Overview of This information

(1) Type of Information Collection: Approval of an Existing Collection
Title of the Form:
Federal Firearms Licensee (FFL) Enrollment/National Instant Criminal Background Check System (NICS) E-Check Enrollment Form
Federal Firearms Licensee (FFL) Officer/Employee Acknowledgment of Responsibilities under the National Instant Criminal Background Check System (NICS) Form
(2) Agency Form Number, if any, and the applicable component of the department sponsoring the collection: Form Number: 1110–0026.
Sponsor: Criminal Justice Information Services (CJIS) Division of the Federal Bureau of Investigation (FBI), Department of Justice (DOJ).
(3) Affected public who will be asked or required to respond, as well as a brief abstract:
Primary: Any Federal Firearms Licensee (FFL) or State Point of Contact (POC) requesting access to conduct National Instant Criminal Background Check System (NICS) checks telephonically or by the Internet through the NICS E-Check.
Brief Abstract: The Brady Handgun Violence Prevention Act of 1993 required the United States Attorney General to establish a national instant criminal background check system that any FFL may contact, by telephone or by other electronic means, for information to be supplied immediately, on whether receipt of a firearm to a prospective purchaser would violate state or federal law. Information pertaining to licensees who may contact the NICS is being collected to manage and control access to the NICS and to the NICS E-Check, to ensure appropriate resources are available to support the NICS, and also to ensure the privacy and security of NICS information.
(4) An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:
It is estimated that 250 FFLs enroll with the NICS per month for a total of 3,000 enrollments per year. The average response time for reading the directions for the National Instant Criminal Background Check System (NICS) Federal Firearms Licensee (FFL) Enrollment/NICS E-Check Enrollment Form is estimated to be two minutes; time to complete the form is estimated to be three minutes; and the time it takes to assemble, mail, or fax the form to the FBI is estimated to be three minutes, for a total of eight minutes. The average hour burden for this specific form is 3,000 × 8 minutes/60 = 400 hours.
The Federal Firearms Licensee (FFL) Officer/Employee Acknowledgment of Responsibilities Form under the National Instant Criminal Background Check System (NICS) takes approximately three minutes to read the responsibilities and two minutes to complete the form, for a total of five minutes. The average hour burden for this specific form is 6,000 × 5 minutes/60 = 250 hours.
The letter mailed to each new FFL takes an additional two minutes to read which would be 3,000 × 2 minutes/60 = 100 hours.
The entire process of reading the letter and completing both forms would take 15 minutes per respondent. The average hour burden for completing both forms and reading the accompanying letter would be 3,000 × 15/60 = 750 hours.
(5) An estimate of the total public burden (in hours) associated with the collection:
The entire process of reading the letter and completing both forms would take 15 minutes per respondent. The average hour burden for completing both forms and reading the accompanying letter would be 3,000 × 15/60 = 750 hours.
