I. Overview

FTA is updating its Title VI Circular, last revised in 2007, to clarify what recipients must do to comply with the U.S. Department of Transportation (DOT) Title VI regulations. This notice provides a summary of changes to FTA Circular 4702.1A, "Title VI and Title VI—Dependent Guidelines for FTA Recipients," addresses comments received in response to the September 29, 2011, **Federal Register** notice (76 FR 60593), and provides information regarding implementation of the final Circular. The final Circular, 4702.1B, "Title VI Requirements and Guidelines for Federal Transit Administration Recipients" becomes effective on October 1, 2012, and supersedes FTA Circular 4702.1A.

FTA conducted extensive outreach related to the proposed circular. FTA sponsored Information Sessions in five cities around the country regarding the proposed revisions to the Title VI Circular and proposed a new Environmental Justice Circular (see docket FTA-2011-0055 for more information on the proposed and final Environmental Justice Circular). The meetings provided a forum for FTA staff to make presentations about the two proposed circulars and allowed attendees an opportunity to ask clarifying questions. In addition, FTA participated in various conferences occurring in October and November 2011, and hosted several webinars. FTA received approximately 117 written comments to the docket related to the proposed Title VI Circular from providers of public transportation, State Departments of Transportation, advocacy groups, individuals, metropolitan planning organizations, and transit industry groups. Some comments were submitted on behalf of multiple entities.
