[Federal Register 2012, No. 187, Thursday, September 27, 2012, Pages 51228–51231] From the Rules and Regulations of the Federal Maritime Commission, and by adding section 180.1035 to part 180, as follows:

FEDERAL MARITIME COMMISSION
46 CFR Part 501
[Docket No. 12–08]
RIN 3072–AC50
Reporting and Supervision of Inspector General
September 20, 2012.
AGENCY: Federal Maritime Commission.
ACTION: Final rule.

SUMMARY: The Federal Maritime Commission (FMC or Commission) amends its regulations relating to agency organization to reflect changes in reporting requirements for the Office of Inspector General, implemented in the Dodd-Frank Wall Street Reform and Consumer Protection Act.

DATES: Effective Date: September 27, 2012.

FOR FURTHER INFORMATION CONTACT: Rebecca A. Fenneman, General Counsel, Federal Maritime Commission, 800 North Capitol Street NW., Washington, DC 20573, (202) 523–5740, GeneralCounsel@fmc.gov.

SUPPLEMENTARY INFORMATION: The FMC amends Part 501 of Title 46 of the Code of Federal Regulations to reflect a change in reporting requirements for Inspectors General of Designated Federal Entities, implemented in the Dodd-Frank Wall Street Reform and Consumer Protection Act, Public Law 111–203, 124 Stat. 1376, July 21, 2010 (Dodd-Frank). In Dodd-Frank, signed into law on July 21, 2010, Congress amended Section 8G of the Inspector General Act of 1978 (IG Act), to provide, as pertinent here, that the term “head of the designated Federal entity” means “the board or commission of the designated Federal entity.” Public Law 111–203, sec. 899B (1)(A), 124 Stat. 1376, 1945. Because Section 8G of the IG Act provides that Inspectors General report to and are under the general supervision of the head of a designated Federal entity, the effect of the changed definition of “head of the designated Federal entity” in the Dodd-Frank amendment is that the FMC’s Inspector General reports to and is under the general supervision of the entire Commission. This change in the reporting and supervision of the Inspector General necessitates minor amendments in the Commission’s rules dealing with lines of responsibility (46 CFR 501.4), and functions of the organizational components of the Commission (46 CFR 501.5).

With respect to lines of responsibility, 46 CFR 501.4(a) is amended to eliminate the Office of Inspector General from the list of offices that report to the Chairman, and a new paragraph, 46 CFR 501.4(b), is added to reflect that the Inspector General reports to the Commission. With regard to functions of organizational components of the Commission, 46 CFR 501.5(a), which sets out the functions of the Chairman, is amended to eliminate the Office of Inspector General from the list of offices that receive management direction from the Chairman, to remove 46 CFR 501.5(a)(2) from this section, and to renumber 46 CFR 501.5(a)(3) and 46 CFR 501.5(a)(4) as 46 CFR 501.5(a)(2) and 46 CFR 501.5(a)(3) respectively. Finally, 46 CFR 501.5(b), which sets out the functions of the Commissioners, is amended by adding language providing that the Inspector General reports to and is under the general supervision of the Commission, and by adding section 501.5(b)(1) to describe the functions of the Office of Inspector General.

Because the changes made in this Final Rule address only internal agency organization, which do not require notice and public comment pursuant to the Administrative Procedure Act, 5 U.S.C. 553, this rule is published as final. This rule is not a “major rule” under 5 U.S.C. 804(2).
