Abstract of proposed collection:

The Application Under the Hague Convention on the Civil Aspects of International Child Abduction (DS-3013 and DS 3013-s) is used by parents or legal guardians who are asking the State Department's assistance in seeking the return of, or access to, a child or children alleged to have been wrongfully removed from or retained outside of the child's habitual residence and currently located in another country that is also party to the Hague Convention on the Civil Aspects of International Child Abduction. The application requests information regarding the identities of the applicant, the child or children, and the person alleged to have wrongfully removed or retained the child or children. In addition, the application requires that the applicant provide the circumstances of the alleged wrongful removal or retention and the legal justification for the request for return or access. The State Department, as the U.S. Central Authority, uses this information to establish, if possible, the applicants' claims under the Convention; to advise applicants about available remedies under the Convention; and to provide the information necessary to the foreign Central Authority in its efforts to locate the child or children, and to facilitate return of or access to the child or children pursuant to the Convention.

Methodology: The completed form DS-3013 and DS 3013-s may be submitted to the Office of Children's Issues by mail, by fax, or electronically through www.travel.state.gov.

Dated: August 10, 2012.
