#### Agency Information Collection Activities: Proposed Collection; Comment Request

In compliance with Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 concerning opportunity for public comment on proposed collections of information, the Substance Abuse and Mental Health Services Administration will publish periodic summaries of proposed projects. To request more information on the proposed projects or to obtain a copy of the information collection plans, call the SAMHSA Reports Clearance Officer on (240) 276-1243.

Comments are invited on: (a) Whether the proposed collections of information are necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

#### Proposed Project: Adult Treatment Court Collaborative Program Evaluation—NEW

The Substance Abuse and Mental Health Services Administration's (SAMHSA), Center for Mental Health Services (CMHS) and Center for Substance Abuse Treatment (CSAT) have jointly implemented the Adult Treatment Court Collaborative (ATCC) Program. SAMHSA launched the ATCC program in 2011 form new collaborations between specialty courts and treatment systems to effect community-level systems transformation and establish networks that expand access to treatment among those involved in the criminal justice system. CMHS and CSAT are requesting approval from the Office of Management and Budget (OMB) to implement data collection activities to determine the degree to which grantees individually and collectively meet the goals of the program, including the impact of program activities on systems and clients. The current proposal requests the implementation of new data collection efforts to support the
