SUPPLEMENTARY INFORMATION:

Notice of filing. The Commission hereby provides notice that on August 13, 2012, the Postal Service filed a Notice, pursuant to 39 CFR 3015.5, announcing its intention to change rates for Inbound International Expedited Services 2, effective January 1, 2013. The Notice does not include any classification changes. Notice at 3.

Representations. The Postal Service states that Governors’ Decision No. 08–20 established prices and classifications for this product and identifies subsequent dockets addressing price changes. Id. at 1–2. It also incorporates by reference (1) a previous explanation attributing the two-tiered rate structure for Inbound Expedited Services to the EMS Cooperative’s expectation that all members will participate in the Pay-for-Performance Plan, and (2) a 2012 listing of countries indicating which designated postal operators fall into each price tier. Id. at 2.

The Postal Service asserts that the new rates for Inbound International Expedited Services 2 are in compliance with the requirements of 39 U.S.C. 3633(a)(2) and that it has met its burden of providing notice to the Commission of changed rates within the scope of Governors’ Decision No. 11–6, as required by 39 U.S.C. 3632(b)(3). Id. at 3–4.

Attachments. The Notice includes an application for non-public treatment of materials filed under seal (Attachment 1). These materials include Governors’ Decision Nos. 08–20 and 11–6, the new rates, and financial work papers prepared to demonstrate compliance.
