AGENCY: Rural Business-Cooperative Service, USDA.

ACTION: Notice of Funding Availability (NOFA).

SUMMARY: USDA announces the availability of grants through the Value-Added Producer Grant (VAPG) program for Fiscal Year 2012. Approximately \$14 million in competitive grant funds for FY 2012 is available to help agricultural producers enter into value-added activities. At the discretion of the Secretary, additional funds may be made available to qualified ranking applications that respond to this announcement from prior year carry-over funds.

Awards may be made for either economic planning or working capital activities related to the processing and/or marketing of valued-added agricultural products. The maximum grant amount for a planning grant is \$100,000 and the maximum grant amount for a working capital grant is \$300,000.

There is a matching funds requirement of at least \$1 for every \$1 in grant funds provided by the Agency (matching funds plus grant funds must equal proposed total project costs). Matching funds may be in the form of cash or eligible in-kind contributions and may be used only for eligible project purposes. Matching funds must be available at time of application and must be certified and verified as described in 7 CFR 4284.931(b)(3) and (4). See 7 CFR 4284.923 and 7 CFR 4284.924 for examples of eligible and ineligible uses of matching funds.

Ten percent of available funds are reserved to fund applications submitted by Beginning Farmers or Ranchers and Socially Disadvantaged Farmers or Ranchers, and an additional 10 percent of available funds are reserved to fund applications from farmers or ranchers that propose development of Mid-Tier Value Chain projects (both collectively referred to as "reserved funds"). See 7 CFR 4284.925 and 7 U.S.C. 1632(a).

Overview

Federal Agency Name: Rural Business-Cooperative Service.

Funding Opportunity Title: Value-Added Producer Grants.

Announcement Type: Funding Announcement.

Catalog of Federal Domestic Assistance Number: 10.352.

I. Funding Opportunity Description

A. Purpose of the Program

The primary objective of this grant program is to help Independent Producers of agricultural commodities, Agriculture Producer Groups, Farmer and Rancher Cooperatives, and Majority-Controlled Producer-Based Business Ventures enter into value-added activities related to the processing and/or marketing of bio-based value-added agricultural products. Grants will be awarded competitively for either planning or working capital projects directly related

to the processing and/or marketing of value-added products. Generating new products, creating and expanding marketing opportunities, and increasing producer income are the end goals. Applications that support aspects of regional strategic planning, cooperative development, sustainable farming, and local and regional food systems are encouraged. Proposals must demonstrate economic viability and sustainability in order to compete for funding.

As part of this funding initiative, funding priority will be available to Beginning Farmers and Ranchers, Socially-Disadvantaged Farmers and Ranchers, Operators of Small and Medium-Sized Farms and Ranches that are structured as a Family Farm, Farmer or Rancher Cooperatives, and projects proposing to develop a Mid-Tier Value Chain. See 7 CFR 4284.922(c) for Reserved Funding and 7 CFR 4284.922(d) for Priority Point categories and requirements.

The VAPG Program is authorized under section 231 of the Agriculture Risk Protection Act of 2000 (Pub. L. 106-224), as amended by section 6202 of the Food, Conservation, and Energy Act of 2008 (Pub. L. 110-246) (see 7 U.S.C. 1632a). Applicants must adhere to the program requirements contained in the program regulation, 7 CFR 4284, subpart J, which is incorporated by reference in this Notice.

B. Definition of Terms

The terms you need to understand are defined in 7 CFR 4284.902. In addition, there has been some confusion on the Agency's meaning of the terms "Harvester," and "Steering Committee," because these terms are only referenced as part of the Independent Producer definition and are not specifically defined in the regulation used for the program. Therefore, these terms are defined below and should be understood as follows.

Harvester: Harvesters are individuals or entities that demonstrate their legal right to access and harvest a primary agricultural commodity; and are not individuals or entities that merely glean, gather or collect residual commodities that result from an initial harvesting or production of a primary agricultural commodity. Examples of Harvesters may include, but are not limited to, a logger who has a legal right to access and harvest logs from the forest that are then converted into boards; a fisherman that has the legal right to access and harvest fish from the ocean or river that are then smoked. For clarification, it is the Agency's position that Harvesters may only apply as an Independent

Producer applicant type because harvester operations do not meet Agency definition requirements for a Farm or Ranch. Harvester applicants will not be eligible to receive Reserve Funds for a Beginning Farmer or Rancher or a Socially Disadvantaged Farmer or Rancher; and will not be eligible to receive Priority Points for a Beginning Farmer or Rancher, a Socially Disadvantaged Farmer or Rancher, Operator of a Small or Medium-sized Farm or Ranch structured as a Family Farm, or a Farmer or Rancher Cooperative. However, Harvesters may request Reserve Funds and/or Priority Points for a qualifying Mid-Tier Value Chain project if eligibility is documented in the application.

