SUMMARY: The Department of Labor (DOL) is submitting the Employment and Training Administration (ETA) sponsored information collection request (ICR) proposal titled, "Workforce Investment Act Adult and Dislocated Worker Programs Gold Standard Evaluation Follow-Up Surveys, Veterans Study, and Cost Data," to the Office of Management and Budget (OMB) for review and approval for use in accordance with the Paperwork Reduction Act (PRA) of 1995 (44 U.S.C. 3501 *et seq.*).

FOR FURTHER INFORMATION CONTACT: Michel Smyth by telephone at 202-693-4129 (this is not a toll-free number) or by email at DOL_PRA_PUBLIC@dol.gov.

Authority: 44 U.S.C. 3507(a)(1)(D).

SUPPLEMENTARY INFORMATION: This ICR covers two follow-up surveys conducted 15 and 30 months after randomly assigning a sample of approximately 6,000 Workforce Investment Act (WIA) customers included in the WIA Evaluation into control or treatment groups; cost data collected on three forms—a program costs questionnaire, a staff activity log, and a resource room sign-in sheet—for use in estimating the costs of WIA services received by sample members for the benefit-cost analysis; and collection of veterans data—consisting of qualitative data on veterans served at the 28 Local Workforce Investment Areas (LWIAs) participating in the WIA Evaluation. For the Veterans Supplemental Study (VSS) qualitative analysis, additional questions and several activities will be added to the WIA Evaluation's second round of site visits to the 28 LWIAs. A separate quantitative analysis will use two sets of administrative data that States already report to the DOL-WIA Standardized Record Data and Wagner-Peyser data. Because the data are already reported to the DOL, there is no additional burden associated with this quantitative data collection.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information if the collection of information does not display a valid Control Number.
