agriculture is the Federal agency responsible for the

Supplemental Nutrition Assistance Program (SNAP). The Food and Nutrition Act of 2008 (7 U.S.C. 2011-2036), as codified under 7 CFR Parts 278 and 279, requires that the FNS determine the eligibility of retail food stores and certain food service organizations to participate in the SNAP. If a retail or wholesale firm is found to be ineligible by FNS, or is otherwise aggrieved by certain FNS action(s), that firm has the right to file a written request for review of the administrative action with FNS.

Need and Use of the Information: The request for administrative review is a formal letter, provided by the requester, with an original signature. FNS receives the letter requesting an administrative review and maintains it as part of the official review record. The designated reviewer will adjudicate the appeals process and make a final determination regarding the aggrieved action.

Description of Respondents: Business or other for profit.

Number of Respondents: 897.

Frequency of Responses: Reporting: On occasion.

Total Burden Hours: 183.
