No FEAR Act Notice

The Act also requires the United States Department of Transportation (USDOT) to provide this Notice to all USDOT employees, former USDOT employees, and applicants for USDOT employment. This Notice is to inform you of the rights and protections available to you under Federal antidiscrimination and whistleblower protection laws.

Antidiscrimination Laws

If you believe you were a victim of unlawful discrimination on the bases of race, color, religion, sex, national origin, age, genetic information, and/or disability, you must contact an Equal Employment Opportunity (EEO) counselor within 45 calendar days of the alleged discriminatory action, or in the case of a personnel action, within 45 calendar days of the effective date of the action to try and resolve the matter informally. This must be done before filing a formal complaint of discrimination with USDOT (See, e.g., 29 CFR part 1614).

If you believe you were a victim of unlawful discrimination based on age, you must either contact an EEO counselor as noted above or give notice of intent to sue to the Equal Employment Opportunity Commission (EEOC) within 180 days of the alleged discriminatory action. As an alternative to filing a complaint pursuant to 29 CFR part 1614, you can file a civil action in a United States district court under the Age Discrimination in Employment Act (ADEA), against the head of an alleged discriminating agency, after giving the EEOC not less than a 30 day notice of the intent to file such action. You may file such notice in writing with the EEOC via mail at P.O. Box 77960, Washington, DC 20013, personal delivery, or facsimile within 180 days of the occurrence of the alleged unlawful practice.

If you are alleging discrimination based on marital status or political affiliation, you may file a written discrimination complaint with the U.S. Office of Special Counsel (OSC) (See Contact Information below). In the alternative (or in some cases, in addition), you may pursue a discrimination complaint by filing a grievance through the USDOT administrative or negotiated grievance procedures, if such procedures apply and are available. Form OSC–11 is available online at the OSC Web site http://www.osc.gov/index.htm, under the filing tab (Contact Information). Additionally, you can download the form under the same filing tab, under OSC Forms. Complete this form and mail it to the Complaints Examining Unit, U.S. Office of Special Counsel at 1730 M Street NW., Suite 218 Washington, DC 20036–4305. You also have the option to call the Complaints Examining Unit at (800) 872–9855 for additional assistance.

If you are alleging compensation discrimination pursuant to the Equal Pay Act (EPA), and wish to pursue your allegations through the administrative process, you must contact an EEO counselor within 45 calendar days of the alleged discriminatory action as such complaints are processed under EEOC’s regulations at 29 CFR part 1614. Alternatively, you may file a civil action in a court of competent jurisdiction within two years, or if the violation is willful, three years of the date of the alleged violation, regardless of whether you pursued administrative complaint processing. The filing of a complaint or appeal pursuant to 29 CFR part 1614 shall not toll the time for filing a civil action.

Whistleblower Protection Laws

A USDOT employee with authority to take, direct others to take, recommend, or approve any personnel action must reasonably believe that taking or failing to take, or threaten to take, or fail to take a personnel action against an employee or applicant because of a disclosure of information by that individual that is reasonably believed to evidence violations of law, rule, or regulation; gross mismanagement; gross waste of funds; an abuse of authority; or a substantial and specific danger to public health or safety, unless the disclosure of such information is specifically prohibited by law and such information is specifically required by Executive Order to be kept secret in the interest of national defense or the conduct of foreign affairs.

Retaliation against a USDOT employee or applicant for making a protected disclosure is prohibited (5 U.S.C. 2302(b)(8)). If you believe you are a victim of whistleblower retaliation, you may file a written complaint with the U.S. Office of Special Counsel at 1730 M Street, NW., Suite 218, Washington, DC 20036–4305 using Form OSC–11. Alternatively, you may file online through the OSC Web site at http://www.osc.gov.

Disciplinary Actions

Under existing laws, USDOT retains the right, where appropriate, to discipline a USDOT employee who engages in conduct that is inconsistent with Federal Antidiscrimination and Whistleblower Protection laws up to and including removal from Federal service. If OSC initiates an investigation under 5 U.S.C. 1214(a) according to 5 U.S.C. 1214(f), USDOT must seek approval from the Special Counsel to discipline employees for, among other activities, engaging in prohibited retaliation. Nothing in the No FEAR Act alters existing laws, or permits an agency to take unfounded disciplinary action against a USDOT employee, or to violate the procedural rights of a USDOT employee accused of discrimination.

Additional Information

For more information regarding the No FEAR Act regulations, refer to 5 CFR part 724, as well as the appropriate office(s) within your agency (e.g., EEO/ civil rights offices, human resources offices, or legal offices). You can find additional information regarding Federal antidiscrimination, whistleblower protection, and retaliation laws at the EEOC Web site at http://www.eeoc.gov and the OSC Web site at http://www.osc.gov.

Existing Rights Unchanged

Pursuant to section 205 of the No FEAR Act, neither the Act nor this notice creates, expands, or reduces any rights otherwise available to any employee, former employee, or applicant under the laws of the United
States, including the provisions of law specified in 5 U.S.C. 2302(d).

Camille Hazeur,
Director, Departmental Office of Civil Rights,
United States Department of Transportation.