Steering Committee: A Steering Committee is an unincorporated group of specifically identified Agricultural Producers that lacks a legal structure or identity and is in the process of organizing one of the four program eligible entity types that will operate a value-added venture and will supply the majority of the agricultural commodity for the value-added project. For clarification, it is the Agency's position that a Steering Committee may only apply as an Independent Producer applicant type and must be 100 percent comprised of Independent Producers at time of application submission. If selected for award of funds, and before the grant agreement will be approved by the Agency, the Steering Committee members must form a legally authorized organization that meets requirements for one of the four program eligible applicant types and provide the necessary documentation for approval by the Agency.

Finally, in support of the *Value-Added Agricultural Product* definition requirements in 7 CFR 4284.902, the Agency directs that applicants demonstrate expansion of customer base for the agricultural commodity by including a baseline of current customers for the commodity, and an estimated target number of customers that will result from the project; and demonstrate the estimated amount of the increased portion of the revenue derived from the marketing, processing or physical segregation of the agricultural commodity that will be available to the applicant's producers of the agricultural commodity, by including a baseline of current revenues from the sale of the agricultural commodity and an estimated target number of increased revenues that will result from the project.

II. Award Information

Type of Instrument: Grant.

Fiscal Year Funds: FY 2012.

Approximate Number of Awards: 120.

Available Total Funding:

Approximately \$14 million.

Minimum Award Amount: Not restricted for planning or working capital. In FY 2011, 49 percent of awards were \$50,000 or less.

Maximum Award Amount: Planning—\$100,000; Working Capital—\$300,000.

Anticipated Award Date: January 18, 2013.

Grant Period Length: The maximum grant period is 3 years from date of award. Proposed grant periods should be scaled to the complexity of the objectives of the project.

III. Eligibility Information

A. Eligible Applicants

You must be an Independent Producer, Agricultural Producer Group, Farmer or Rancher Cooperative, or a Majority Controlled Produced-Based Business to apply to this program; and you must meet all related requirements for Emerging Market (as applicable), Citizenship, Legal Authority and Responsibility, Multiple Grants and Active Grants. In addition, you must meet Departmental requirements related to debarment, suspension and exclusion from participation in Federal assistance programs, as well as requirements related to outstanding Federal income taxes, judgments and delinquencies. For detailed requirements, see 7 CFR 4284.920 and 7 CFR 4284.921.

As a special emphasis, Rural Development encourages applications from Federally Recognized Tribal Groups and corporations and subdivisions of Tribal Groups undertaking or planning to undertake eligible value-added projects. For further tribal eligibility questions, please contact your local Rural Development office.

As part of applicant eligibility, it is important to clarify that all four applicant types must meet the Independent Producer and Agricultural Producer definition requirements in 7 CFR 4284.902, including, but not limited to, production and ownership of the majority of the raw agricultural commodity that will be transformed into the proposed value-added product for the project. All applicants must maintain ownership of the raw agricultural commodity through the production and marketing of the value-added product, with one partial exception for Mid-Tier Value Chain projects noted in its definition in 7 CFR 4284.902. Businesses that contract out the production of an agricultural

commodity are not considered Independent Producers, and businesses that produce the agricultural commodity under contract for another business and do not own the raw commodity or value-added product produced are not considered Independent Producers.

Finally, all applicants for working capital funds must document the quantity of the agricultural commodity that will be used for the value-added product, expressed in an appropriate unit of measure (acres, pounds, bushels, etc.) to demonstrate the scale of the applicant's project. This quantification must include an estimated total quantity of the agricultural commodity needed for the project, the quantity that will be provided (produced and owned) by the agricultural producers of the applicant organization, and the quantity that will be purchased or donated from third-party sources. The application must demonstrate that the amount of applicant commodity contributed to the project is the majority of the total agricultural commodity needed for the value-added project.

