SUPPLEMENTARY INFORMATION: The Department of Education (ED), in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: Federal Family Education Loan (FFEL) Program Income Based Repayment (IBR) Plan Request and Alternative Documentation of Income.

OMB Control Number: 1845-0102.

Type of Review: Revision of an existing collection of information.

Respondents/Affected Public: Individuals or households.

Total Estimated Number of Annual Responses: 3,159,132.

Total Estimated Number of Annual Burden Hours: 1,042,514.

Abstract: This form serves as the means by which borrowers in the William D. Ford Federal Direct Loan (Direct Loan) and Federal Family Education Loan (FFEL) Programs may request an Income-Based or Income-Contingent Repayment (IBR/ICR) Plans if they meet certain statutory and regulatory criteria. The U.S. Department of Education uses the information

collected on these forms to determine whether a borrower meets the eligibility requirements for the specific IBR/ICR Plan that the borrower has requested. The burden hours associated with this collection is increasing for one reason; namely, that the collection is being combined with all Income-Based or Income-Contingent materials contained in the soon-to-be revised 1845-0014 (Direct Loan Repayment Plan Selection Form) and soon-to-be discontinued 1845-0016 (Direct Loan IBR/ICR Alternative Documentation of Income Form), so that the forms associated with this collection may be used in both the FFEL and Direct Loan Program. However, because the form has been greatly streamlined, there is a significant burden reduction associated with this clearance that is masked by the increased respondent population.

Dated: October 22, 2012.

Darrin A. King,

Director, Information Collection Clearance Division, Privacy, Information and Records Management Services, Office of Management.
