

Texas will meet the criteria to resume a payable period in Tier 3 of the EUC08 program. This payable period will start with the week beginning October 7, 2012. For claimants establishing new eligibility in Tier 3, the maximum potential entitlement is the lesser of 35 percent of the maximum regular UC entitlement or 9 times the regular UC weekly benefit amount.

- With the week ending October 6, 2012, Georgia and Mississippi will have served a full 13 week "off" period in Tier 4 of the EUC08 program. Given that the trigger rate for these states is currently at or above the 9.0 percent trigger rate threshold, and no more unemployment rates will be released before October 19, 2012, Georgia and Mississippi will meet the criteria to resume a payable period in Tier 4 of the EUC08 program. The payable period will start with the week beginning October 7, 2012. For claimants establishing new eligibility in Tier 4, the maximum potential entitlement in Tier 4 is the lesser of 24 percent of the maximum regular UC entitlement or 6 times the regular UC weekly benefit amount.

- Based on data released by the Bureau of Labor Statistics on September 21, 2012, the three month average, seasonally adjusted total unemployment rate for the District of Columbia fell below the 9.0 percent trigger rate threshold to remain "on" in Tier 4 of the EUC08 program. As a result, entitlement for claimants in the District of Columbia in the EUC08 program will decrease from a maximum possible duration of 47 weeks to a maximum possible duration of 37 weeks. The week ending October 13, 2012, will be the last week in which EUC claimants in the District of Columbia can exhaust Tier 3, and establish Tier 4 eligibility. Under the phase-out provisions, claimants can receive any remaining entitlement they have in Tier 4 after October 13, 2012.

Information for Claimants

The duration of benefits payable in the EUC08 program, and the terms and conditions under which they are payable, are governed by Public Laws 110-252, 110-449, 111-5, 111-92, 111-118, 111-144, 111-157, 111-205, 111-312, 112-96, and the operating instructions issued to the states by the Department.

In the case of a state beginning or concluding a payable period in EUC08, the State Workforce Agency will furnish a written notice of any change in potential entitlement to each individual who could establish, or had established, eligibility for benefits (20 CFR 615.13 (c)(1) and (c)(4)). Persons who believe

they may be entitled to benefits under the EUC08 program, or who wish to inquire about their rights under the program, should contact their State Workforce Agency.
