know laws and pollution prevention requirements; implementation of an Environmental Management System (EMS); and completion of Facility Compliance Audits (FCAs).

This information collection will be accomplished by means of FAR clause 52.223–5. This clause requires that Federal facilities comply with the planning and reporting requirements of the Pollution Prevention Act (PPA) of 1990 (42 U.S.C. 13101–13109) and the Emergency Planning and Community Right-to-Know Act (EPCRA) of 1986 (42 U.S.C. 11001–11050). Additionally, this clause requires contractors to provide information necessary so that agencies can implement EMSs and complete FCAs at certain Federal facilities.

B. Annual Reporting Burden

The estimated annual reporting burden is slightly decreased since published in the **Federal Register** at 74 FR 48745, on September 24, 2009. The adjustment is made based on current data and consultation with Federal Government subject matter experts familiar with the requirements under this information collection.

A. Purpose

The contractor's proposal of final indirect cost rates is necessary for the establishment of rates used to reimburse the contractor for the costs of performing under the contract. The supporting cost data are the cost accounting information normally prepared by organizations under sound management and accounting practices.

The proposal and supporting data is used by the contracting official and auditor to verify and analyze the indirect costs and to determine the final indirect cost rates or to prepare the Government negotiating position if negotiation of the rates is required under the contract terms.

B. Annual Reporting Burden

The information collection in the FAR remains unchanged.

Respondents: 3,000.

Responses per Respondent: 1.

Annual Responses: 3,000.

Hours per Response: 2,188.

Total Burden Hours: 6,564,000.
