*Background:* The President's Volunteer Service Awards were created by Executive Order on January 30, 2003. The awards are administered by the Corporation for National and Community Service. Under the Executive Order, the Corporation was directed to (among other things) design and recommend programs to recognize individuals, schools, and organizations that excel in their efforts to support volunteer service and civic participation, especially with respect to students in primary schools, secondary schools, and institutions of higher learning. The President's Volunteer Service Awards fulfills this direction. In order to recognize individuals, schools and organizations, the program must collect information about the individuals and organizations and their activities to verify that they are eligible to receive the award and have earned the award.

*Current Action:* CNCS seeks to renew the current information collection. The forms have been edited to include questions that allow us to confirm eligibility and provide a more streamlined online experience.

The information collection will otherwise be used in the same manner as the existing application. CNCS also seeks to continue using the current application until the revised application is approved by OMB. The current application is due to expire on March 31, 2013.
