## DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5603-N-62]

### Notice of Submission of Proposed Information Collection to OMB Disaster Recovery Grant Reporting System

**AGENCY:** Office of the Chief Information Officer, HUD

**ACTION:** Notice.

**SUMMARY:** The proposed information collection requirement described below has been submitted to the Office of Management and Budget (OMB) for review, as required by the Paperwork Reduction Act. The Department is soliciting public comments on the subject proposal.

The Disaster Recovery Grant Reporting (DRGR) System is a grants management system used by the Office of Community Planning and Development to monitor special appropriation grants under the Community Development Block Grant program. This collection pertains to Community Development Block Grant Disaster Recovery (CDBG-DR) and Neighborhood Stabilization Program (NSP) grant appropriations. The CDBG program is authorized under Title I of the Housing and Community Development Act of 1974, as amended. Following major disasters, Congress appropriates supplemental CDBG funds for disaster recovery. According to Section 104(e)(1) of the Housing and Community Development Act of 1974, HUD is responsible for reviewing grantees' compliance with applicable requirements and their continuing capacity to carry out their programs. Grant funds are made available to states and units of general local government, Indian tribes, and insular areas, unless provided otherwise by supplemental appropriations statute, based on their unmet disaster recovery needs.

The Neighborhood Stabilization Program (NSP) was established for the purpose of stabilizing communities that have suffered as a result of foreclosures and property abandonment. On July 21, 2010, President Obama signed the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act) into law (Pub. L. 111-203). This law provides \$1 billion of formula grant funding for the redevelopment of foreclosed and abandoned homes to be allocated under the terms of Title XII, Division A, Section 2 of the American Recovery and Reinvestment Act (Recovery Act) and by the formula factors provided in Title III of Division B of the Housing and Economic Recovery Act of 2008 (Pub. L. 110-289) (HERA). In 2008, HERA provided for an initial round of formula funding to regular State and entitlement Community Development Block Grant (CDBG) grantees through the Neighborhood Stabilization Program (NSP).<sup>1</sup> The Recovery Act provided for a neighborhood stabilization grant competition open to state and local governments, as well as non-profit groups and consortia that may include for-profit entities (NSP2).<sup>2</sup> The Dodd-Frank Act is the third round of Neighborhood Stabilization Funding (NSP3). Although NSP funds are otherwise to be considered CDBG funds, HERA, the Recovery Act and the Dodd-Frank Act make substantive revisions to the eligibility, use, and method of distribution of NSP3 funds. For NSP1 and NSP3, grantees are required to submit substantial amendments to their consolidated plans to secure funding they are entitled to under the formula grants. NSP3 Technical Assistance grants were appropriated under Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act) (Pub. L. 111-203). Grantees were selected through a competitive process set forth in the NSP3-TA Notice of Funding Availability (NOFA),<sup>3</sup> with the purpose of assessing the need for technical assistance and targeting technical assistance in order to achieve the highest level of performance and results for the programs administered by HUD's Office of Community Planning and Development. Eligible applicants include states, units of local government, public housing authorities,

non-profit organizations, for-profit entities, and joint applicants NSP-TA grants. CDBG-DR and NSP grant funds are made available to states and units of general local government, Indian tribes, and insular areas, unless provided otherwise by supplemental appropriations statute. NSP-TA grant funds are awarded on a competitive basis and are open to state and local governments, as well as non-profit groups and consortia that may include for-profit entities.

**DATES:** *Comments Due Date:* October 12, 2012.

Comments should refer to the proposal by name and/or OMB approval Number (2506-0165) and should be sent to: HUD Desk Officer, Office of Management and Budget, New Executive Office Building, Washington, DC 20503; fax: 202-395-5806. ## DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5639-N-02]

### Notice of Regulatory Waiver Requests Granted for the Second Quarter of Calendar Year 2012

**AGENCY:** Office of the General Counsel, HUD.

**ACTION:** Notice.

**SUMMARY:** Section 106 of the Department of Housing and Urban Development Reform Act of 1989 (the HUD Reform Act) requires HUD to publish quarterly **Federal Register** notices of all regulatory waivers that HUD has approved. Each notice covers the quarterly period since the previous **Federal Register** notice. The purpose of this notice is to comply with the requirements of section 106 of the HUD Reform Act. This notice contains a list of regulatory waivers granted by HUD during the period beginning on April 1, 2012, and ending on June 30, 2012.

