

**Proposed Project: National Health Service Corps Scholar Travel Worksheet (OMB No. 0915-0278)—Revision**

Clinicians participating in the HRSA National Health Service Corps (NHSC) Scholarship Program use the online Travel Request Worksheet to request travel funds from the federal government for pre-employment

interviews at sites on the NHSC's Job Opportunities List.

The travel approval process is initiated when a scholar notifies the NHSC of an impending interview at one or more NHSC-approved practice sites. The Travel Request Worksheet is also used to process an NHSC scholar's request to be reimbursed for moving expenses after he/she has successfully been matched to an approved practice

site. Upon receipt of the Travel Request Worksheet, the NHSC will review and approve or disapprove the request and promptly notify the scholar and the NHSC logistics contractor regarding travel arrangements and authorization of the funding for the site visit or relocation.

The annual estimate of burden is as follows:

Instrument	Number of respondents	Responses per respondent	Total responses	Hours per response	Total burden hours
Scholar Travel Request Worksheet .....	180	2	360	.0667	24
Total .....	180	2	360	.0667	24
