

Collection of Information)—The respondents will be people involved in the running of DWI Courts and Hybrid DWI/Drug Courts. These primarily will be Judges and Court Staff, but may include others involved in specific aspects of the DWI Court program such as treatment providers, law enforcement and probation/parole personnel. Contacted Courts will determine who is appropriate to complete the sections of the questionnaire, and may apportion different sections to different people to complete, if necessary. The projected total number of DWI Courts and Hybrid Courts at the commencement of the field period is 650. Total estimated time to complete the questionnaire is expected to average 40 minutes. All Courts will be administered the survey one time only.

Estimate of the Total Annual Reporting and Record Keeping Burden Resulting from the Collection of Information—NHTSA estimates that the Courts would require an average of 40 minutes to complete the survey or a total of 433.33 hours for the projected 650 DWI and Hybrid Courts. The survey would be fielded during a two month period in 2013. Thus the annual reporting burden would be the entire 433.33 hours. Reporting costs would entail salaried time for responding to the questionnaire. Mean hourly wages for legal occupations range from \$21.56 for legal support workers to \$53.34 for Judges, Magistrate Judges, and Magistrates. At 433.33 total responding hours for the survey, this would put the cost burden at a level between \$9,343 and \$23,114, depending on which Court personnel respond to the survey. The respondents would not incur any record keeping burden or record keeping cost from the information collection.

Background

The Kingpin Act became law on December 3, 1999. The Kingpin Act establishes a program targeting the activities of significant foreign narcotics traffickers and their organizations on a worldwide basis. It provides a statutory framework for the imposition of sanctions against significant foreign narcotics traffickers and their organizations on a worldwide basis, with the objective of denying their businesses and agents access to the U.S. financial system and the benefits of trade and transactions involving U.S. companies and individuals.

The Kingpin Act blocks all property and interests in property, subject to U.S. jurisdiction, owned or controlled by significant foreign narcotics traffickers as identified by the President. In addition, the Secretary of the Treasury, in consultation with the Attorney General, the Director of the Central Intelligence Agency, the Director of the Federal Bureau of Investigation, the Administrator of the Drug Enforcement Administration, the Secretary of Defense, the Secretary of State, and the Secretary of Homeland Security may designate and block the property and interests in property, subject to U.S. jurisdiction, of persons who are found to be: (1) Materially assisting in, or providing financial or technological support for or to, or providing goods or services in support of, the international narcotics trafficking activities of a person designated pursuant to the Kingpin Act; (2) owned, controlled, or
