Committee members shall be appointed by the Secretary of Defense and their appointments will be renewed on an annual basis. Those members, who are not full-time or permanent part-time federal officers or employees, shall be appointed as experts and consultants under the authority of 5 U.S.C. 3109 and serve as special government employees. With the exception of travel and per diem for official Committee related travel, Committee members shall serve without compensation, unless authorized by the Secretary of Defense.

Committee members may be appointed for term of service ranging from one-to-two years. Unless authorized by the Secretary of Defense, no member may serve more than two consecutive terms of service. This same term of service limitation also applies to any DoD authorized subcommittees.

The Secretary of Defense, based upon the recommendation of the Under Secretary of Defense for Acquisition, Technology, and Logistics, shall appoint the Committee’s Chairperson from the total Committee membership. The Under Secretary of Defense Acquisition, Technology, and Logistics, shall appoint the Vice Chairperson, based on the recommendation of the Director, MDA. The Committee Chairperson and Vice Chairperson may serve a term of service of one-to-two years and may serve more than one term of service, not to exceed two terms, and not to exceed their maximum allowed membership on the Committee; however, with the concurrence of the appointing authority, may be reappointed in these positions for additional terms.

Non-voting experts and consultants shall serve terms of appointments as determined by the Under Secretary of Defense for Acquisition, Technology, and Logistics, according to DoD policy/procedures. Non-voting experts and consultants appointed by the Under Secretary of Defense for Acquisition, Technology, and Logistics shall not count toward the Committee’s total membership.

Each Committee member is appointed to provide advice on behalf of the government on the basis of his or her best judgment without representing any particular point of view and in a manner that is free from conflict of interest.

The Department, when necessary and consistent with the Committee’s mission and DoD policies and procedures, may establish subcommittees to support the Committee. Establishment of subcommittees will be based upon a written determination, to include terms of reference, by the Secretary of Defense, the Deputy Secretary of Defense, or the Under Secretary of Defense for Acquisition, Technology, and Logistics.

These subcommittees have no authority to make decisions on behalf of the chartered Committee; nor can any subcommittee or its members update or report directly to the DoD or any Federal officers or employees who are not Committee members.

All subcommittee members shall be appointed in the same manner as the Committee members; that is, the Secretary of Defense shall appoint subcommittee members even if the member in question is a Committee member. Subcommittee members, with the approval of the
Secretary of Defense, may serve a term of service on the subcommittee of one-to-two years, with annual renewals. No member shall serve more than two consecutive terms of service on the subcommittee; however, with the concurrence of the appointing authority, may be reappointed in these positions for additional terms.
