BILLING CODE 6717–01–P

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Project No. 1940–000 Wisconsin; Project No. 1966–000 Wisconsin]

Wisconsin Public Service Corporation; Notice of Environmental Site Review

In anticipation of the filing of Notices of Intent (NOI) and Pre-Application Documents for the Grandfather Falls Hydroelectric Project No. 1966 and Tomahawk Hydroelectric Project No. 1940 owned and operated by Wisconsin Public Service Corporation and located on the Wisconsin River in Lincoln

County, Wisconsin, the Federal Energy Regulatory Commission (Commission) staff will be hosting environmental site reviews during the third week of October 2012.

The environmental site reviews are being held to provide Commission staff and all stakeholders interested in the projects' pending relicensing proceedings, an opportunity to view the projects' facilities and surrounding areas.

Under the Commission's Integrated Licensing Process, Commission staff conducts its National Environmental Policy Act (NEPA) scoping meetings within 90 days of the filing of an applicant's Notice of Intent. An environmental site review is typically held in conjunction with the scoping meetings. However, in this instance, access to some project facilities and viewing of areas with native vegetation may be limited by winter weather during the latter part of 2012 when scoping for the projects is currently anticipated. For this reason, Commission staff has chosen to conduct the environmental site reviews in October before the onset of winter and when natural vegetation is still apparent. Therefore, Commission staff will not conduct any environmental site reviews at the time of the scoping meetings. The Commission staff encourages all interested parties to participate in the October environmental site reviews to facilitate productive scoping meetings tentatively anticipated for later this year. Details of the project-specific environmental site reviews follow.

Tomahawk Hydroelectric Project No. 1940

- Tour of Tomahawk Project Facilities

Date and Time: October 16, 2012 at 9 a.m.

Location: Tomahawk Project Powerhouse, W6080 Pride Ponds Road, Tomahawk, WI 54487.
