

DEPARTMENT OF LABOR**Office of Workers' Compensation Programs****Proposed Extension of Existing Collection; Comment Request****ACTION:** Notice.

SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, conducts a preclearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) [44 U.S.C. 3506(c)(2)(A)]. This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently, the Office of Workers' Compensation Programs is soliciting comments concerning the proposed extension of the existing collection: Uniform Billing Form (OWCP-04). A copy of the proposed information collection request can be obtained by contacting the office listed below in the addresses section of this Notice.

DATES: Written comments must be submitted to the office listed in the addresses section below on or before October 26, 2012.

ADDRESSES: Ms Yoon Ferguson, U.S. Department of Labor, 200 Constitution Ave. NW., Room S-3201, Washington, DC 20210, telephone (202) 693-0701, fax (202) 693-2447, Email ferguson.yoon@dol.gov. Please use only one method of transmission for comments (mail, fax, or Email).

SUPPLEMENTARY INFORMATION:**I. Background**

The Office of Workers' Compensation Programs (OWCP) is the agency responsible for administration of the Federal Employees' Compensation Act (FECA), 5 U.S.C. 8101 et seq., the Black Lung Benefits Act (BLBA), 30 U.S.C. 901 et seq., and the Energy Employees Occupational Illness Compensation Program Act of 2000 (EEOICPA), 42 U.S.C. 7384 et seq. All three of these statutes require that OWCP pay for medical treatment of beneficiaries; this medical treatment can include inpatient/outpatient hospital services, as well as services provided by nursing homes, skilled nursing facilities and

home health aides in the home. In order to determine whether billed amounts are appropriate, OWCP needs to identify the patient, the specific services that were rendered and their relationship to the work-related injury or illness. The regulations implementing these statutes require the use of Form OWCP-04 or UB-04 for the submission of medical bills from institutional providers (20 CFR 10.801, 30.701, 725.405, 725.406, 725.701 and 725.704). The Uniform Billing form, known as the paper UB-04, has been approved by the American Hospital Association, the Centers for Medicare and Medicaid Services and the Civilian Health and Medical Program of Uniformed Services (CHAMPUS), by various other government health care providers, and the private sector to request payment to institutional providers of medical services. The paper UB-04 has been designed by the National Uniform Billing Committee and is neither a government-printed form nor distributed by OWCP. However, this collection includes the paper UB-04 as a collection instrument, with detailed instructions prepared by OWCP to ensure that it obtains only the information needed to consider requests for payment from institutional providers using this billing form. This information collection is currently approved for use through November 30, 2012.

II. Review Focus

The Department of Labor is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

III. Current Actions

The Department of Labor seeks the approval of the extension of this currently approved information

collection in order to carry out its responsibility to provide payment for covered medical services to beneficiaries who are covered under FECA, BLBA and EEOICPA.

BILLING CODE 4510-CR-P

LIBRARY OF CONGRESS**Copyright Royalty Board****Notice of Intent To Audit**

AGENCY: Copyright Royalty Board, Library of Congress.

ACTION: Public notice.

SUMMARY: The Copyright Royalty Judges are announcing receipt of two notices of intent to audit the 2009, 2010, and 2011 statements of account submitted by DKCM, Inc. and Greater Media, Inc., concerning the royalty payments made by each pursuant to two statutory licenses.

FOR FURTHER INFORMATION CONTACT: LaKeshia Keys, Program Specialist, by telephone at (202) 707-7658 or email at crb@loc.gov.

SUMMARY INFORMATION: The Copyright Act, title 17 of the United States Code, grants to copyright owners of sound recordings the exclusive right to perform publicly sound recordings by means of certain digital audio transmissions, subject to certain limitations. Specifically, this right is limited to two statutory licenses. The

section 114 license allows the public performance of sound recordings by means of digital audio transmissions by nonexempt noninteractive digital subscription services and eligible nonsubscription services. 17 U.S.C. 114(f). The second license allows a service to make any necessary ephemeral reproductions to facilitate the digital transmission of the sound recording. 17 U.S.C. 112(e).

Licensees may operate under these licenses provided they pay the royalty fees and comply with the terms set by the Copyright Royalty Judges. The rates and terms for the section 112 and 114 licenses are set forth in 37 CFR part 380. As part of the terms set for these licenses, the Judges designated SoundExchange, Inc., as the organization charged with collecting the royalty payments and statements of account submitted by eligible nonsubscription services such as, among others, Commercial Webcasters and Broadcasters, and distributing the royalties to the copyright owners and performers entitled to receive such royalties under the section 112 and 114 licenses. 37 CFR 380.4(b)(1) (Commercial Webcasters), 380.13(b)(1) (Broadcasters). As the designated Collective, SoundExchange may conduct a single audit of a licensee for any calendar year for the purpose of verifying their royalty payments. SoundExchange must first file with the Judges a notice of intent to audit a licensee and serve the notice on the licensee to be audited. 37 CFR 380.6(c), 380.15(c).

On August 8, 2012, SoundExchange filed with the Judges separate notices of intent to audit DKCM, Inc., a Commercial Webcaster, and Greater Media, Inc., a Broadcaster, for the years 2009, 2010, and 2011. Sections 380.6(c) and 380.15(c) require the Judges to publish a notice in the **Federal Register** within 30 days of receipt of the notice announcing the Collective's intent to conduct an audit.

In accordance with §§ 380.6(c) and 380.15(c), the Copyright Royalty Judges are publishing today's notice to fulfill this requirement with respect to SoundExchange's respective notices of intent to audit DKCM, Inc., and Greater Media, Inc., each filed August 8, 2012.

Dated: August 22, 2012.

Suzanne M. Barnett,
Chief Copyright Royalty Judge.
