

DATES: We must receive comments on or before January 16, 2013. We will hold a public meeting on December 3, 2012.

ADDRESSES: Send your comments to the State Director, Bureau of Land Management, Wyoming State Office, 5353 Yellowstone Road, Cheyenne, Wyoming 82009.

FOR FURTHER INFORMATION CONTACT: Janelle Wrigley, Bureau of Land Management, Wyoming State Office, 307-775-6257, or at the above address. Persons who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 to reach the Bureau of Land Management (BLM) contact during normal business hours. The FIRS is available 24 hours a day, 7 days a week, to leave a message or question with the above individual. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION: The withdrawal created by PLO No. 6960 (58 FR 16628 (1993)), as corrected by PLO No. 6980 (58 FR 33025 (1993)), will expire on March 29, 2013, unless extended. PLO No. 6960 is incorporated herein by reference. The BLM has filed a petition/application to extend PLO No. 6960 for an additional 20-year term. The PLO withdrew 10,535.30 acres of public mineral estate from location or entry under the United States mining laws, to protect the East Fork Elk Winter Range and elk natural feeding grounds.

The proposed withdrawal extension would continue to protect the elk and bighorn sheep winter range, feeding grounds, and capital investments for an additional 20-year term.

The use of a right-of-way, interagency, or cooperative agreement would not adequately constrain nondiscretionary uses which could result in permanent loss of significant values and irreplaceable resources of the range.

There are no suitable alternative sites since the lands contain an area that elk and bighorn sheep have historically used as winter range, because of the physical characteristics of the lands and the local weather conditions.

The purpose of the requested withdrawal extension does not require water rights.

You may examine records relating to the application by contacting Janelle Wrigley at the above address or by telephone: 307-775-6257, or the BLM Lander Field Office, Field Manager, 1335 Main Street, Lander, Wyoming 82520 or by telephone: 307-332-8400.

For a period until January 16, 2013, all persons who wish to submit comments, suggestions, or objections in connection with the proposed

withdrawal extension may present their views in writing to the BLM Wyoming State Director at the address noted above. Comments, including names and street addresses of respondents, will be available for public review at the BLM Lander Field Office, 1335 Main Street, Lander, Wyoming, during regular business hours 8:00 a.m. to 4:30 p.m., Monday through Friday, except Federal holidays.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you may ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

We will hold a public meeting in connection with the proposed withdrawal extension on December 3, 2012, at the Dubois Town Hall, 712 Meckem, Dubois, Wyoming from 4:30 p.m. until 7:30 p.m. We will publish a notice of the time and place in at least one local newspaper no less than 30 days before the scheduled meeting date. Interested parties may make oral statements and may file written statements at the meeting. We will consider all statements received before we submit any recommendation concerning the proposed extension to the Assistant Secretary for final action.

We will process this withdrawal extension proposal in accordance with the regulations set forth in 43 CFR 2310.1-2.

Authority: 43 CFR 2310.3-1.

Larry Claypool,

Acting Wyoming State Director.

[LLWY920000 L1430000.ET0000; WY 179968]

Notice of Proposed Withdrawal of Public Land for the Buffalo Bill Dam and Reservoir Modification Project Recreation Site and Opportunity for a Public Meeting; WY

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: The Bureau of Reclamation (BR) has filed an application with the

Bureau of Land Management (BLM) requesting the Assistant Secretary of the Interior for Policy, Management and Budget to withdraw 32.56 acres of public land from settlement, sale, location, and entry under the general land laws, including the United States mining laws, for protection of recreational facilities constructed in connection with the Buffalo Bill Dam and Reservoir Modification Project near Cody, Wyoming. This notice gives the public an opportunity to comment on the application and to request a public meeting.

DATES: Comments must be received on or before January 16, 2013.

ADDRESSES: Comments and meeting requests should be sent to the BLM Wyoming State Director, 5353 Yellowstone Road, Cheyenne, Wyoming 82009.

FOR FURTHER INFORMATION CONTACT: Diane Schurman, BLM Wyoming State Office, telephone: 307-775-6189; email: Dschurma@blm.gov or at the above address. Persons who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 to contact the above individual. The FIRS is available 24 hours a day, 7 days a week, to leave a message or question with the above individual. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION: The Assistant Secretary for Policy, Management and Budget proposes to withdraw, subject to valid existing rights, the following described public land from settlement, sale, location, and entry under the general land laws, including the United States mining laws, but not from leasing under the mineral leasing laws, for a period of 20 years to protect the capital investments of a developed recreation site in the Buffalo Bill Dam and Reservoir Modification Project area:

Sixth Principal Meridian

T. 52 N., R. 104 W.,

Sec. 14, lots 10, 11, 26, and 27;

Sec. 15, lots 21, 22, and 23.

