This Notice also lists the following information:

Title of Proposal: Real Estate Settlement Procedures Act (RESPA) Disclosures.

OMB Control Number, if applicable: 2502–0265.

Description of the need for the information and proposed use: This collection is a reinstatement of a discontinued information collection. The Real Estate Settlement Procedures Act of 1974, (RESPA), 12 U.S.C. 2601 et seq., and Regulation X, codified at 24 CFR 3500, require real estate settlement service providers to give homeowners certain disclosure information at and before settlement, and pursuant to the servicing of the loan and escrow account. This includes a Special Information Booklet, a Good Faith Estimate, a Servicing Disclosure Statement, the Form HUD–1 or Form HUD–1A, and when applicable an Initial Escrow Account Statement, an Annual Escrow Account Statement, a Consumer Disclosure for Voluntary Escrow Account Payments, an Affiliated Business Arrangement Disclosure, and a Servicing Transfer Disclosure. Under the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act), rulemaking authority for and certain enforcement authorities with respect to the Real Estate Settlement Procedures Act (RESPA) of 1974, as amended by Section 461 of the Housing and Urban-Rural Recovery Act of 1983 (HURRA), and other various amendments, transferred from the Department of Housing and Urban Development (HUD) to the Consumer Financial Protection Bureau (CFPB) on July 21, 2011. The Dodd-Frank Act also directed the CFPB to integrate certain disclosures required by the Truth in Lending Act (TILA) with certain disclosures required by the Real Estate Settlement Procedures Act (RESPA) of 1974. The CFPB expects the content and format of information collection forms under this clearance, HUD’s existing HUD–1/1A and GFE forms, to be significantly revised or replaced by rulemaking. The CFPB published proposed rules in July and August of 2012 to that effect.

Historically, in order to satisfy information collection requirements under the Paperwork Reduction Act (PRA), the HUD–1/1A and GFE listed HUD’s Office of Management and Budget (OMB) control number, 2502–0265. While the CFPB will be, upon OMB approval of this information collection request, the “owner” of this information collection, the CFPB believes that requiring covered persons to modify existing forms solely to replace HUD’s OMB control number with the Bureau’s OMB control number would impose substantial burden on covered persons with limited or no net benefit to consumers. Accordingly, the CFPB has reached an agreement with OMB and HUD whereby covered persons may continue to list HUD’s OMB control number on the HUD–1/1A and GFE forms until a final rule to the contrary takes effect. Covered persons also have the option of replacing HUD’s OMB control number with the Bureau’s OMB control number on the HUD–1/1A and GFE forms until a final rule to the contrary takes effect. Once the CFPB’s final rule takes effect, regulated industry will no longer be able to use the HUD control number.

Agency form numbers, if applicable: HUD–1, HUD–1A and [GFE form number to be determined].

Estimation of the total numbers of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: The total number of annual burden hours needed to prepare the information is 17,183,450; the number of respondents is estimated to be 50,000 generating approximately 149,589,500 responses annually; these are third party disclosures, the...
frequency of response is annually for one disclosure and as required for others; and the estimated time per response varies from 2 minutes to 35 minutes.

Dated: October 18, 2012.