B. Project Eligibility

Your project must meet (1) Product Eligibility requirements related to the definition of Value-Added Agricultural Product, including value-added methodologies, expansion of customer base for the agricultural commodity, and increased revenues returning to the applicant's producers of the agricultural commodity as a result of the project; (2) Purpose Eligibility requirements related to maximum grant amounts, certification and verification of matching funds, eligible and ineligible uses of grant and matching funds for planning or working capital activities, including requirements related to conflicts of interest and ineligible expenses in excess of 10 percent of total project costs, a substantive work plan and budget, independent feasibility study and/or business plan requirements for working capital projects (subject to Agency concurrence of financial feasibility, as defined in 7 CFR 4284.902), including demonstration of readiness to implement the working capital activities, and identification of the number of jobs expected to be created or saved as a result of the project; (3) Reserved Funds Eligibility requirements if you choose to compete for Reserved Funds as a Beginning Farmer or Rancher, a Socially Disadvantaged Farmer or Rancher, or if you propose to develop a Mid-Tier Value Chain; and (4) Priority Status Eligibility requirements if you request priority points in the competition for a project that contributes to increasing

opportunities for Beginning Farmers or Ranchers, Socially Disadvantaged Farmers or Ranchers, or if you are an Operator of a Small or Medium-sized farm or ranch that is structured as a Family Farm, propose a Mid-Tier Value Chain project, or are a Farmer or Rancher Cooperative. For detailed requirements, see 7 CFR 4284.922, 7 CFR 4284.923 and 7 CFR 4284.924.

Note: If you are applying for a working capital grant that requires a project-specific independent feasibility study and/or business plan, you must submit those documents with your application. In addition, you must summarize relevant results of the feasibility study and business plan in response to the scoring criteria, as applicable, because reviewers will not receive copies of your feasibility study or business plan when scoring your application. Based on the information presented in the application, including a feasibility study and/or business plan where required, the applicant must demonstrate that the project is financially feasible and can achieve the income, credit and cash flows to sustain the venture over the long term. Applications with inadequate information or projects deemed not financially feasible by the Agency will be deemed not eligible to compete for grant funding. See 7 CFR 4284.922(b)(6).

Note: If you request Reserve Funds, you must document eligibility for the requirements stated in 7 CFR 4284.922(c). Ten percent of available funds are reserved to fund applications submitted by Beginning Farmers or Ranchers and Socially Disadvantaged Farmers or Ranchers, as defined in 7 CFR 4284.902. An additional 10 percent of available funds are reserved to fund Mid-Tier Value Chain projects. If your application is eligible, but does not receive Reserve Funding, it will automatically be considered for general funds in that same fiscal year, as funding levels permit and in accord with project ranking. As previously noted, Harvester operations are not considered a Farm or Ranch and are not eligible for Reserve Funds for a Beginning Farmer or Rancher or a Socially Disadvantaged Farmer or Rancher; however, Harvester operations may request Reserve Funds for a qualifying Mid-Tier Value Chain project, as applicable.

C. Other Eligibility Requirements

1. Grant Period Eligibility

Your project timeframe or grant period can be a maximum of 36 months in length from the date of award. Your proposed grant period should begin no earlier than the anticipated award announcement date herein, January 18, 2013, and should end no later than 36 months following that date. If you receive an award, your grant period will be revised to begin on the actual date of award—the date the grant agreement is executed by the Agency—and your grant

period end date will be adjusted accordingly. Your project activities must begin within 90 days of that date of award. If you request funds for a time period beginning before January 18, 2013, and/or ending later than 36 months from that date, your application will be ineligible. The length of your grant period should be based on your project's complexity, as indicated in your application work plan. For example, it is expected that most planning grants can be completed within 12 months. If you cannot finish your project during the approved timeframe, you may request an extension of up to 1 year from your local Rural Development office. Extensions will be considered only if unavoidable or unforeseen circumstances prevent you from finishing your project. Extensions beyond 3 years from the actual date of award will not be considered.

2. Ineligible Expenses

Applications with ineligible expenses of more than 10 percent of total project costs will be ineligible to compete for funds. Eligible applications that are selected for award but contain ineligible expenses of 10 percent or less of total project costs must remove those ineligible expenses from the final project budget that is subject to approval by the Agency. See 7 CFR 4284.923 for examples of eligible planning and working capital use of funds, and see 7 CFR 4284.924 for examples of ineligible use of funds.

