Action Subject to Intergovernmental Review

AGENCY: Office of Surface Mining Reclamation and Enforcement, Interior.

ACTION: Notice.

SUMMARY: We, the Office of Surface Mining Reclamation and Enforcement, are notifying the public that we intend to grant funds to eligible applicants for purposes authorized under the Abandoned Mine Land (AML) Reclamation Program. Additionally we are notifying the public that we intend to grant funds to eligible applicants for regulating coal mining within their jurisdictional borders. We will award these grants after October 1, 2012. Eligible applicants are those states and tribes with a regulatory program or reclamation plan approved under the Surface Mining Control and Reclamation Act of 1977 (SMCRA), 30 U.S.C. 1201 et seq., and the State of Tennessee. Under Executive Order (E.O.) 12372, we must provide state and tribal officials the opportunity to review and comment on proposed federal financial assistance activities. Of the eligible applicants, twenty states and tribes do not have single points-of-contact under the E.O. 12372 review process; therefore, we are required to publish this notice as an alternate means of notification.

Description of the AML Program

SMCRA established the Abandoned Mine Reclamation Fund to receive the AML fees used to finance reclamation of AML coal mine sites. Grants to eligible states and tribes are funded from permanent (mandatory) appropriations. Recipients use these funds to reclaim the highest priority AML coal mine sites that were left abandoned prior to the enactment of SMCRA in 1977, eligible non-coal sites, and for non-reclamation projects.

Supplementary Information:
