The existing homeless assistance programs that comprise the Continuum of Care program are the following: the Supportive Housing program, the Shelter Plus Care program, and the Moderate Rehabilitation/Single Room Occupancy (SRO) program.

The July 31, 2012, interim rule solicited public comment through October 1, 2012. In response to requests to provide additional time to comment on the rule, HUD is extending the public comment period to November 16, 2012.

Background

This document amends 26 CFR part 1 to provide additional rules relating to the new markets tax credit under section 45D of the Internal Revenue Code (Code). On June 7, 2011, a notice of proposed rulemaking and notice of public hearing (REG–101826–11) was published in the Federal Register (76 FR 32882). The IRS received comments responding to the notice of proposed rulemaking and held a public hearing on September 29, 2011. After consideration of all the comments, the proposed regulations are adopted as amended by this Treasury decision. The comments are discussed in the preamble.

General Overview

Under section 45D(a)(1), a taxpayer may claim a new markets tax credit on certain credit allowance dates described in section 45D(a)(3) over a 7-year credit period with respect to a qualified equity investment in a qualified community development entity (CDE) described in section 45D(c).

Under section 45D(b)(1), an equity investment in a CDE is a qualified equity investment if, among other requirements: (A) the investment is acquired by the taxpayer at its original issue (directly or through an underwriter) solely in exchange for cash, (B) substantially all of the cash is used by the CDE to make qualified low-income community investments, and (C) the investment is designated for purposes of section 45D by the CDE.

Under section 45D(b)(2), the maximum amount of equity investments issued by a CDE that may be designated by the CDE as qualified equity investments shall not exceed the portion of the new markets tax credit limitation set forth in section 45D(f)(1) that is allocated to the CDE by the Secretary under section 45D(f)(2).

Section 45D(c)(1) provides that a domestic corporation or partnership is a CDE if (A) the primary mission of the entity is serving, or providing investment capital for, low-income communities or low-income persons, (B) the entity maintains accountability to residents of low-income communities through their representation on any governing board of the entity or on any advisory board to the entity, and (C) the entity is certified by the Secretary as a CDE.

Section 45D(d)(1) defines qualified low-income community investment to mean: (A) Any capital or equity investment in, or loan to, any qualified active low-income community business (as defined in section 45D(d)(2)), (B) the purchase from another CDE of any loan made by such entity that is a qualified low-income community investment, (C) financial counseling and other services specified in regulations prescribed by the Secretary to businesses located in, and residents of, low-income communities, and (D) any equity investment in, or loan to, any CDE.

Under section 45D(d)(2)(A), a qualified active low-income community business is any corporation (including a nonprofit corporation) or partnership if for such year, among other requirements, (i) at least 50 percent of the total gross income of the entity is derived from the active conduct of a qualified business within any low-income community, (ii) a substantial portion of the use of the tangible property of the entity (whether owned or leased) is within any low-income community, and (iii) a substantial portion of the services performed for the entity by its employees are performed in any low-income community.