3. Completeness

If your application is incomplete, it is ineligible to compete for funds.

4. Registrations

(i) Please note that grant applicants must obtain a Dun and Bradstreet Data Universal Numbering System (DUNS) number pursuant to 2 CFR 25.200(b). You must provide your DUNS number in the application, or it will be ineligible for funding. A DUNS number can be obtained at no cost via a toll-free request line at (866) 705-5711 or online at <http://www.dnb.com>.

(ii) Please note also that pursuant to 2 CFR 25.200(b) grant applicants must register in the Central Contractor Registration (CCR) database, or its successor database known as the System for Award Management (SAM), prior to submitting an application; unless you are exempt under 2 CFR 25.110. Grant applicants must maintain an active CCR/SAM registration with current information at all times during which you have an active Federal award or an application under consideration by the

Agency. An active CCR/SAM Registration Cage Code and expiration date must be included in your application or it will not be eligible for funding.

To register in the database, visit <https://www.sam.gov/> or call the Federal Service Desk for assistance by dialing 1-(866) 606-8220 and press '1' (See 2 CFR part 25). Since there are no specific fields for a Registration Cage Code and expiration date, please enter them in field 5(a) "Federal Entity Identifier" on Form SF 424.

(iii) Similarly, all recipients of Federal financial assistance are required to report information about first-tier sub-awards and executive compensation in accordance with 2 CFR part 170. So long as an entity applicant does not have exception under 2 CFR 170.110(b), the applicant must have the necessary processes and systems in place to comply with the reporting requirements should the applicant receive funding. See 2 CFR 170.200(b).

IV. Fiscal Year 2012 Application and Submission Information

A. Address To Request Applications

The application guide, government forms, regulation, and official program notifications for this funding opportunity can be obtained online at http://www.rurdev.usda.gov/BCP_VAPG.html. Or, you can contact your USDA Rural Development State Office by visiting http://www.rurdev.usda.gov/recd_map.html.

B. Form of Submission

You may submit your application in paper form or electronically through Grants.gov. Your application must contain all required information.

To submit an application electronically, you must follow the instructions for this funding announcement at <http://www.grants.gov>. Please note that we cannot accept emailed or faxed applications. You can locate the Grants.gov downloadable application package for this program by using a keyword, the program name, or the Catalog of Federal Domestic Assistance Number for this program. When you enter the Grants.gov Web site, you will find information about submitting an application electronically through the site, as well as the hours of operation. We strongly recommend that you do not wait until the application deadline date to begin the application process through Grants.gov. You must submit all of your application documents electronically through Grants.gov. After electronically submitting an application through

Grants.gov, you will receive an automatic acknowledgement from Grants.gov that contains a Grants.gov tracking number.

If you want to submit a paper application, send it to the State Office located in the State where your project will primarily take place. You can find State Office Contact information at http://www.rurdev.usda.gov/recd_map.html or see the list of State Offices at the beginning of this Notice. An optional-use Agency application template is available online at http://www.rurdev.usda.gov/BCP_VAPG.html.

C. Application Contents

Your application must contain all of the required forms and proposal elements described in 7 CFR 4284.931, unless otherwise clarified in this notice. Specifically, your application must include (1) the required forms as described in 7 CFR 4284.931(a), except (i) you do not need to submit Form RD 1940-20, "Request for Environmental Information," because planning and working capital requests in this program are generally excluded from the environmental review process, and (ii) corporate applicants must also complete Form AD-3030, "Representations Regarding Felony Conviction and Tax Delinquent Status for Corporate Applicants"; and (2) the required proposal elements as described in 7 CFR 4284.931(b). Further clarification of application requirements is as follows:

In addition, you must include a one-page Executive Summary containing the following information: legal name of applicant entity, application type (planning or working capital), applicant type, amount of grant request, a summary of your project, whether you are submitting a simplified application, and whether you are competing for reserve funds.

