

revised process plan and schedule, as well as a list of issues, identified through the scoping process.

Site Visit

Pennamaquan Power will conduct a site visit for the proposed project on Thursday, October 25, 2012, starting at 1 p.m. The site visit will begin at the boat ramp parking lot on Boat Landing Road (off of Garnet Head Road), Pembroke, Maine 04666. For information about the meeting location for the site visit, please call Ramez Atiya from Pennamaquan Power at 801-583-1054.

Meeting Objectives

At the scoping meetings, staff will: (1) Initiate scoping of the issues; (2) review and discuss existing conditions and resource management objectives; (3) review and discuss existing information and identify preliminary information and study needs; (4) review and discuss the process plan and schedule for pre-filing activity that incorporates the time frames provided for in Part 5 of the Commission's regulations and, to the extent possible, maximizes coordination of federal, state, and tribal permitting and certification processes; and (5) discuss the appropriateness of any federal or state agency or Indian tribe acting as a cooperating agency for development of an environmental document.

Meeting participants should come prepared to discuss their issues and/or concerns. Please review the PAD in preparation for the scoping meetings. Directions on how to obtain a copy of the PAD and SD1 are included in item n. of this document.

Meeting Procedures

The meetings will be recorded by a stenographer and will be placed in the public records of the project.

Dated: September 14, 2012.
