General information concerning the CASAC can be found on the EPA Web site at <http://www.epa.gov/casac>.

SUPPLEMENTARY INFORMATION: The CASAC was established pursuant to the Clean Air Act (CAA) Amendments of 1977, codified at 42 U.S.C. 7409D(d)(2), to provide advice, information, and recommendations to the Administrator on the scientific and technical aspects of issues related to the criteria for air quality standards, research related to air quality, sources of air pollution, and the strategies to attain and maintain air quality standards and to prevent significant deterioration of air quality. The CASAC is a Federal Advisory Committee chartered under the Federal Advisory Committee Act (FACA), 5 U.S.C., App. 2. The CASAC Ozone Review Panel and the CASAC will comply with the provisions of FACA and all appropriate SAB Staff Office procedural policies.

Section 109(d)(1) of the CAA requires that the Agency periodically review and revise, as appropriate, the air quality criteria and the NAAQS for the six “criteria” air pollutants, including ozone. EPA is currently reviewing the primary (health-based) and secondary (welfare-based) NAAQS for ozone. The CASAC Ozone Review Panel held a face-to-face meeting on September 11–13, 2012 (as noticed in 77 FR 46755–46756) to review four EPA documents: *Integrated Science Assessment for Ozone and Related Photochemical Oxidants (Third External Review Draft—June 2012)*, *Health Risk and Exposure Assessment for Ozone (First External Review Draft—Updated August 2012)*, *Welfare Risk and Exposure Assessment for Ozone (First External Review Draft—Updated August 2012)*, and *Policy Assessment for the Review of the Ozone National Ambient Air Quality Standards (First External Review*

Draft—August 2012). Information about these review activities may be found on the CASAC Web site at <http://www.epa.gov/casac>. Pursuant to FACA and EPA policy, notice is hereby given that the CASAC Ozone Review Panel will hold a follow-up public teleconference to discuss its draft reviews of these four EPA documents.

Availability of Meeting Materials: Prior to the meeting, the review documents, agenda and other materials will be accessible through the calendar link on the blue navigation bar at <http://www.epa.gov/casac/>.

Members of the public wishing to provide comment should contact the DFO directly.

Oral Statements: In general, individuals or groups requesting an oral presentation at a public teleconference will be limited to three minutes. Interested parties should contact Dr. Holly Stallworth, DFO, in writing (preferably via email) at the contact information noted above by October 29, 2012, to be placed on the list of public speakers for the teleconference.

Written Statements: Written statements should be supplied to the DFO via email at the contact information noted above by October 29, 2012 for the teleconference so that the information may be made available to the Panel members for their consideration. Written statements should be supplied in one of the following electronic formats: Adobe Acrobat PDF, MS Word, MS PowerPoint, or Rich Text files in IBM-PC/Windows 98/2000/XP format. It is the SAB Staff Office general policy to post written comments on the Web page for the advisory meeting or teleconference. Submitters are requested to provide an unsigned version of each

document because the SAB Staff Office does not publish documents with signatures on its Web sites. Members of the public should be aware that their personal contact information, if included in any written comments, may be posted to the CASAC Web site. Copyrighted material will not be posted without explicit permission of the copyright holder.