Further, certifications for the following, among others specified elsewhere, must be included in the application:

1. Awards made under this Notice are subject to the provisions contained in the Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act, 2012, Public Law 112-55, Division A sections 738 and 739 regarding corporate felony convictions and corporate federal tax delinquencies. To comply with these provisions, all applicants must complete paragraph (A) of this representation, and all corporate applicants also must complete paragraphs (B) and (C) of this representation:

(A) Applicant, [insert applicant name], __ is __ is not (check one) an entity that has

filed articles of incorporation in one of the fifty states, the District of Columbia, or the various territories of the United States including American Samoa, Federated States of Micronesia, Guam, Midway Islands, Northern Mariana Islands, Puerto Rico, Republic of Palau, Republic of the Marshall Islands, U.S. Virgin Islands.

(B) Applicant, [insert applicant name], ___ has ___ has not (check one) been convicted of a felony criminal violation under Federal or state law in the 24 months preceding the date of application. (C) Applicant, [insert applicant name], ___ has ___ does not have (check one) any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability.

2. You must certify that there are no current outstanding Federal judgments against your property and that you will not use grant funds to pay for any judgment obtained by the United States. To satisfy this certification requirement, you should include this statement in your application: “[INSERT NAME OF APPLICANT] certifies that the United States has not obtained an unsatisfied judgment against its property and will not use grant funds to pay any judgments obtained by the United States.” A separate signature is not required.

D. Simplified Applications

If you are requesting less than \$50,000 in working capital grant funds, you may submit a simplified application. See 7 CFR 4284.932. You are not required to provide an independent feasibility study or business plan. You are required to provide information to show the increases in customer base and revenues expected to be derived from the project that will benefit the producer applicants supplying the majority of the agricultural commodity for the project. References to information from third-party sources that support your conclusions will enhance your application and improve scoring. Also see 7 CFR 4284.922(b)(6)(ii).

If you are an Independent Producer applicant type applying for a working capital grant of \$50,000 or more, and your project is for market expansion of an existing value-added product(s) that you have successfully produced and marketed for at least 2 years prior to the submission of the application, and is a value-added product that you have

produced from more than 50 percent of your own agricultural commodity, you must submit a business or marketing plan for the project, but are not required to submit a feasibility study. Your application must contain adequate information to demonstrate the increases in customer base and revenues expected to be derived from the project that will benefit the applicant producers supplying the majority of the agricultural commodity for the project. References to information from third-party sources that support your conclusions will enhance your application and improve scoring. See 7 CFR 4284.922(b)(6)(i).

E. Funding Restrictions

Funding limitations and reservations found in the program regulation will apply. See 7 CFR 4284.925.

1. Use of Funds

Grant funds may be used to pay up to 50 percent of the total eligible project costs, subject to the limitations established for maximum total grant amount. Grant and matching funds may only be used for eligible purposes (see 7 CFR 4284.923) and may not be used for ineligible purposes (see 7 CFR 4284.924). If Program Income is earned during the grant period as a result of the project activities, it is subject to the requirements in 7 CFR 3019.24, and must be managed and reported accordingly.

2. Majority Controlled Producer-Based Business

The aggregate amount of awards to Majority Controlled Producer-Based Businesses in response to this announcement shall not exceed 10 percent of the total funds obligated for the program during the fiscal year.

3. Reserved Funds

In response to this announcement, 10 percent of total funding available will be used to fund projects that benefit Beginning Farmers or Ranchers, or Socially-Disadvantaged Farmers or Ranchers. In addition, 10 percent of total funding available will be used to fund projects that propose development of Mid-Tier Value Chains as part of a Local or Regional Supply Chain Network. See related definitions in 7 CFR 4284.902.

4. Disposition of Reserved Funds Not Obligated

For this announcement, any Reserved Funds that have not been obligated by June 30, 2012, will be available to the Secretary to make VAPG grants from the fund categories addressed at 7 CFR

4284.922 (c). After awards have been selected from each Reserved Fund, any excess unobligated funds will revert to general funds.

F. Intergovernmental Review

Executive Order (EO) 12372, “Intergovernmental Review of Federal Programs,” applies to this program. This EO requires that Federal agencies provide opportunities for consultation on proposed assistance with State and local governments that have chosen to participate in that process. Those states have established a Single Point of Contact (SPOC) to facilitate this consultation. For a list of states that maintain an SPOC, please see the White House Web site: http://www.whitehouse.gov/omb/grants_spoc. If your state has an SPOC, you must submit a copy of the application directly for review. Any comments obtained through the SPOC must be provided to your State Office for consideration as part of your application.