The area described contains 32.56 acres in Park County.

The Assistant Secretary for Policy, Management and Budget approved the BR's petition/application; therefore, it constitutes a withdrawal proposal.

The purpose of the proposed withdrawal is to protect the capital investments expended for the recreational facilities to be administered pursuant to a joint-venture agreement by the Wyoming Recreation Commission for the BR. This recreational site is part

of a Master Plan for the Buffalo Bill State Park and the Buffalo Bill Dam and Reservoir Modification Project.

The use of a right-of-way, interagency or cooperative agreement, or surface management under the 43 CFR 3809 regulations would not adequately constrain nondiscretionary uses which could result in permanent loss of significant values of the recreation site. There are no suitable alternative sites since the lands described here contain the resource values that need protection.

No water rights would be needed to fulfill the purpose of the requested withdrawal.

Records relating to the application may be examined by contacting either Diane Schurman at the above address or by calling 307-775-6189 or Lyle Myler, Bureau of Reclamation, Wyoming Area Office, Mills, Wyoming, or by calling 307-261-5676.

For a period until January 16, 2013, all persons who wish to submit comments, suggestions, or objections in connection with the proposed withdrawal application may present their views in writing to the BLM Wyoming State Director at the address or email address noted above.

Comments including names and street addresses of respondents will be available for public review at the BLM Wyoming State office, during regular business hours 8:00 a.m. to 4:30 p.m., Monday through Friday, except holidays. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you may ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. Individual respondents may request confidentiality. If you wish to withhold your name or address from public review or from disclosure under the Freedom of Information Act, you must state this prominently at the beginning of your comments. Such requests will be honored to the extent allowed by law. All submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, will be made available for public inspection in their entirety.

For a period until October 20, 2014, the land will be segregated as specified above unless the application is denied or canceled or the withdrawal is approved prior to that date. Licenses, permits, cooperative agreements, or

discretionary land use authorizations of a temporary nature which would not impact the site may be allowed with the approval of an authorized officer of the BLM during the application processing period.

Notice is hereby given that an opportunity for a public meeting is afforded in connection with the proposed withdrawal. All interested persons who desire a public meeting for the purpose of being heard on the proposed withdrawal must submit a written request to the BLM Wyoming State Director no later than January 16, 2013. If the authorized officer determines that a public meeting will be held, a notice of the time and place will be published in the **Federal Register** and a local newspaper at least 30 days before the scheduled date of the meeting.

This application will be processed in accordance with the regulations set forth in 43 CFR 2310.1-2.

Donald A. Simpson,
State Director.

ACTION: Notice

SUMMARY: The Commission hereby gives notice that it will proceed with full reviews pursuant to section 751(c)(5) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(5)) to determine whether revocation of the antidumping duty orders on steel concrete reinforcing bar from Belarus, China, Indonesia, Latvia, Moldova, Poland, and Ukraine would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. A schedule for the reviews will be established and announced at a later date. For further information concerning the conduct of these reviews and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

DATES: *Effective Date:* October 5, 2012.

SUPPLEMENTARY INFORMATION: On October 5, 2012, the Commission determined that it should proceed to full reviews in the subject five-year reviews pursuant to section 751(c)(5) of the Act. The Commission found that both the domestic interested party group response to its notice of institution (77 FR 39254, July 2, 2012) was adequate and that the respondent interested party group responses with respect to Latvia and Moldova were adequate, and decided to conduct full reviews of the antidumping duty orders on steel concrete reinforcing bar from Latvia and Moldova. The Commission found that the respondent interested party group response with respect to Belarus, China, Indonesia, Poland, and Ukraine was inadequate. However, the Commission determined to conduct full reviews concerning the orders on steel concrete reinforcing bar from Belarus, China, Indonesia, Poland, and Ukraine to promote administrative efficiency in light of its decision to conduct full reviews with respect to the orders on subject imports from Latvia and Moldova. A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's Web site.

Authority: These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission's rules.
