

States in the international economy, the international reputation of the United States as a supplier of goods and technology; and

6. The ability of the United States to effectively enforce the controls.

BIS is particularly interested in receiving comments on the economic impact of proliferation controls. BIS is also interested in industry information relating to the following:

1. Information on the effect of foreign policy-based export controls on sales of U.S. products to third countries (*i.e.*, those countries not targeted by sanctions), including the views of foreign purchasers or prospective customers regarding U.S. foreign policy-based export controls.

2. Information on controls maintained by U.S. trade partners. For example, to what extent do U.S. trade partners have similar controls on goods and technology on a worldwide basis or to specific destinations?

3. Information on licensing policies or practices by our foreign trade partners that are similar to U.S. foreign policy based export controls, including license review criteria, use of conditions, and requirements for pre- and post-shipment verifications (preferably supported by examples of approvals, denials and foreign regulations).

4. Suggestions for bringing foreign policy-based export controls more into line with multilateral practice.

5. Comments or suggestions to make multilateral controls more effective.

6. Information that illustrates the effect of foreign policy-based export controls on trade or acquisitions by intended targets of the controls.

7. Data or other information on the effect of foreign policy-based export controls on overall trade at the level of individual industrial sectors.

8. Suggestions for measuring the effect of foreign policy-based export controls on trade.

9. Information on the use of foreign policy-based export controls on targeted countries, entities, or individuals. BIS is also interested in comments relating generally to the extension or revision of existing foreign policy-based export controls.

Parties submitting comments are asked to be as specific as possible. All comments received before the close of the comment period will be considered by BIS in reviewing the controls and in developing the report to Congress. All comments received in response to this notice will be displayed on BIS's Freedom of Information Act (FOIA) Web site at <http://www.bis.doc.gov/foia> and on the Federal e-Rulemaking portal at www.Regulations.gov. All comments

will also be included in a report to Congress, as required by section 6 of the EAA, which directs that BIS report to Congress the results of its consultations with industry on the effects of foreign policy-based controls.

Executive-Led Indonesia Vietnam Infrastructure Business Development Mission Statement—Clarification and Amendment

AGENCY: International Trade Administration, Department of Commerce.

ACTION: Notice.

SUMMARY: The United States Department of Commerce, International Trade Administration, U.S. and Foreign Commercial Service (CS) is publishing this supplement to the Notice of the Executive-Led Indonesia Vietnam Infrastructure Business Development Mission Statement, 77 FR, No. 131, July 9, 2012, to amend the Notice to revise the dates of the application deadline from August 31, 2012 to the new deadline of September 21, 2012.

SUPPLEMENTARY INFORMATION:

Amendments to Revise the Dates and Provide for Selection of Applicants on a Rolling Basis:

Background

Recruitment for this Mission began in July 2012. Due to summer holidays, it has been determined that an additional time is needed to allow for additional recruitment and marketing in support of the mission. Applications will now be accepted through September 21, 2012 (and after that date if space remains and scheduling constraints permit), interested U.S. infrastructure firms and trade organizations which have not already submitted an application are encouraged to do so.

Amendments

1. For the reasons stated above, the *Timeframe for Recruitment and Applications* section of the Notice of the Indonesia Vietnam Infrastructure Business Development Mission

Statement, 77 FR, No. 131, July 9, 2012, is amended to read as follows:

Timeframe for Recruitment and Applications

Mission recruitment will be conducted in an open and public manner, including publication in the **Federal Register**, posting on the Commerce Department trade mission calendar (<http://export.gov/trademissions>) and other Internet Web sites, press releases to general and trade media, direct mail, notices by industry trade associations and other multiplier groups, and publicity at industry meetings, symposia, conferences, and trade shows. Recruitment for this mission will conclude no later than September 21, 2012. The U.S. Department of Commerce will review applications and make selection decisions on a rolling basis beginning August 31, 2011. We will inform all applicants of selection decisions no later than October 5, 2012. Applications received after the September 21, 2012 deadline will be considered only if space and scheduling constraints permit.

Light-Walled Rectangular Pipe and Tube From Mexico: Preliminary Results and Partial Rescission of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: In response to requests for an administrative review by two respondent parties, Maquilacero S.A. de C.V. (Maquilacero) and Regiomontana de Perfiles y Tubos S.A. de C.V. (Regiopytsa), the Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on light-walled rectangular pipe and tube (LWR pipe and tube) from Mexico. For these preliminary results, we have found that neither company sold subject

merchandise at less than normal value during the period of review, which covers August 1, 2010, through July 31, 2011. If these preliminary results are adopted in our final results of administrative review, we will issue appropriate assessment instructions to U.S. Customs and Border Protection (CBP).

DATES: *Effective Date:* September 7, 2012.

FOR FURTHER INFORMATION CONTACT:

Dena Crossland (Maquilacero) or Edythe Artman (Regiopytsa), AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-3362 or (202) 482-3931, respectively.

SUPPLEMENTARY INFORMATION:

Background

The Department published a notice of opportunity to request an administrative review of the order on LWR pipe and tube from Mexico on August 1, 2011.¹ Two respondents, Maquilacero and Regiopytsa, requested a review of their own entries of subject merchandise for the period of review. Hence, the Department published a notice of initiation of the review on October 3, 2011.²

Both Maquilacero and Regiopytsa submitted responses to the Department's antidumping questionnaire and responses to subsequent requests for additional information. The petitioner filed no comments on these responses.

Extension of Preliminary Results

On May 10, 2012, the Department published a notice extending the time limit for issuing the preliminary results of review by 120 days.³ The extension notice established the deadline of August 30, 2012, for these preliminary results.

Period of Review

The period of review is August 1, 2010, through July 31, 2011.