V. Application Review Information

Applications will be reviewed and processed as described at 7 CFR 4284.940.

A. Application Eligibility and Notifications

The Agency will conduct a review of your application to determine if it is complete and eligible. If the Agency determines that your application is ineligible at any time, then you will be notified in writing as to the reasons it was determined ineligible and you will be informed of any review or appeal rights.

If, at any time after you have submitted your application, you decide that you no longer want to request grant funding, you must notify the Agency in writing. Upon receipt of your notification, the Agency will rescind the award or withdraw the application, as applicable.

B. Application Scoring

The Agency will only score applications in which the applicant and project are eligible, which are complete and sufficiently responsive to program requirements, and in which the Agency agrees on the likelihood of financial feasibility for working capital requests. We will score your application according to the procedures and criteria specified in 7 CFR 4284.942, and with tiered scoring thresholds as specified below.

For each criterion, you must show how the project has merit and why it is likely to be successful. If you do not address all parts of the criterion, or do

not sufficiently communicate relevant project information, you will receive lower scores. The maximum number of points that can be awarded to your application is 100. For this announcement, there is no minimum score requirement for funding. Note: If you are submitting a working capital application that requires a feasibility study and/or business plan, you must submit those documents along with your application. In addition, you must summarize within your application relevant results of the feasibility study/business plan in response to the scoring criteria, as applicable, because reviewers will not receive copies of your feasibility study/business plan when evaluating your proposal and assigning scores. The Agency application package provides additional instruction to help you to respond to the criteria below.

1. Nature of the Proposed Venture (Graduated Score 0–30 Points)

For both planning and working capital grants, you should discuss the technological feasibility of the project, as well as the operational efficiency, profitability, and overall economic sustainability resulting from the project. In addition, demonstrate the potential for expanding the customer base for the agricultural commodity or value-added product, and the expected increase in revenue returns to the producer-owners providing the majority of the raw agricultural commodity to the project. You should reference third-party information that specifically supports your value-added project; discuss the value-added process you are proposing; potential markets and distribution channels; the value to be added to the raw commodity through the value-added process; cost and availability of inputs, your experience in marketing the proposed or similar product; business financial statements; and any other relevant information that supports the viability of your project. Working capital applicants should demonstrate these concepts that will result from the project. Planning grant applicants should describe the expected results, and the reasons supporting those expectations.

Points will be awarded as follows:

- (i) 0 points will be awarded if you do not substantively address this criterion.
- (ii) 10 points will be awarded if the criterion is poorly addressed.
- (iii) 20 points will be awarded if the criterion is partially addressed.
- (iv) 30 points will be awarded if you clearly articulate the rationale for the project and show a high likelihood of success based on technological feasibility and economic sustainability.

2. Qualifications of Project Personnel (Graduated Score 0–20 Points)

You should identify and describe the qualifications of each person responsible for leading or managing the total project, as well as the people responsible for actually conducting the individual tasks in the work plan. You should discuss the credentials, education, capabilities, experience, availability and commitment of each person working on the project. If staff or consultants have not been selected at the time of application, you should describe the qualifications required for the positions to be filled. Points will be awarded as follows:

- (i) 0 points will be awarded if you do not substantively address this criterion.
- (ii) 10 points will be awarded if at least one of the identified staff or consultants demonstrates 5 or more years of relevant experience; or, if no project personnel have been identified but necessary qualifications for the positions to be filled are clearly described.
- (iii) 20 points will be awarded if all of the identified staff demonstrates relevant qualifications and experience.

3. Commitments and Support (Graduated Score 0–10 Points)

Your application must show that the project has strong direct financial, technical and logistical support from agricultural producers, end-users, and other third party contributors who are necessary for the successful completion of the project. All cash or in-kind contributions from producers, end users, or other contributors should be discussed. End-user commitments may include contracts or letters of intent or interest in purchasing the value-added product. Third-party commitments may include evidence of critical partnerships, logistical, or technical support necessary for the project to succeed. Points will be awarded as follows:

- (i) 0 points will be awarded if you do not show that you have quality commitments or support from producers, end-users or other critical third party contributors.
- (ii) 5 points will be awarded if you partially show real, high quality direct support or commitments from at least one producer, end user, or other third party contributor.
- (iii) 10 points will be awarded if you show real, high quality direct support or commitments from multiple producers, end-users and critical third-party contributors.

