Brief Description of Collection: In order for electric power consumers to be served, information is needed by the BIA to operate and maintain its electric power utilities and fulfill reporting requirements.

Section 175.6 and 175.22 of 25 CFR part 175, Indian electric power utilities, specifies the information collection requirement. Power consumers must apply for electric service. The information to be collected includes: Name; electric service location; and other operational information identified in the local administrative manuals. All information is collected from each electric power consumer. Responses are required to receive or maintain a benefit.

Type of Review: Extension without change of currently approved collection.

Respondents: BIA electric power consumers—individuals and businesses.

Number of Respondents: 3,000 per year.

Estimated Time per Response: 1/2 hour.

Frequency of Response: The information is collected once, unless the respondent requests new electrical service elsewhere or if it has been disconnected for failure to pay their electric bill.

Estimated Total Annual Hour Burden: 1,500 hours.

OMB Control Number: 1076–0141.
Title: Water Request, 25 CFR 171.

Brief Description of Collection: In order for irrigators to receive water deliveries, information is needed by the BIA to operate and maintain its irrigation projects and fulfill reporting requirements. Section 171.140 and other sections cited in section 171.40 of 25 CFR part 171, [Irrigation] Operation and Maintenance, specifies the information collection requirement. Water users must apply for water delivery and for a number of other associated services, such as, subdividing a farm unit, requesting leasing service, requesting water for domestic or stock purposes, building structures or fences in BIA rights-of-way, requesting payment plans on bills, establishing a carriage agreement with a third-party, negotiating irrigation incentives leases, and requesting an assessment waiver. The information to be collected includes: Full legal name; correct mailing address; taxpayer identifying number; water delivery location; if subdividing a farm unit—a copy of the recorded plat or map of the subdivision where water will be delivered; the time and date of requested water delivery; duration of water delivery; amount of water delivered; rate of water flow; number of acres irrigated; crop statistics; any other agreements allowed under 25 CFR part 171; and any additional information required by the local project office that provides your service. The information water users submit is for the purpose of obtaining or retaining a benefit, namely irrigation water.

Type of Review: Extension without change of currently approved collection.

Respondents: Water users of BIA irrigation project—individual and businesses.

Number of Respondents: 6,539 per year.

Number of Responses: 27,075 per year.

Estimated Time per Response: A range of 18 minutes to 6 hours, depending on the specific service being requested.

Frequency of Response: On occasion through the irrigation season, averaging approximately 2 times per year.

Estimated Total Annual Hour Burden: 14,059 hours.

Alvin Foster,
Assistant Director for Information Resources.
