Partial Rescission of the Administrative Review

On September 30, 2011, we received timely requests for an administrative review of this countervailing duty order from Fengchi Imp. and Exp. Co., Ltd. of Haicheng City and Fengchi Refractories Co., of Haicheng City (collectively, Fengchi), and U.S. importer Vesuvius USA Corporation for subject merchandise imported from PRC exporter, Yingkou Bayuquan Refractories Co., Ltd. [BRC].1 Also, on September 30, 2011, the Department received a timely request, in accordance with 19 CFR 351.213(b), for an administrative review of 129 companies from Resco Products, Inc. [Petitioner].2 The Petitioner’s request included Fengchi and BRC. On October 31, 2011, the Department published a notice of initiation of administrative review.3 Fengchi and BRC timely withdrew their self-request for reviews on January 27, 2012, and January 30, 2012, respectively.4 On February 21, 2012, we selected Fengchi and BRC as mandatory respondents in this review.5 Petitioner filed a letter on March 28, 2012, untimely withdrawing its request for all companies, except the two mandatory respondent companies (Fengchi and BRC), for which it requested reviews.6

Pursuant to section 351.213(d)(1) of the Department’s regulations, a party that has requested a review may withdraw that request within 90 days of the date of publication of the notice of initiation of the requested review.7 The regulation provides that the Department may extend this time if it is reasonable to do so.8 In the Initiation Notice, interested parties were advised that, with regard to reviews requested on the basis of anniversary months on or after August 2011, the Department does not intend to extend the 90-day deadline unless the requestor demonstrates that an extraordinary circumstance has prevented it from submitting a timely withdrawal request.9 Determinations by the Department to extend the 90-day deadline will be made on a case-by-case basis. Because Petitioner did not demonstrate that extraordinary circumstances prevented it from timely withdrawing its requests for review, the Department has rejected Petitioner’s untimely request for withdrawal.

Pursuant to 19 CFR 351.213(d)(3), the Department may rescind a review where there are no exports, sales, or entries of subject merchandise during the respective POR. In the Initiation Notice, the Department stated that any company named in the notice of initiation that had no exports, sales, or entries during the period of review should notify the Department within 60 days of publication of the notice in the Federal Register.10 The Department subsequently received timely no-shipment certifications from the following companies: ANH (Xinyi) Refractories (ANH); RHI-Refactories Asia Pacific Pte. Ltd., RHI Refractories (Dalian) Co. Ltd., RHI Refractories Liaoning Co., Ltd., RHI Trading Shanghai Branch, and RHI Trading (Dalian) Co., Ltd. (RHI companies); Fengchi; and Yingkou New Century Refractories Ltd. (NCR).11 With the exception of Fengchi, because there is no evidence on the record to indicate that these companies had sales of subject merchandise during the POR, pursuant to 19 CFR 351.213(d)(3), the Department intends to rescind the review with respect to ANH, the five RHI companies, and NCR. A final decision regarding whether to rescind the review with respect to these companies will be made in the final results of this review. Information on the record shows that Fengchi did have sales of subject merchandise during the POR.12 Therefore, we are not rescinding the review with respect to Fengchi.

Methodology

The Department has conducted this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs under review, we preliminarily determine that there are countervailable subsidies, i.e., there is a government-provided financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific. See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and, section 771(5)(A) of the Act regarding specificity. In making these findings, we have relied on adverse facts available for the two mandatory respondents because these respondents did not act to the best of their ability to respond to the Department’s requests for information; as such, we have drawn an adverse inference in selecting from among the facts otherwise available. See sections 776(a) and (b) of the Act. With respect to the remaining companies for which we initiated reviews and that did not file no-shipment certifications, we will assign to entries made by such companies the all-others rate from the investigation. Accordingly, and consistent with section 705(c)(5)(A)(ii), we have relied upon the all-others rate from the investigation because the rates calculated for mandatory respondents in the preliminary results of this review are based entirely upon facts available. We consider the use of the all-others rate from the investigation, which was based upon a calculated rate for one of the mandatory respondents in the investigation, to be a “reasonable method” for calculating the all-others rate because it represents the only rate in the history of the CVD order on MCBs from the PRC that is not zero, de

An electronically filed document must be received successfully in its entirety by the Department’s electronic records system, IA ACCESS, by 5 p.m. Eastern Standard Time within 30 days after the date of publication of this notice.16 Requests should contain the party’s name, address, and telephone number, the number of participants, and a list of the issues to be discussed. If a request for a hearing is made, we will inform parties of the scheduled date for the hearing which will be held at the U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230, at a time and location to be determined.17 Parties should confirm by telephone the date, time, and location of the hearing.

Unless the deadline is extended pursuant to section 751(a)(2)(B)(iv) of the Act, the Department will issue the final results of this administrative review, including the results of our analysis of the issues raised by the parties in their comments, within 120 days after issuance of these preliminary results.

Assessment Rates and Cash Deposit Requirements

In accordance with 19 CFR 351.221(b)(4)(i), we assigned a subsidy rate for each producer/exporter subject to this administrative review. Upon issuing the final results of the review, the Department shall determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review if any individual assessment rate calculated in the final results of this review is above de minimis. For the companies that certified no shipments, the Department will instruct CBP to assess countervailing duties at the rate entered. The Department intends to issue assessment instructions to CBP 15 days after the date of publication of the final results of review.

Pursuant to section 751(a)(2)(C) of the Act, the Department also intends to instruct CBP to collect cash deposits of estimated countervailing duties at the rate of 262.80 percent ad valorem of the entered value on shipments of the subject merchandise produced and exported by Fengchi and BRC, and entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. Furthermore, for the remaining companies subject to this review, the cash deposit rate will be the all others rate from the investigation. We intend to instruct CBP to continue to collect cash deposits for non-reviewed companies at the applicable company-specific countervailing duty rate for the most recent period or at the all-others rate established in the investigation, as appropriate. These deposit rates, when imposed, shall remain in effect until further notice.

These preliminary results are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: October 1, 2012.