4. Work Plan and Budget (Graduated Score 0–20 Points)

You must submit a comprehensive work plan and budget (for full details, see 7 CFR 4284.922(b)(5)). Your work plan must provide specific and detailed descriptions of the tasks and the key project personnel that will accomplish the project's goals. The budget must present a detailed breakdown of all estimated costs of project activities and allocate those costs among the listed tasks. You must show the source and use of both grant and matching funds for all tasks. Matching funds must be spent at a rate equal to, or in advance of, grant funds. An eligible start and end date for the project and for individual project tasks must be clearly shown and may not exceed Agency specified timeframes for the grant period. Working Capital applications must include an estimate of Program Income expected to be earned during the grant period (see 7 CFR 3019.24).

- (i) 0 points will be awarded if the work plan and budget do not substantively address this criterion.
- (ii) 10 points will be awarded if the work plan and budget only partially address this criterion.
- (iii) 20 points will be awarded if a detailed, comprehensive work plan and budget is provided.

5. Priority Points (Lump Sum Score 0 or 10 Points)

Priority points may be awarded in both the general funds competition, as well as the Reserve Funds competitions. You may request priority points if you meet the requirements for one of the following categories and provide the documentation described in 7 CFR 4284.922(d), as applicable:

- Beginning Farmer or Rancher, or Socially Disadvantaged Farmer or Rancher, or
- Operator of a Small or Medium-sized farm or ranch that is structured as a Family Farm, or
- Farmer or Rancher Cooperative, or Mid-Tier Value Chain project.

It is recommended that you use the Agency application package when applying for priority points and refer to the documentation requirements specified in 7 CFR 4284.922(d). Harvester operations are not considered a Farm or Ranch and are not eligible for priority points for a Beginning Farmer or Rancher, a Socially Disadvantaged Farmer or Rancher, an Operator of a Small or Medium-sized farm or ranch that is structured as a Family Farm, or a Farmer or Rancher Cooperative; however, Harvester operations may request priority points for a qualifying

Mid-Tier Value Chain project, as applicable. All qualifying applicants will receive 10 points. If you do not provide sufficient documentation you will receive 0 points.

6. Administrator Priority Categories (Graduated Score 0–10 Points)

The Administrator of USDA Rural Development Business-Cooperative Service (RBS) may choose to award up to 10 points to an application to improve the geographic diversity of awardees in a fiscal year.

C. Selection of Applications

The Agency will select applications for award under this Notice in accordance with the provisions specified in 7 CFR 4284.950(a).

We will first review your application for eligibility and to determine if it is complete and sufficiently responsive to the requirements of the program to allow for an informed review (see 7 CFR 4284.940).

If your application is eligible and complete, it will be scored by two reviewers based on criteria specified in section V.B. of this Notice. One of these reviewers will be a Rural Development employee from your servicing State Office and the other reviewer will be a non-Federal, independent reviewer. The State Office may enlist the support of technical experts, qualified as described below and approved by the State Director, to assist the State Office scoring process. All reviewers must meet the following qualifications. Reviewers must have at least a bachelor's degree in one or more of the following fields: agri-business, business, economics, finance, or marketing. They must also have a minimum of 3 years of experience in an agriculture-related field (e.g. farming, marketing, consulting, university professor, research, officer for trade association, government employee for an agricultural program). If the reviewer does not have a degree in one of those fields, he/she must have at least 5 years of working experience in an agriculture-related field.

Both reviewers will score evaluation criteria 1 through 4 and the totals for each reviewer will be added together and averaged. The Rural Development reviewer will also assign priority points based on criterion 5 in section V.B. of this Notice. These will be added to the average score. The sum of these scores will be ranked high to low and this will comprise the initial ranking.

The Administrator of RBS may choose to award up to 10 Administrator priority points based on criterion 6 in section V.B. of this Notice. These points will be

added to the cumulative score for a total possible score of 100.

A final ranking will be obtained based solely on the scores received for criteria 1 through 6. Applications for reserved funding will be funded in rank order until funds are depleted. Unfunded reserve category applications will be returned to the general funds category where applications will be funded in rank order until the funds are depleted. Funding for Majority Controlled Producer-Based Business Ventures (MAJ) is limited to 10 percent of total grant funds expected to be obligated as a result of this Notice. MAJ applications will be funded in rank order until the funding limitation has been reached. Grants to MAJ applicants from reserved funds will count against this funding limitation.