**FOR FURTHER INFORMATION CONTACT:** For general information about this notice, contact Camille E. Acevedo, Associate General Counsel for Legislation and Regulations, Department of Housing and Urban Development, 451 Seventh Street SW., Room 10282, Washington, DC 20410-0500, telephone 202-708-1793 (this is not a toll-free number). Persons with hearing- or speech-impairments may access this number through TTY by calling the toll-free Federal Information Relay Service at 800-877-8339.

For information concerning a particular waiver that was granted and for which public notice is provided in this document, contact the person whose name and address follow the description of the waiver granted in the accompanying list of waivers that have been granted in the second quarter of calendar year 2012.

**SUPPLEMENTARY INFORMATION:** Section 106 of the HUD Reform Act added a new section 7(q) to the Department of Housing and Urban Development Act

(42 U.S.C. 3535(q)), which provides that:

1. Any waiver of a regulation must be in writing and must specify the grounds for approving the waiver;

2. Authority to approve a waiver of a regulation may be delegated by the Secretary only to an individual of Assistant Secretary or equivalent rank, and the person to whom authority to waive is delegated must also have authority to issue the particular regulation to be waived;

3. Not less than quarterly, the Secretary must notify the public of all waivers of regulations that HUD has approved, by publishing a notice in the **Federal Register**. These notices (each covering the period since the most recent previous notification) shall:

- a. Identify the project, activity, or undertaking involved;
- b. Describe the nature of the provision waived and the designation of the provision;
- c. Indicate the name and title of the person who granted the waiver request;
- d. Describe briefly the grounds for approval of the request; and
- e. State how additional information about a particular waiver may be obtained.

Section 106 of the HUD Reform Act also contains requirements applicable to waivers of HUD handbook provisions that are not relevant to the purpose of this notice.

This notice follows procedures provided in HUD's Statement of Policy on Waiver of Regulations and Directives issued on April 22, 1991 (56 FR 16337). In accordance with those procedures and with the requirements of section 106 of the HUD Reform Act, waivers of regulations are granted by the Assistant Secretary with jurisdiction over the regulations for which a waiver was requested. In those cases in which a General Deputy Assistant Secretary granted the waiver, the General Deputy Assistant Secretary was serving in the absence of the Assistant Secretary in accordance with the office's Order of Succession.

This notice covers waivers of regulations granted by HUD from April 1, 2012 through June 30, 2012. For ease of reference, the waivers granted by HUD are listed by HUD program office (for example, the Office of Community Planning and Development, the Office of Fair Housing and Equal Opportunity, the Office of Housing, and the Office of Public and Indian Housing, etc.). Within each program office grouping, the waivers are listed sequentially by the regulatory section of title 24 of the Code of Federal Regulations (CFR) that is being waived. For example, a waiver of

a provision in 24 CFR part 58 would be listed before a waiver of a provision in 24 CFR part 570.

Where more than one regulatory provision is involved in the grant of a particular waiver request, the action is listed under the section number of the first regulatory requirement that appears in 24 CFR and that is being waived. For example, a waiver of both § 58.73 and § 58.74 would appear sequentially in the listing under § 58.73.

Waiver of regulations that involve the same initial regulatory citation are in time sequence beginning with the earliest-dated regulatory waiver.

Should HUD receive additional information about waivers granted during the period covered by this report (the second quarter of calendar year 2012) before the next report is published (the third quarter of calendar year 2012), HUD will include any additional waivers granted for the second quarter in the next report.

Accordingly, information about approved waiver requests pertaining to HUD regulations is provided in the Appendix that follows this notice.

Dated: September 6, 2012.

**Helen R. Kanovsky,**  
*General Counsel.*
