Certain Video Game Systems and Wireless Controllers and Components Thereof; Notice of Request for Statements on the Public Interest

ACTION: Notice.

SUMMARY: Notice is hereby given that the presiding administrative law judge has issued a Final Initial Determination and Recommended Determination on Remedy and Bonding in the above-captioned investigation. The Commission is soliciting comments on public interest issues raised by the recommended relief, specifically a limited exclusion order and a cease and desist order against certain video game systems and wireless controllers and components thereof, imported by respondent Nintendo Co., Ltd., of Kyoto, Japan and Nintendo America, Inc. of Redmond, Washington (collectively, “Nintendo”).

General information concerning the Commission may also be obtained by accessing its Internet server (http://www.usitc.gov). Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission’s TDD terminal on (202) 205–1810.

SUPPLEMENTARY INFORMATION: Section 337 of the Tariff Act of 1930 provides that if the Commission finds a violation it shall exclude the articles concerned from the United States:

unless, after considering the effect of such exclusion upon the public health and welfare, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, and United States consumers, it finds that such articles should not be excluded from entry.

The Commission is interested in further development of the record on the public interest in these investigations. Accordingly, members of the public are invited to file submissions of no more than five (5) pages, inclusive of attachments, concerning the public interest in light of the administrative law judge’s Recommended Determination on Remedy and Bonding issued in this investigation on August 31, 2012. Comments should address whether issuance of a limited exclusion order in this investigation would affect the public health and welfare in the United States, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, or United States consumers.

In particular, the Commission is interested in comments that:

(i) Explain how the articles potentially subject to the recommended orders are used in the United States;
(ii) Identify any public health, safety, or welfare concerns in the United States relating to the recommended orders;
(iii) Identify like or directly competitive articles that complainant, its licenses, or third parties make in the United States which could replace the subject articles if they were to be excluded;
(iv) Indicate whether complainant, complainant’s licensee, or third party suppliers have the capacity to replace the volume of articles potentially subject to the recommended exclusion order and/or a cease and desist order within a commercially reasonable time; and
(v) Explain how the limited exclusion order would impact consumers in the United States.

Written submissions must be filed no later than by close of business on October 10, 2012.

Persons filing written submissions must file the original document electronically on or before the deadlines stated above and submit 8 true paper copies to the Office of the Secretary by noon the next day pursuant to section 210.4(f) of the Commission’s Rules of Practice and Procedure (19 CFR 210.4(f)). A redacted non-confidential version of the document must also be filed simultaneously with the any confidential filing. All non-confidential written submissions will be available for public inspection at the Office of the Secretary and on EDIS.