If your application is ranked, but not funded, it will not be carried forward into the next competition. We will notify you in writing if your application is not selected for funding and inform you of any appeal rights. You may submit an updated application for consideration during the next round of funding.

VI. Award Administrative Information

A. Award Notices

DEPARTMENT OF COMMERCE**Submission for OMB Review; Comment Request**

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Oceanic and Atmospheric Administration (NOAA).

Title: Evaluation of Interpretative Signs Located Along the California Coastline Part of the California Signage Plan Initiative.

OMB Control Number: None.

Form Number(s): NA.

Type of Request: Regular submission (request for a new information collection).

Number of Respondents: 400.

Average Hours per Response: 7 to 8 minutes.

Burden Hours: 50.

Needs and Uses: This request is for a new information collection.

The California Signage Plan is an organized and systematic way to develop and install graphic signs along the California coastline and inland that interpret the natural and cultural resources of a particular location and its connection to the sanctuaries located within California. To date, a strategic approach to evaluating interpretive signs produced by the Office of National Marine Sanctuaries has not been developed; therefore, we do not know if the messages we are trying to convey to our audiences are effective. We are proposing to conduct an online and onsite survey of approximately 400 visitors to the locations where signs are currently installed. The questions outlined in the survey examine the public's use of the signs, understanding of the signs' content, understanding and awareness of protected areas/zones and how those messages are portrayed in regulatory signs, demographics of the target audience, interest in alternate sources of interpretive content, perception of the National Marine Sanctuaries identity, and awareness of the national marine sanctuary system.

Affected Public: Individuals or households.

Frequency: One-time only.

Respondent's Obligation: Voluntary.

OMB Desk Officer:

OIRA_Submission@omb.eop.gov.

Copies of the above information collection proposal can be obtained by calling or writing Jennifer Jessup, Departmental Paperwork Clearance Officer, (202) 482-0336, Department of Commerce, Room 6616, 14th and Constitution Avenue NW., Washington, DC 20230 (or via the Internet at Jjessup@doc.gov).

BILLING CODE 3510-22-P

DEPARTMENT OF COMMERCE**Foreign-Trade Zones Board**

[B-63-2012]

Foreign-Trade Zone 133—Quad-Cities, Iowa/Illinois Application for Reorganization Under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board (the Board) by the Quad-City Foreign-Trade Zone, Inc., grantee of FTZ 133, requesting authority to reorganize the zone under the alternative site framework (ASF) adopted by the Board (15 CFR 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of zones and can permit significantly greater flexibility in the designation of new subzones or "usage-driven" FTZ sites for operators/users located within a grantee's "service area" in the context of the Board's standard 2,000-acre activation limit for a zone. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on August 8, 2012.

FTZ 133 was approved by the Board on October 29, 1986 (Board Order 338, 51 FR 40238, 11-5-1986) and expanded on March 31, 2011 (Board Order 1749, 76 FR 19746, 4-8-2011).

The current zone includes the following sites: *Site 1* (223 acres)—River Cities Industrial Center, 200 East 90th Street, Davenport, Iowa; *Site 2* (33 acres)—Rock Island Arsenal, 1775 East Street, Rock Island, Illinois; *Site 3* (55 acres)—Modern Warehousing, 801 1st Street East, Milan, Illinois; *Site 4* (200 acres)—Eastern Iowa Industrial Center, Northeast of I-80 and Highway 130, Davenport, Iowa; and *Site 5* (187 acres)—Iowa Research Commerce & Technology Park, Northwest of I-80 and Highway 61, Davenport, Iowa.

The grantee's proposed service area under the ASF would be Henderson, Henry, Mercer, Rock Island and Warren Counties, Illinois as well as Cedar, Clinton, Des Moines, Dubuque, Henry, Jackson, Johnson, Jones, Lee, Louisa, Muscatine, Scott and Washington Counties, Iowa, as described in the application. If approved, the grantee would be able to serve sites throughout the service area based on companies' needs for FTZ designation. The proposed service area is within and adjacent to the Davenport, Iowa-Moline and Rock Island, Illinois Customs and Border Protection port of entry.

The applicant is requesting authority to reorganize its existing zone project to
