Notice of Submission of Proposed Information Collection to OMB Indian Housing Block Grants (IHBG) Program Reporting

AGENCY: Office of the Chief Information Officer, HUD.

ACTION: Notice.

SUMMARY: The proposed information collection requirement described below has been submitted to the Office of Management and Budget (OMB) for review, as required by the Paperwork Reduction Act. The Department is soliciting public comments on the subject proposal.

Hawaiians, or tribally designated housing entities that receive IHBG funds are required annually to submit HUD-52737 that consists of two components: the Indian Housing Plan (IHP) component and the Annual Performance Report (APR) component. The IHP is required by Section 102 of the Native American Housing Assistance and Self-Determination Act (NAHASDA) and describes the eligible IHBG-funded, affordable housing activities the recipient plans to conduct for the benefit of low and moderate income tribal members and identifies the intended outcomes and outputs for the upcoming 12-month year. The recipient submits the IHP at least 75 days prior to the beginning of its 12-month program year. HUD conducts a limited review of the IHP to determine that the planned

activities are in compliance with NAHASDA requirements, as defined at 24 CFR Part 1000. At the end of the 12-month period, the recipient submits the APR that is required by Section 404 of NAHASDA and describes (1) The use of grant funds during the prior 12-month period; (2) the actual outcomes and outputs achieved; (3) program accomplishments; and (4) jobs supported by IHBG-funded activities. HUD uses the information in the APR to review the recipient's progress in implementing the IHP, verify whether the activities are eligible and to determine if the recipient has the capacity to continue implementing the activities described in the IHP in a timely manner. The information in the APR also will be used to provide Congress, stakeholders, and other interested parties with information on how the IHBG funds are being used to meet affordable housing needs within Native American communities.

This Notice is soliciting comments from members of the public and affected agencies concerning the proposed collection of information to: (1) Evaluate whether the proposed collection is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information; (3) Enhance the quality, utility, and clarity of the information to be collected; and (4) Minimize the burden of the collection of information on those who are to respond; including the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

This Notice also lists the following information:

Title of Proposal: Real Estate Settlement Procedures Act (RESPA) Disclosures.

OMB Control Number, if applicable: 2502-0265.

Description of the need for the information and proposed use: This collection is a reinstatement of a discontinued information collection. The Real Estate Settlement Procedures Act of 1974, (RESPA), 12 U.S.C. 2601 *et seq.*, and Regulation X, codified at 24 CFR 3500, require real estate settlement service providers to give homebuyers certain disclosure information at and before settlement, and pursuant to the servicing of the loan and escrow account. This includes a Special Information Booklet, a Good Faith Estimate, a Servicing Disclosure Statement, the Form HUD-1 or Form HUD-1A, and when applicable an Initial Escrow Account Statement, an Annual Escrow Account Statement, a Consumer Disclosure for Voluntary Escrow Account Payments, an Affiliated Business Arrangement Disclosure, and a Servicing Transfer Disclosure.

Under the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act), rulemaking authority for and certain enforcement authorities with respect to the Real Estate Settlement Procedures Act (RESPA) of 1974, as amended by Section 461 of the Housing and Urban-Rural Recovery Act of 1983 (HURRA), and other various

amendments, transferred from the Department of Housing and Urban Development (HUD) to the Consumer Financial Protection Bureau (CFPB) on July 21, 2011. The Dodd-Frank Act also directed the CFPB to integrate certain disclosures required by the Truth in Lending Act (TILA) with certain disclosures required by the Real Estate Settlement Procedures Act (RESPA) of 1974. The CFPB expects the content and format of information collection forms under this clearance, HUD's existing HUD-1/1A and GFE forms, to be significantly revised or replaced by rulemaking. The CFPB published proposed rules in July and August of 2012 to that effect.

Historically, in order to satisfy information collection requirements under the Paperwork Reduction Act (PRA), the HUD-1/1A and GFE listed HUD's Office of Management and Budget (OMB) control number, 2502-0265. While the CFPB will be, upon OMB approval of this information collection request, the "owner" of this information collection, the CFPB believes that requiring covered persons to modify existing forms solely to replace HUD's OMB control number with the Bureau's OMB control number would impose substantial burden on covered persons with limited or no net benefit to consumers. Accordingly, the CFPB has reached an agreement with OMB and HUD whereby covered persons may continue to list HUD's OMB control number on the HUD-1/1A and GFE forms until a final rule to the contrary takes effect. Covered persons also have the option of replacing HUD's OMB control number with the Bureau's OMB control number on the HUD-1/1A and GFE forms until a final rule to the contrary takes effect. Once the CFPB's final rule takes effect, regulated industry will no longer be able to use the HUD control number.

Agency form numbers, if applicable: HUD-1, HUD-1A and [GFE form number to be determined].

Estimation of the total numbers of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: The total number of annual burden hours needed to prepare the information is 17,183,450; the number of respondents is estimated to be 50,000 generating approximately 149,589,500 responses annually; these are third party disclosures, the
