

Reauthorization Act (CHIPRA) of 2009 (Pub. L. 111–3) has played in influencing State CHIP programs, preparations for implementing the Patient Protection and Affordable Care Act of 2010 (Pub. L. 111–148), and State views on the future of CHIP. Going beyond facts and basic descriptive information, it will gather insights about the rationale behind State decisions and about issues requiring future attention. The information gathered will supplement two other data collection efforts which received clearance on

December 12, 2011 (a survey of CHIP and Medicaid enrollees and disenrollees and case studies in 10 states, reference number 201110–0990–006, OMB control number 0990–0384). Data will only be collected once from the CHIP program administrators. We are seeking a 1 year approval period.

Burden Statement: Burden in this context means the time expended by persons to generate, maintain, retain, disclose or provide the information requested. This includes the time needed to review instructions, to

develop, acquire, install and utilize technology and systems for the purpose of collecting, validating and verifying information, processing and maintaining information, and disclosing and providing information, to train personnel and to be able to respond to a collection of information, to search data sources, to complete and review the collection of information, and to transmit or otherwise disclose the information. The total annual burden hours estimated for this ICR are summarized in the table below.

TOTAL ESTIMATED ANNUALIZED BURDEN—HOURS

Form name	Number of respondents	Number of responses per respondent	Average burden per response (in hours)	Total burden hours
Telephone Interview Discussion Guide	State CHIP Program Administrators.	77	1	77
Total	77	1	1	77

^a This includes one respondent per State in the 25 States with only a separate CHIP program or a Medicaid expansion CHIP program, and two respondents per State in the 26 States with combination programs.
