

I. Introduction

In accordance with 39 U.S.C. 3642 and 39 CFR 3020.30 *et seq.*, the Postal Service filed a formal request and associated supporting information to remove International Restricted Delivery from the competitive product list.¹ International Restricted Delivery service limits who may receive an item as determined by the internal requirements of the destination country. The Request has been assigned Docket No. MC2013–3.

To support its Request, the Postal Service filed three attachments as follows:

- Attachment A—a copy of Governors' Decision No. 12–02, authorizing the removal of the product from the competitive product list;
- Attachment B—a Statement of Supporting Justification as required by 39 CFR 3020.32; and
- Attachment C—proposed changes to the Mail Classification Schedule competitive product list.

The Postal Service seeks to remove International Restricted Delivery service from the competitive product list due to low customer demand.² It states that there are no marketplace indicators that demonstrate future volume and revenue growth. Request at 2. In a separate filing, the Postal Service submits a library reference supporting its assertions and an application for non-public treatment, under seal.³ The Postal Service maintains that the data contained in the library reference are commercially-sensitive and proprietary information that should not be released into the public domain pursuant to 39 U.S.C. 410(c)(2) and 5 U.S.C. 552(b)(3). *Id.* Attachment A at 1.

In addition, in the Statement of Supporting Justification, Larry E. Richardson, Manager of Alliance Integration and Support, asserts that because the Postal Service is requesting product removal, the product's ability to cover its own costs has no impact on the instant Request. Request, Attachment B at 2. Mr. Richardson contends that removal of the product from the competitive product list ensures there will be no issue of market dominant

Applicants' Representations

1. The Company, a Delaware corporation, is an externally managed, non-diversified, closed-end management investment company that has elected to be regulated as, and operates as, a business development company (“BDC”) under the Act.¹ The Company seeks to generate current

¹ Section 2(a)(48) defines a BDC to be any closed-end investment company that operates for the purpose of making investments in securities described in section 55(a)(1) through 55(a)(3) of the Act and makes available significant managerial assistance with respect to the issuers of such securities.

income and capital appreciation by lending directly to privately-held middle market companies. The Investment Adviser, a Delaware limited liability company, is the investment adviser to the Company and to Medley SBIC. The Investment Adviser is registered under the Investment Advisers Act of 1940.

2. Medley SBIC, a Delaware limited partnership, has submitted an application to the Small Business Administration (“SBA”) for a license to operate as a small business investment company (“SBIC”) under the Small Business Investment Act of 1958 (“SBIA”) and expects that application to be approved in the next six months. Medley SBIC is excluded from the definition of investment company by section 3(c)(7) of the Act. The General Partner, a Delaware limited liability company, is a wholly-owned subsidiary of the Company and the general partner of Medley SBIC. The Company is the sole member of the General Partner. The Company, directly and through its ownership of the General Partner, owns all of the equity and voting interests of Medley SBIC.

Applicants’ Legal Analysis

1. The Company requests an exemption pursuant to section 6(c) of the Act from the provisions of sections 18(a) and 61(a) of the Act to permit it to adhere to a modified asset coverage requirement with respect to any direct or indirect wholly owned subsidiary of the Company that is licensed by the SBA to operate under the SBIA as a SBIC and relies on Section 3(c)(7) to be excepted from the definition of “investment company” under the 1940 Act (each, a “SBIC Subsidiary”).² Applicants state that companies operating under the SBIA, such as the SBIC Subsidiaries, will be subject to the SBA’s substantial regulation of permissible leverage in their capital structure.

2. Section 18(a) of the Act prohibits a registered closed-end investment company from issuing any class of senior security or selling any such security of which it is the issuer unless the company complies with the asset coverage requirements set forth in that section. Section 61(a) of the Act makes section 18 applicable to BDCs, with certain modifications. Section 18(k) exempts an investment company operating as an SBIC from the asset coverage requirements for senior

securities representing indebtedness that are contained in section 18(a)(1)(A) and (B).

3. Applicants state that the Company may be required to comply with the asset coverage requirements of section 18(a) (as modified by section 61(a)) on a consolidated basis because the Company may be deemed to be an indirect issuer of any class of senior security issued by Medley SBIC or another SBIC Subsidiary. Applicants state that applying section 18(a) (as modified by section 61(a)) on a consolidated basis generally would require that the Company treat as its own all assets and any liabilities held directly either by itself, by Medley SBIC, or by another SBIC Subsidiary. Accordingly, the Company requests an order under section 6(c) of the Act exempting the Company from the provisions of section 18(a) (as modified by section 61(a)), such that senior securities issued by each SBIC Subsidiary that would be excluded from the SBIC Subsidiary’s asset coverage ratio by section 18(k) if it were itself a BDC would also be excluded from the Company’s consolidated asset coverage ratio.

4. Section 6(c) of the Act, in relevant part, permits the Commission to exempt any transaction or class of transactions from any provision of the Act if and to the extent that such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act. Applicants state that the requested relief satisfies the section 6(c) standard. Applicants contend that, because the SBIC Subsidiary would be entitled to rely on section 18(k) if it were a BDC itself, there is no policy reason to deny the benefit of that exemption to the Company.

Applicants’ Condition

Applicants agree that any order granting the requested relief will be subject to the following condition:

The Company shall not issue or sell any senior security and the Company shall not cause or permit Medley SBIC or any other SBIC Subsidiary to issue or sell any senior security of which the Company, Medley SBIC or any other SBIC Subsidiary is the issuer except to the extent permitted by section 18 (as modified for BDCs by section 61) of the Act; provided that, immediately after the issuance or sale by any of the Company, Medley SBIC or any other SBIC Subsidiary of any such senior security, the Company, individually and on a consolidated basis, shall have the

asset coverage required by section 18(a) of the Act (as modified by section 61(a)). In determining whether the Company has the asset coverage on a consolidated basis required by section 18(a) of the Act (as modified by section 61(a)), any senior securities representing indebtedness of Medley SBIC or another SBIC Subsidiary shall not be considered senior securities and, for purposes of the definition of “asset coverage” in section 18(h), shall be treated as indebtedness not represented by senior securities.

For the Commission, by the Division of Investment Management, pursuant to delegated authority.

Kevin M. O’Neill,

Deputy Secretary.
